The Diamond Book Michael Freedman, 1980

What is the Carat of Your Diamond? Diana L. Turner, 2023-06-28 WHAT IS THE CARAT OF YOUR DIAMOND? refers to knowing your worth as a woman, and I share some of my most intimate secrets with you about things that I've experienced in my life. This book shows and provides you with information on how to forgive and go forward with your life. This book will also touch your heart in a special way. There will be moments of tears. There will be moments of joy and laughter. Throughout all our trials and tribulations, pain, sorrow, hurts, disappointments, mentally abused, physically abused, molestation,

failures, and our bad choices, we also learn how to remain standing. This book is a guide to finding out what your value is, and once you have determined that, you begin to see yourself differently, and for me, I see myself as a transparent three-dimensional precisely cut diamond in the eyes of God. We are women of depth, length, and breadth no matter where we are standing and being viewed of everyone. We will have a fluorescent reflection of brightness. This is a reminder of no matter what we went through in our lives, we were and still are beautiful and created marvelously. We reflect God's goodness and greatness all around us at every angle, and when the Son shines on us, we sparkle and shine, and we could be blinding to the unprotected natural eye. We are children of the Most High God. He is our knight and shining star, and we are the perfectly cut women that he created us to be.

Dig For Your Diamond Caroline Mosey,2020-02-04 You have a piece of Heaven inside you. And it looks a lot like a diamond. God created each of us with unique gifts that reflect a piece of his character. Like an artist that leaves clues about himself in his painting, we get a better picture of our creator when we see what's true and bright in each other. When we use our gifts in relationships, we show each other glimpses of Heaven. Maybe you have the wisdom I need today. Maybe I have the faith you need tomorrow. And maybe these diamonds we carry inside us are pieces of something much bigger than either of us. He's the radiance of Zion scattered wide across the sea. Every piece of him, a diamond, hidden in humanity. Lovers of The Jesus Storybook Bible will feel right at home in the pages of Dig For Your Diamond. Rhyming verse poetry combines with vivid, deeply symbolic illustrations for a reading experience preschoolers, middle schoolers, and grandparents will all love.

Diamond Willow Helen Frost,2016-09-06 There's more to me than most people

see. Twelve-year-old Willow would rather blend in than stick out. But she still wants to be seen for who she is. She wants her parents to notice that she is growing up. She wants her best friend to like her better than she likes a certain boy. She wants, more than anything, to mush the dogs out to her grandparents' house, by herself, with Roxy in the lead. But sometimes when it's just you, one mistake can have frightening consequences . . . And when Willow stumbles, it takes a surprising group of friends to help her make things right again. Using diamond-shaped poems inspired by forms found in polished diamond willow sticks, Helen Frost tells the moving story of Willow and her family. Hidden messages within each diamond carry the reader further, into feelings Willow doesn't reveal even to herself. Diamond Willow is a 2009 Bank Street - Best Children's Book of the Year.

Upheaval Jared Diamond, 2019-05-07 A riveting and illuminating Bill Gates Summer Reading pick about how and why some nations recover from trauma and others don't (Yuval Noah Harari), by the Pulitzer Prize-winning author of the landmark bestseller *Guns, Germs, and Steel*. In his international bestsellers *Guns, Germs and Steel* and *Collapse*, Jared Diamond transformed our understanding of what makes civilizations rise and fall. Now, in his third book in this monumental trilogy, he reveals how successful nations recover from crises while adopting selective changes -- a coping mechanism more commonly associated with individuals recovering from personal crises. Diamond compares how six countries have survived recent upheavals -- ranging from the forced opening of Japan by U.S. Commodore Perry's fleet, to the Soviet Union's attack on Finland, to a murderous coup or countercoup in Chile and Indonesia, to the transformations of Germany and Austria after World War Two. Because Diamond has lived and spoken the language in five of these six countries, he can present gut-wrenching histories experienced firsthand. These nations coped, to varying degrees, through mechanisms such as

acknowledgment of responsibility, painfully honest self-appraisal, and learning from models of other nations. Looking to the future, Diamond examines whether the United States, Japan, and the whole world are successfully coping with the grave crises they currently face. Can we learn from lessons of the past? Adding a psychological dimension to the in-depth history, geography, biology, and anthropology that mark all of Diamond's books, *Upheaval* reveals factors influencing how both whole nations and individual people can respond to big challenges. The result is a book epic in scope, but also his most personal yet.

I Am a Diamond Theresa McCord, 2021-01-29 *I Am A Diamond*, is a book that was written with the goal of inspiring people to be their best selves and push them to find their God-given purpose in their life. Just as a diamond's worth is classified by the 4 C's color, cut, clarity and carat. This book uses a similar analogy of the 4 C's which are cut (culture), calling, character and contribution to society as a guide to a person finding their worth. Diamonds start off as pieces of coal that go through a tough process to surface as a diamond. And still, at this point, the diamond still needs the crafty touch of a jeweler to become beautiful diamond. God is the jeweler in your life, allow him to transform you into the diamond he has called you to be. *I Am A Diamond & So Are You!!!*
