Eighty Days to Elsewhere kc dyer,2020-08-11 “The Amazing Race meets Around the World in 80 Days as a woman desperate to save her family bookstore falls for her competition. Born and raised in New York City, Ramona Keene dreams of attending photography school and traveling to Paris, but her reality never quite catches up with her imagination. Instead, she works at her uncles' quaint bookstore, where the tea is plentiful and all the adventures are between the covers of secondhand books. But when the new landlord arrives with his Evil Nephew in tow, Romy's quiet life comes crashing down. He plans to triple the rent, something her uncles can't afford. In order to earn the money to help save the bookstore, Romy applies for a job at ExLibris Expeditions, a company that re-creates literary journeys. Romy snags the oddest internship ever: retrace Phileas Fogg's journey from Jules Verne's Around the World in 80 Days and plan a suitable, contemporary adventure for a client. The task is close to impossible; sticking to the original route means no commercial aircraft permitted, and she’s got a lot less than eighty days to work with. Shaking off her fear of leaving home, Romy takes on the challenge, only to discover she’s got competition. Worse, Dominic Madison turns out to be the – unfortunately hot – nephew of her family’s worst enemy. Can Romy win the race and circle the globe in time to save the bookstore? And what happens when she starts to fall for the very person who may just be the death of her dreams?
