**Would You Rather?** Katie Heaney, 2018-03-06 A collection of poignant, relatable essays from the author of *Never Have I Ever* about coming out in her late twenties, entering into her first relationship, and figuring out what it means to be an adult. When Katie Heaney published her first book of essays, chronicling her singledom up to age twenty-five, she was still waiting to meet the right guy. Three years later, a lot changed. For one thing, she met the right girl. Here, for the first time, Katie opens up about realizing at the age of twenty-eight that she is gay. In these poignant, funny essays, she wrestles with her shifting sexuality and identity, and describes what it was like coming out to everyone she knows (and everyone she doesn't). As she revisits her past, looking for any "clues" that might have predicted this outcome, Katie reveals that life doesn't always move directly from point A to point B—no matter how much we would like it to. In a warm and relatable voice, Katie tackles everything from the trials of dating in New York City to the growing pains of her first relationship, from obsessing over Harry Styles (because, actually, he does look a bit like a lesbian) to learning to accept herself all over again. Exploring love and sexuality with her neurotic wit and endearing intimacy, Katie Heaney shares the message that it's never too late to find love—or yourself. Praise for *Would You Rather?* "[Katie] Heaney's not afraid to examine her past for 'clues' to what she realizes is her truth in the present, and reflects on her changing identity with honesty and wit."—*NYLON* "An honest, endearing, and laugh-out-loud account of coming to terms with one's sexual identity."—*W Magazine* "*Would You Rather?* is an extraordinarily generous and affecting book. Katie Heaney has written something with a remarkable amount of room in it—enough for anyone to spread out and connect with. It's deeply felt, clear-eyed, joyful, and illuminating."—Mallory Ortberg, author of *Texts from Jane Eyre: And Other Conversations with Your Favorite Literary Characters* "Whether you're single or in a relationship, whether you're queer, straight, or questioning, whether or not you're partial to Harry Styles—you will discover something relatable and self-affirming in this honest, heartfelt, hilarious memoir."—Camille Perri, author of *The Assistants*

**You Gotta Be Kidding!** Workman Publishing, 2020-07-14 Gross, embarrassing, and just plain silly questions about boogers, bugs, smelly socks, itchy scabs, and more! Adapted from the hugely popular board game, this interactive and completely engaging book serves up hundreds of bizarre, embarrassing, sometimes ethical and sometimes stomach-churning dilemmas that kids will love to pose to their friends and siblings, whether in the backseat, on a sleepover, at a party, on a rainy day, or during a lull in the lunchroom (if you dare). Ponder the icky: Would you rather eat 10 pounds of cheese -OR- a bucket of peanut butter—with nothing to drink? The exponentially icky: Would you rather drink liquid found leaking from a garbage can -OR- chew on a hairy clump found between the cushions of an old couch? The fantastic: Would you rather be able to talk with all animals -OR- be able to understand all languages? The priority-testing: As a soccer player, would you rather mess up and

score a goal for the other team but still have your team win -OR- play your best game ever even though your team loses? And the hair-raising: Would you rather swim across a river that is filled with crocodiles -OR- spend the night on an island where man-eating tigers live? Fascinating sidebars throughout are filled with interesting ancillary information—the nature of drool, left-handedness vs. right-handedness, what's dangerously filthy and what's just gross, why we blush when we're embarrassed—so kids can learn something as they laugh!

Alright, so these questions aren't the big questions, but knowing yourself better is no small task. So much of what goes on in your brain happens in snap judgements and feelings. When you sit with the answers to quick questions and ruminate on what they mean, a deeper understanding of yourself can result. With over 3,000 thoughtful prompts to help you journal through a quest for self-discovery, you can start to definitively know who you are by examining your inclinations in minute detail. Thousands of questions for thousands of answers you never knew you needed. And, because you only have two choices, you can breeze through the journal in no time at all. Some questions are silly and pure fantasy, but others can possibly trigger a deeper need for journaling about yourself and your values. Some such questions being: T/T: Say LOL after every sentence or every time you smile, you cry? T/T: Only bathe or shower for the rest of your life? T/T: Fight with a light saber or a sword? T/T: Climb a mountain or swim to the bottom of the ocean? T/T: Walk with your hands or type with your toes? T/T: Watch only your favorite movie forever or watch a movie you hate once? T/T: Eat dinner for breakfast for breakfast for dinner? If you are at a crossroads or are attempting to gain awareness of yourself through personal reflection, this is an excellent tool. Or, if you are a writer, use this as an exercise for fleshing out characters. This journal is also the perfect gift to a recent grad looking to carve out more of themselves in this expansive world.
