

Your Orange

Courtney Beshear Cooke

An Orange in January Dianna Hutts Aston, 2007-10-18

Plump, juicy oranges are one of the great pleasures of winter—and one that is usually taken for granted. Now here's an eloquent, celebratory picture of how those oranges have found their way to the grocery store shelves, and then into kids—tummies! With vivid, glowing paintings, this unique picture book offers a poetic lesson about a plant's growth cycle and about the produce industry. We follow an orange from blossom to ripe fruit, from tree to truck to market . . . and into the hands of a boy who shares this treat with his friends on the playground, —so that everyone could taste the sweetness of an orange in January. In the tradition of *Apple Farmer Annie* and *Red Leaf, Yellow Leaf*, this is a satisfying, celebratory look at an everyday object with a remarkable life story.

Meeting Your Half-Orange Amy Spencer, 2010-01-12 How would you like to have a wonderfully well-suited, kind, adoring half-orange who feels like a teammate, a partner in crime, a true other half? Half-Orange refers to the Spanish term *mi media naranja*, which describes one's sweetheart, that perfect other half. What if you heard he or she would be coming along soon? Would you be relieved? Excited? Happy? Well those are the feelings that dating optimism can give you. Rather than admonishing readers to make themselves more available, or turn dating into a full-time job, Spencer's program of dating optimism is a fun, results-oriented way to find a healthy happy relationship, based on brain science and psychology that can help you become a more positive dater. She'll guide you through sowing the orange seed of your ideal relationship and growing it to fruit-ion. In essence, by focusing positively about dating, you can actually change your brain, which changes everything from your body language to the way you perceive others and what you ultimately attract. *Meeting Your Half-Orange* is the pep talk that puts finding true love back into your own hands. It will guide you

toward becoming so focused on the relationship you want and so happy in your own skin, the right person will be naturally drawn straight to you. You've never read a dating guide like this before. But best of all, it will be the last one you'll ever need.

Orange Amanda Doering, 2018 Where is Orange? What orange do you see? Go on an orange adventure as you Sing Your Colors Includes online music access.

I Have an Orange Juicy Drink Andrew Sanders, 2016-03 When an alien, a dinosaur and an elephant try to take a boy's yummy orange juicy drink, they get squished by some very big objects. But when the boy's little brother asks nicely, he gives him his orange juicy drink, and a big hug too - because he asked nicely.

A Star in My Orange Dana Meachen Rau, 2005-12-22 Photographs and simple text explain how various shapes and patterns can be found all around in nature.

My Orange Duffel Bag Sam Bracken, 2010 Documents the story of the author's childhood in an abusive and impoverished family, describing how he earned a full college football scholarship and reinvented himself by embracing specific positive rules for living.

Orange You Glad You're You Farmer Dan, 2015-10-07 Do you wish you were something you're not? Do you wish you could change and be more like someone else? Orange did and it backfired. You are uniquely and wonderfully made. Celebrate that fact. CELEBRATE YOUR ORANGE!

Watch an Orange Grow Kirsten Chang, 2018-12-15 In Watch an Orange Grow, early fluent readers learn how oranges grow. Vibrant, full-color photos and carefully leveled text will engage young readers as they learn about how this delicious citrus fruit is grown and harvested.

There There Tommy Orange, 2018-06-05 PULITZER PRIZE FINALIST • NATIONAL BESTSELLER • A wondrous and shattering award-winning novel that follows twelve characters from Native communities: all traveling to the Big Oakland

Powwow, all connected to one another in ways they may not yet realize. A contemporary classic, this “astonishing literary debut” (Margaret Atwood, bestselling author of *The Handmaid’s Tale*) “places Native American voices front and center” (NPR/Fresh Air). One of *The Atlantic’s* Great American Novels of the Past 100 Years Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle’s death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. They converge and collide on one fateful day at the Big Oakland Powwow and together this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism A book with “so much jangling energy and brings so much news from a distinct corner of American life that it’s a revelation” (*The New York Times*). It is fierce, funny, suspenseful, and impossible to put down--full of poetry and rage, exploding onto the page with urgency and force. There There is at once poignant and unflinching, utterly contemporary and truly unforgettable. Don't miss Tommy Orange's new book, *Wandering Stars*!

