100 Christmas Wishes New York Public Library, 2018-10-16 A treasure trove of vintage Christmas cards, *100 Christmas Wishes* is the perfect holiday treat from the New York Public Library. Every year as the days grow shorter, amidst the holly, cookies, and carols there is another timeless holiday tradition—sending and receiving Christmas cards to and from those you love. *100 Christmas Wishes* is a collection of vintage holiday cards, all from the archives of the New York Public Library. The Library houses one of the greatest collections of early Christmas postcards from around the world with thousands of cards depicting every imaginable holiday scene. Archivists selected one hundred of the best cards from the extensive collection to share in *100 Christmas Wishes*. From the elegant, gilded Santa Clauses and statuesque angels, to yuletide still lifes, tumbling tots and puppies with bows round their necks, each card is a beautiful celebration of the holiday season. The book also includes six perforated postcards with reproductions of the designs so you too can share a vintage Christmas wish with friends and family on your list. As Rosanne Cash, a patron and friend of the Library as well as a devoted fan of Christmas cards, says in her introduction “This collection of early Christmas postcards, housed for a century in the New York Public Library archives, distills those abiding wishes for the holidays from revelers from long ago and faraway, in a wish for peace, joy, magic, bounty, family, and for light to be shone ‘round the world at Christmas, past and future.”

Christmas Around the World Barbour Publishing, 2002-09 Activities, games, and illustrations teach children about the unique cultures of the world -- and their customs of the Christmas season.

S Is for Star Reynolds Cynthia Furlong,2013-09-01 The Christmas story and the origin of many holiday traditions are thoroughly detailed in the text of S is for Star: A Christmas Alphabet. The first Christmas cards were printed and sold in the United States by a German immigrant in 1874. Long ago, eating pie was believed to bring good luck, and during the holidays they were baked in an oblong shape to look like a manger. The message of Christmas is a message to all the world and is beautifully conveyed and illustrated in S is for Star. Our tradition of gift-giving is based on the Wise Men's visit to Baby Jesus. Nearly every country has its own gift-giving traditions. In Great Britain, children eagerly await Father Christmas. In France, he is called Pere Noël. In Italy, Befana brings presents, and German and Austrian children wait for a visit from the Christkindl. Celebrate these and many other traditions of the holiday season with S is for Star: A Christmas Alphabet.

Christmas Set, 17 Vols World Book Encyclopedia,2000-12-01 Describes in text and illustrations how Christmas is celebrated around the world. Also includes stories, songs, recipes, and craft projects.

Christmas Around the World Lesley Sims,2005 Christmas customs, festive food, present-giving, songs and traditional stories from around the world with easy-reading text for children who have just started reading alone. The Modern Library Writer's Workshop Stephen Koch, 2009-05-14 "Make [your] characters want something right away—even if it's only a glass of water. Characters paralyzed by the meaninglessness of modern life still have to drink water from time to time." —Kurt Vonnegut "'The cat sat on the mat' is not the beginning of a story, but 'the cat sat on the dog's mat' is." —John Le Carré Nothing is more inspiring for a beginning writer than listening to masters of the craft talk about the writing life. But if you can't get Vladimir Nabokov, Virginia Woolf, and Gabriel García Márquez together at the Algonquin, *The Modern Library Writer's Workshop* gives you the next best thing. Stephen Koch, former chair of Columbia University's graduate creative writing program, presents a unique guide to the craft of fiction. Along with his own lucid observations and commonsense techniques, he weaves together wisdom, advice, and inspiring commentary from some of our greatest writers. Taking you from the moment of inspiration (keep a notebook with you at all times), to writing a first draft (do it quickly! you can always revise later), to figuring out a plot (plot always serves the story, not vice versa), Koch is a

benevolent mentor, glad to dispense sound advice when you need it most. The Modern Library Writer's Workshop belongs on every writer's shelf, to be picked up and pored over for those moments when the muse needs a little help finding her way.

He hires Imp's sister, Eve, to procure it by any means necessary, and in the process, he encounters Wendy Deere. In a tale of corruption, assassination, thievery, and magic, Wendy Deere must navigate rotting mansions that lead to distant pasts, evil tycoons, corrupt government officials, lethal curses, and her own moral qualms in order to make it out of this chase alive. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Greening of America Charles A. Reich, 1995 The 25th Anniversary of the Groundbreaking Classic. If there was any doubt about the need for social transformation in 1970, that need is clear and urgent today....I am now more convinced than ever that the conflict and suffering now threatening to engulf us are entirely unnecessary, and a tragic waste of our energy and resources. We can create an economic system that is not at war with human beings or nature, and we can get from here to there by democratic means.--from the new Preface by Charles A. Reich.

More Than the Truth Ian Ward, Suzanne Richter, 2019-08-07 The inspirational success story of the first 100 years of Hutchinson Builders. What started out as a one-man band in 1912, when an English immigrant builder arrived with his family to start a new life in Australia, has grown into the country's largest privately owned construction company. The Hutchies' story straddles a century that witnessed two world wars, the great depression and tumultuous cycles of financial crises against the back drop of the rough and tumble world of construction. As well as tracking the survival and eventual growth of Hutchies into the dynamic and well respected company of today, the book outlines its evolution through successive generations of Jack Hutchinsons at the helm with a fifth generation poised to take on that role. That story is told by way of a historical account as well as captured through the republication and inclusion of every back issue of Hutchies' Truth, the company's colourful, tabloid-style newsletter covering those years.
