It's Christmas, David! David Shannon, 2016-09-27 The bestselling star of *No, David!* turns Christmas traditions upside down with laugh-aloud humor. Readers of all ages will vividly remember trying to peek at hidden gift packages; writing scrolls of wish lists to Santa; and struggling to behave at formal Christmas dinner parties. Always in the background, we know Santa Claus is watching, soon to decide if David deserves a shiny new fire truck or a lump of coal under the tree. From playing with delicate ornaments to standing in an endlessly long line for Santa, here are common Christmas activities--but with David's naughty trimmings. A surefire hit that is destined to be an annual classic.

Elements of Family Style Erin Gates,2019-04-02 New York

Times bestselling author and popular lifestyle blogger Erin Gates shares everything you need to know about designing a beautifully stylish—yet practical and functional—family home through candid advice, inspirational ideas, and lessons learned. Loved by her readers for her chic interior designs and frank and funny revelations about life behind the scenes of her picture-perfect blog, bestselling author and designer Erin Gates presents a new book about how to live stylishly amidst the chaos of daily family life. Throughout her career designing homes for families of all kinds all over the country, Erin has always maintained that living with children and pets does not mean that you have to forego nice things. This uniquely personal and practical guide will explain how to create a home that makes you proud and reflects your own style while also being durable, safe, and comfortable for children. It focuses on the spaces families share, those that are dedicated to the kids, and the oft-forgotten retreats for parents. Erin combines honest design advice and gorgeous inspirational photographs with engaging and intimate personal essays about life lessons learned the hard way while struggling with infertility and becoming a mother, managing a business, overseeing her own home renovation, and finding time for her marriage. She'll share how to store toys so that shared spaces don't look like a kindergarten, the expensive-looking fabrics that will stand up to a marauding toddler with sticky hands, nursery looks that go beyond blue and pink, and furniture that does not have to be stored during the baby-proofing years. She also showcases the work of other designers she loves who surround parents, children, and their pets with comfort and beauty. Like a best friend who has a knack for style and a taste for fun, Erin opens her front door and invites you into her life and all of its beautiful imperfection.

'*TWAS* Jonathan Green,2019-10 'Twas the night before Christmas, when all through the house Not a creature was stirring, not even a mouse... And then the clock strikes thirteen and you wake to hear a thud downstairs. Investigating, you discover that your home has been invaded by two red-cloaked, and bearded, strangers. Before you know what is happening, Krampus the

Christmas Devil has abducted Santa Claus, and it's up to you to save Saint Nick before Christmas Day dawns and the cruel, birch-wielding, goat-legged one usurps the generous gift-giver's position, taking his place forever. He knows if you've been good or bad, so be good for goodness sake... Throughout the course of the adventure, YOU decide which path to take, which risks to brave, and even which of the strange creatures you will meet along the way to engage in battle. Success is by no means certain and you may well fail to complete the adventure at your first attempt. However, with experience, skill, and maybe even a little luck, each new attempt should bring you closer to your ultimate goal. But whether you succeed in your quest will be down to the choices YOU make.