Farewell, My Orange Iwaki Kei, 2018-11-13 “Kei’s intense and impressive debut is the story of two women who bond in their adopted country of Australia . . . An immigrant tale that readers won’t forget” (*Publishers Weekly*, starred review). Winner of the Kenzaburo Oe Prize Far from her native country of Nigeria and now living as a single mother of two, Salimah works the night shift at a supermarket in a small Australia town. She is shy and barely speaks English, but pushes herself to sign up for an ESL class offered at the local university. At the group’s first meeting, Salimah meets Sayuri, who has come to Australia from Japan with her husband, a resident research associate at the local college. Sayuri has put her own education on hold to take care of her

infant daughter, and she is plagued by worries about financial instability and her general precariousness. When Sayuri faces a devastating loss, and one of Salimah's boys leaves to live with his father, the two women look to one another for comfort and sustenance, as they slowly master their new language, in this "unexpectedly riveting" debut novel (Financial Times).

Red Apple in an Orange World Courtney Beshear

Cooke,2019-07-30 You're plum perfect! Sometimes we can feel like there is something wrong with us or that we don't fit in. Come along on Red the Apples's journey as he listens to the Can Bees rather than the pesky Should Bees and speaks up for himself and his fellow fruit! Join these powerful produce on this playful picnic! Includes free downloadable song! From a mom that believes in her son's inner wisdom, Sweet Mama Books playfully sparks mindful conversations. Nurture children's trust and language for their inner voice, while connecting with yours, through fun and empowering books and music.

365 Orange Recipes; An Orange Recipe for Every Day in the Year J. L. Lane,2018-02-07 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations.

Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

My Book of Green Little Bee Books,2017-08-29 Introduce little ones to all sorts of green objects in their world in this new concept board book! In My Book of Green, little ones will be introduced to all sorts of different green objects that they can encounter in their world, such as frogs, peapods, four-leaf clovers, caterpillars, and more! The pages of this book are filled with familiar, kid-friendly objects, and kids will be invited to identify other green objects on the last spread!

I'll Carry an Orange Noreen Weaver Charron,2007-01-01

The Death and Life of the Great Lakes Dan Egan,2017-03-07 New York Times Bestseller Winner of the Los Angeles Times Book Prize Winner of the J. Anthony Lukas Award Nimblely splices together history, science, reporting and personal experiences into a taut and cautiously hopeful narrative.... Egan's book is bursting with life (and yes, death). —Robert Moor, New York Times Book Review The Great Lakes—Erie, Huron, Michigan, Ontario, and Superior—hold 20 percent of the world's supply of surface fresh water and provide sustenance, work, and recreation for tens of millions of Americans. But they are under threat as never before, and their problems are spreading across the continent. The Death and Life of the Great Lakes is prize-winning reporter Dan Egan's compulsively readable portrait of an ecological catastrophe happening right before our eyes, blending the epic story of the lakes with an examination of the perils they face and the ways we can restore and preserve them for generations to come.

Journal Orange Juicer Electric, 2020-01-10 Cute orange juicer electric cover notebook For Orange Lovers!, for orange juice Lovers Small daily diary / journal / notebook to write in, for creative writing, for creating lists, for scheduling, organizing and recording your thoughts. Makes an excellent gift idea for birthdays, Christmas or any special occasion.* Perfectly sized at 6 x 9* 110 page* Softcover bookbinding* Flexible Paperback

I See Orange Meredith Curtis, 2018-07-25 The world is full of orange! We just have to find it. Come along with me and find all the orange we can see. With beautiful photographs and whimsical writing, this simple book introduces children to the color orange. Kids love reading this book to discover an orange basketball, an orange flower, orange carrots, an orange boat, an orange pumpkin, and more! At the end of the book, children pick out orange items from other colored items on a page. Cuddle up and explore the world with your favorite preschooler. You'll both be smiling.
