Yes, I Can Say That Judy Gold,2020-07-28 No one makes me laugh harder than Judy Gold. If I had to pick one comedian to write a book about free speech, it would be Judy. – Amy Schumer From award-winning comedian Judy Gold, a concise, funny, and thoughtful polemic on the current assault on comedy, that explores how it is undermining free speech and a fundamental attack against the integrity of the art. From Mae West and Lenny Bruce to Richard Pryor and Howard Stern to Kathy Griffith and Kevin Hart, comedians have long been under fire for using provocative, often taboo subjects to challenge mores and get a laugh. But in the age of social media, comedians are at greater risk of being silenced, enduring shaming, threats, and damaged careers because of angry, censorious electronic mobs. But while comedians' work has often been used to rile up detractors, a new threat has emerged from the left: identity politics and notions like safetyism and trigger warnings that are now creating a cultural and political standard that runs perilously close to censorship. From college campuses to the Oscars, comics are being censured for old jokes, long-standing comedy traditions, unfinished bits and old material that instead of being forgotten, go viral. For comics like Judy Gold, today's attacks on comics would have Richard Pryor and Lenny Bruce rolling in their graves. No one has the right to tell comics what they can or cannot joke about. Do you tell artists what they can or

cannot paint? she asks. Freedom of speech is fundamental for great stand-up comedy. Humor is the most palatable way to discuss a subversive or taboo topic, but it better be funny. A comic's observations are deliberately delivered to entertain, provoke, and lead to an exchange of ideas. We are truth tellers. More important, the tolerance of free speech is essential for a healthy democracy. In addition to offering readers a quick study on the history of comedy and the arts (noting such historical reference points as The Hays Code) and the threats to them, Gold takes readers on a hilarious ride with chapters such as Thank God Don Rickles is Dead, as well as her singular take on micro-aggressions, such as: Person: OMG! You're a lesbian? I had no idea. I mean you wear make-up. When did you become a lesbian? Judy Gold: Coincidentally, right after I met you! (micro-assault!) In this era of fake news, partisan politics, and heated rhetoric, the need to protect free speech has never been greater, especially for comics, who often serve as the canaries in the coalmine, monitoring the health of our democracy. Yes I Can Say That is a funny and provocative look at how safe spaces are the very antithesis of comedy as an art form—and an urgent call to arms to protect our most fundamental Constitutional right. There's a good reason it was the FIRST amendment.

Yes, I Want. Yes, I Can. How to write your first book and publish it online. Joan Pont, Dear friend, I have written seventeen books in five years. Considering that each book has about 80,000 words, I have typed approximately 1,360,000, and if we count the ones I have deleted, surely the amount is close to double. Jack Kerouack boasted that he had written a million words, and it is very clear that Jack Kerouack was a great writer. I personally love him. At the time Jack Kerouack wrote his works, mid 20th century, there was no Google Drive, no Amazon, no virtual bookstores, no possibility of publishing your work immediately on the ENTIRE PLANET. Now you have all that within reach of your index finger. And if you have all the tools, why aren't you using them already? This book is

the fruit of my own experience. From the first sketches of something similar to a novel without any respect for the tempos to the fact that, at present, a new work is published every two months. Of course behind the result there are infinite hours of work, but it is an effort dedicated to something exciting. I always say that the hours of dedication to something I love don't count. Everything is in your favor. Let 's go there.
