Armand Daigle

Thank Earth You Armand Daigle,2014-02-03 Liberation and abundance bloom in arm's reach, but a young engineer's wrists are choked red by the chains of cubical slavery. Brought to his breaking point, he quits and confesses to his disappointed and worried parents that he has no plans of returning to a discipline they hold so dear. His world butterflies open. Relief and happiness come fast, but his new course remains obscured, and it's not until five months later, when he takes up with a pack of wolves, that direction begins to emerge. His surroundings become vibrant, lines dissolve, and never feeling so alive he pushes himself to precarious limits. And late one winter night, in the den where the wolves came from, the ex-engineer is confronted by a power that brings him both rapid bliss and the crumbling of his reality. Finding himself is a dark and constant battle between sanity and revelation in which he's not sure what side to take.

Cataract City Craig Davidson,2014-07-08 A searing novel about two friends on opposite sides of the law, from the author of *Rust and Bone*, a writer of immense power (Peter Straub) On the Canadian side of Niagara Falls, life beyond the tourist trade isn't easy. But they should know better; they've been unlucky before. As boys, they were abducted and abandoned in the woods. Though they made it out alive, the memory of that time won't fade. Over the years they drift apart, but when Duncan is drawn into a chaotic world of bare-knuckle fighting and other shady dealings, Owen, now a cop, can't look the other way any longer. Together, they'll be forced to survive the wilderness once more as their friendship is pushed to the limit in *Cataract City*, a white-hot novel by the rising star Craig Davidson.

Jungalow: Decorate Wild Justina Blakeney,2021-04-06 From Justina Blakeney, the ultimate guide to designing wildly creative interiors that are free-spirited, layered, and deeply personal Justina Blakeney's new book is her biggest, boldest, and most beautiful volume yet, filled with irresistible style, original patterns, and artwork—lushly photographed by Dabito. In each chapter, Justina shares her distinctive point of view on everything design fans want to know—how to make bold choices with color and pattern, how to take cues from nature, how to authentically glean inspiration from their heritage and travels, how to break rules, and all the other paths to truly begin to decorate wild. Along the way, Justina also shares personal narratives, practical advice, and nuanced insight into how she lives in her own space—how she reconnects with nature, how she plays and stays inspired, how she gives herself permission to feel free and wild, and how readers can do the same. *Jungalow* is the term coined by Justina for the brand that embodies her wild, but cozy and homey, style. Copycats abound, but there is no other book like this one—offering Justina's authentic, encouraging voice and approachable, signature style.

They embrace free-spirited, no-rules lifestyles and apply that attitude to all areas of their existence, including their homes. With little distinction between work and play, the new boho home often includes an office, art gallery, showroom, photography studio, restaurant, or even a pop-up shop. *The New Bohemians* explores 20 homes located primarily on the East and West coasts. Exclusive interviews with the owners, 12 DIY projects created by Blakeney and inspired by objects found in the homes, and a “Plant-O-Pedia” offer insight into achieving this aesthetic. In addition, each home is accompanied by an Adopt-an-Idea section that offers general decor, styling, and shopping tips for easy duplication in your own home. “The New Bohemians is sure to inspire readers to create, to reuse, to grow, to let loose, and to invite some cool and collected energy into their own homes.” —California Home+Design “A colorful and endlessly inspiring cover-to-cover read . . . Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet

Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Heavenly Bridegrooms (Jabberwoke Pocket Occult) Ida Craddock, 2021-09 Heavenly Bridegrooms, reprinted in the medical journal *Alienist and Neurologist*, has been left entirely unedited by Mr. Theodore Schroeder, with the exception of a brief explanatory note. I must say that it is one of the most human documents ever produced, and it should certainly find a regular publisher in book form. The authoress of the MS. claims that she was the wife of an Angel. She expounds at the greatest length the philosophy connected with this thesis. Her learning is enormous. She finds traces of similar beliefs in every country in the world, and (having a similar experience of her own) she can hardly be blamed for arguing that one thing confirms the other. Mr. Schroeder is quite logical in calling her paper 'An Unintentional Contribution to the Erotogenetic Interpretation of Religion, ' but commits the errors of *petitio principii* and *non distributio medii* with the most exquisite nonchalance. Only a lawyer could be so shameless. He begs the question with regard to this particular case, assuming that her relation with the angel was pure hallucination, of which he has no evidence whatsoever. He argues that, since one person both loves and is religious, religion is nothing but a morbid manifestation of the sexual instinct. One does not have even to disagree with him to see how worthless is his reasoning. As a matter of fact, I do half agree with him in my calmer moments in a general way, but the conclusion can be carried a step further. When you have proved that God is merely a name for the sex instinct, it appears to me not far to the perception that the sex instinct is God. This particular MS. is sane in every line. The fact that the woman committed suicide twelve or fifteen years afterwards is no more against the sanity of the MS. than the suicide of Socrates proves that the Republic is merely the lucubration of a lunatic. I am very far from agreeing with all that this most talented woman sets forth in her paper, but she certainly obtained initiated knowledge of extraordinary depth. She seems to have had access to certain most concealed sanctuaries. I should personally be inclined to attribute her suicide rather to the vengeance of the guardians of those palaces than to any more obvious cause. She has put down statements in plain English which are positively staggering. This book is of incalculable value to every student of occult matters. No Magick library is complete without it. -Aleister Crowley
