**Heads You Lose** Lisa Lutz, David Hayward, 2011-04-05 Dave, I just finished the first chapter of a new novel—a real crime novel with a dead body and all—and I thought of you... Paul and Lacey Hansen are pot-growing, twentysomething siblings sharing a modest rambler of a home in rural Northern California. When they find a headless corpse on their property they can't exactly call 911, so they simply move the body to another location. Let somebody else find it. Instead, the corpse reappears on their land. Clearly, someone is sending them a message, and it's getting riper by the day. But that's only half of the story... Enter authors Lisa Lutz and David Hayward—former real-life partners (professionally and personally) who have agreed to reunite for a tag-team mystery novel written in alternating chapters. One little problem: they disagree on pretty much every detail of how their novel should unfold. While the body count rises in Paul and Lacey's wildly unpredictable fictional world, so too does the intensity of Lisa and David's rivalry. The result is a literary brawl like no other, and a murder mystery every bit as unanticipated (and bloody).

**This is how You Lose Her** Junot Díaz, 2013 Presents a collection of stories that explores the heartbreak and radiance of love as it is shaped by passion, betrayal, and the echoes of intimacy.

**Tails, You Lose** Carol J. Perry, 2015-04-01 A death in a deserted department store has a Salem sleuth shopping for suspects . . . After losing her job as a TV psychic, Lee Barrett has decided to volunteer her talents as an instructor at the Tabitha Trumbull Academy of the Arts—known as “The Tabby”—in her hometown of Salem, Massachusetts. But when the school's handyman turns up dead under seemingly inexplicable circumstances on Christmas night, Lee's clairvoyant capabilities begin bubbling to the surface once again. The Tabby is housed in the long-vacant Trumbull's Department Store. As Lee and her intrepid students begin work on a documentary charting the store's history, they unravel a century of family secrets, deathbed whispers—and a mysterious labyrinth of tunnels hidden right below the streets of Salem. Even the witches in town are spooked, and when Lee begins seeing visions in the large black patent leather pump in her classroom, she's certain something evil is afoot. But ghosts in the store's attic are the least of her worries with a killer on the loose . . .

When You Lose Your Job Cliff Hakim,1993 Laid off, fired, early retired, relocated, demoted, unchallenged.

Good Luck Sir...Sorry You Lose! George M. Dean,2020-04-10 Good Luck Sir... Sorry You Lose! is a lighthearted, sometimes quirky, look at the Las Vegas gaming business, through the eyes of a casino dealer. It follows the author's dealing career, told in chronological order, from 1980 until his retirement in 2018. During that time, he experienced lessons that were never taught in dealer's school, such as staying composed while encountering irate and contemptible personalities. And those were just the other dealers. Our author also delves into the mind-set of the true gambler. From the desperation of the local player trying to parlay his meager buy-in into the two-week late rent on his apartment, to the high-rolling whale who thinks nothing of continuing to wager two hundred thousand dollars per hand in baccarat. Throughout this book, there is some laughter and there is tragedy, but in the end, one comes to realize that this truly is a study in humanity.

You Lose Some, You Win Some Julia Clarke,2003 Everything changes for Cesca when her mother moves out to be with her new partner, leaving her with her brother and farmer father. Then her father meets someone else, too, and Cesca has to come to terms with a whole new way of life.\* An extremely sensitive, moving handling of issues of first love and parental break-up\* Brilliantly-drawn relationship between Cesca and her parents\* Julia Clarke is an author to watch - her previous teenage novels, *Summertime Blues* and *Between You and Me*, have attracted very favourable review coverage.

How I Lose You Kate McNaughton,2018-03-08 'Wonderful' - Stylist 'Thoroughly addictive. I loved it.' - RUTH HOGAN, author of *The Keeper of Lost Things* 'Superb' - Louise O'Neill When Eva and Adam fall into bed one Friday night, tired and happy after drinks with friends, they have their whole lives ahead of them. But their story ends on page twelve. That's no reason to stop reading though, because *How I Lose You* is a story told backwards – and it's all the more warm, tender and moving because we know it is going to be interrupted. It's a story Eva thought she knew – but as you and she will discover, it's not just the ending of the story that she got wrong.

How to Lose Belly Fat Anthony Ekanem,2016-06-30 Abdominal obesity, also known as central obesity, is something that many people worldwide have problems with. Once you hit middle age, far too many people are plagued by those two dreaded words...belly fat. It can, however, also be a problem for children and teens. People just look at it as a weight problem, but it can also be linked to cardiovascular disease, Alzheimer's disease, and many other metabolic and vascular diseases. Though no one likes belly fat, too often it is overlooked as just a symptom of age. It can, however, be a symptom of much, much more. It is not something you should just consider the price of getting older. It is something that should be taken seriously.

What We Lose Zinzi Clemmons,2017-07-11 A National Book Foundation 5 Under 35 Honoree NBCC John Leonard First Book Prize Finalist Aspen Words Literary Prize Finalist Named a Best Book of the Year by Vogue, NPR, Elle, Esquire, BuzzFeed, San Francisco Chronicle, Cosmopolitan, The Huffington Post, The A.V. Club, The Root, Harper's Bazaar, Paste, Bustle, Kirkus Reviews, Electric Literature, LitHub, New York Post, Los Angeles

Review of Books, and Bust “The debut novel of the year.” –Vogue “Like so many stories of the black diaspora, What We Lose is an examination of haunting.” –Doreen St. Félix, The New Yorker “Raw and ravishing, this novel pulses with vulnerability and shimmering anger.” –Nicole Dennis-Benn, O, the Oprah Magazine “Stunning. . . . Powerfully moving and beautifully wrought, What We Lose reflects on family, love, loss, race, womanhood, and the places we feel home.” –Buzzfeed “Remember this name: Zinzi Clemmons. Long may she thrill us with exquisite works like What We Lose. . . . The book is a remarkable journey.” –Essence From an author of rare, haunting power, a stunning novel about a young African-American woman coming of age—a deeply felt meditation on race, sex, family, and country Raised in Pennsylvania, Thandi views the world of her mother’s childhood in Johannesburg as both impossibly distant and ever present. She is an outsider wherever she goes, caught between being black and white, American and not. She tries to connect these dislocated pieces of her life, and as her mother succumbs to cancer, Thandi searches for an anchor—someone, or something, to love. In arresting and unsettling prose, we watch Thandi’s life unfold, from losing her mother and learning to live without the person who has most profoundly shaped her existence, to her own encounters with romance and unexpected motherhood. Through exquisite and emotional vignettes, Clemmons creates a stunning portrayal of what it means to choose to live, after loss. An elegiac distillation, at once intellectual and visceral, of a young woman’s understanding of absence and identity that spans continents and decades, What We Lose heralds the arrival of a virtuosic new voice in fiction.
