Ann Morris

Go, Dog. Go! P.D. Eastman, 2015-08-25 A beloved Bright and Early Board Book by P. D. Eastman, now in a larger size! A sturdy board book edition of P. D. Eastman's *Go, Dog. Go!*, now available in a bigger size perfect for babies and toddlers! This abridged version of the classic Beginner Book features red dogs, blue dogs, big dogs, little dogs—all kinds of wonderful dogs—riding bicycles, scooters, skis, and roller skates and driving all sorts of vehicles on their way to a big dog party held on top of a tree! A perfect gift for baby showers, birthdays, and happy occasions of all kinds, it will leave dog lovers howling with delight!

Go Gently Bonnie Wright, 2022-04-19 An inspiring and approachable tip-filled guide to changing your habits, living more sustainably, and taking action, by Greenpeace ambassador Bonnie Wright (Ginny Weasley in the Harry Potter movies) *Go Gently* is a guide for sustainability at home that offers simple, tangible steps toward reducing our environmental impact by looking at what we consume and the waste we create, as well as how to take action for environmental change. The title reflects Bonnie Wright's belief that the best way to change our planet and ourselves is through a gentle approach, rather than a judgmental one. This is a book of do's rather than don'ts. It's also an invitation to Wright's followers to join her on this journey to sustainability. Going through every room in her home, Wright helps us assess which products are sustainable, and alternatives for those that are not. She shares recipes to avoid waste, homemade self-care products to avoid packaging, small space-friendly gardening ideas, and a template for creating your own compost system. Finally, to sustain yourself, there are exercises and meditation prompts to keep you energized, plus info on how to get involved in

community and organizations.

Never Go With Your Gut Gleb Tsipursky, 2019-11-01
“This book is Moneyball for management. It will help you understand your subconscious biases that can lead to bad decisions, and it will teach you the techniques to help you make better decisions.”
—Gordon Tredgold, author of Fast “This well-written, go-against-the-grain book is full of practical ways to tap into your very best mental resources to make better and better decisions.”
—Brian Tracy, bestselling author of Eat that Frog! Want to avoid business disasters, whether minor mishaps, such as excessive team conflict, or major calamities like those that threaten bankruptcy or doom a promising career? Fortunately, behavioral economics studies show that such disasters stem from poor decisions due to our faulty mental patterns—what scholars call “cognitive biases”—and are preventable. Unfortunately, the typical advice for business leaders to “go with their guts” plays into these cognitive biases and leads to disastrous decisions that devastate the bottom line. By combining practical case studies with cutting-edge research, *Never Go With Your Gut* will help you make the best decisions and prevent these business disasters. The leading expert on avoiding business disasters, Dr. Gleb Tsipursky, draws on over 20 years of extensive consulting, coaching, and speaking experience to show how pioneering leaders and organizations—many of them his clients—avoid business disasters. Reading this book will enable you to: Discover how pioneering leaders and organizations address cognitive biases to avoid disastrous decisions. Adapt best practices on avoiding business disasters from these leaders and organizations to your own context. Develop processes that empower everyone in your organization to avoid business disasters.

Wherever You Go, I Want You to Know (Keepsake Edition) Melissa B. Kruger, 2023-04-10 Keepsake

edition for graduating students with robust, beautifully designed slipcase and extra pages for comments, messages, and photos.

Go for No ! Richard Fenton, 2009

Quilt As-You-Go Made Modern Jera

Brandvig, 2014-10-01 Learn to create modern quilts more quickly and easily than ever with this popular method, featuring thirteen projects and twenty-five bonus ideas. Do you believe rules were meant to be broken? If so, this improvisational quilt-as-you-go technique is for you. Instead of dealing with precise paper patterns and cutting measurements, you'll learn how to piece fabric onto small, manageable batting blocks. Let your creative juices flow as you quilt directly on the blocks (not the whole quilt!), whether in large abstract zigzags or small structured stitches. After the blocks have been joined, all you need to do is add backing fabric and binding, and-voila-it's finished! A modern approach to quilting that's fresh, fun, and simpler than it sounds; it will change the way you quilt (for the better) Great for moms or anyone with a busy schedule-these thirteen projects are easy to transport because they make it simple to pick up where you left off Go your own way: This method allows you to use a pattern or improvise, creating a wide variety of design options Save money! Learn how to finish your own quilts without the use of a longarm professional "Quilting is easier than ever with Jera Brandvig's modern spin on the popular quilt-as-you-go technique." -Modern Quilts Unlimited "Quilt-as-you-go (QAYG) is one of those techniques that every quilter is curious about trying, but can be daunting as the process is so different to the traditional process of making a quilt top and then quilting it. . . . The book introduces the technique very thoroughly, so you can clearly understand the difference between traditional piecing and quilting and QAYG. Then

there's a great selection of gorgeous quilts that are sure to appeal to the modern quilter. A must if you've ever thought about trying QAYG and haven't had a clue where to start." —Make Modern Magazine

Go Show the World Wab Kinew, 2018-09-11 We are a people who matter. Inspired by President Barack Obama's *Of Thee I Sing*, *Go Show the World* is a tribute to historic and modern-day Indigenous heroes, featuring important figures such as Tecumseh, Sacagawea and former NASA astronaut John Herrington. Celebrating the stories of Indigenous people throughout time, Wab Kinew has created a powerful rap song, the lyrics of which are the basis for the text in this beautiful picture book, illustrated by the acclaimed Joe Morse. Including figures such as Crazy Horse, Net-no-kwa, former NASA astronaut John Herrington and Canadian NHL goalie Carey Price, *Go Show the World* showcases a diverse group of Indigenous people in the US and Canada, both the more well known and the not- so-widely recognized. Individually, their stories, though briefly touched on, are inspiring; collectively, they empower the reader with this message: We are people who matter, yes, it's true; now let's show the world what people who matter can do.

*Go the F**k to Sleep* Adam Mansbach, 2011-06-14 The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." *Go the Fuck to Sleep* is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar-and unspoken-tribulations of putting your little angel down for the night. Read by a host of celebrities,

from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.

You Go First Erin Entrada Kelly, 2018-04-10 Funny and poignant, Newbery Medalist and New York Times bestseller Erin Entrada Kelly's national bestseller *You Go First* is an exploration of family, bullying, word games, art, and the ever-complicated world of middle school friendships. In a starred review, *School Library Journal* wrote that Erin Entrada Kelly can "capture moments of tween anguish with searing honesty." Twelve-year-old Charlotte Lockard and eleven-year-old Ben Boxer are separated by more than a thousand miles. On the surface, their lives seem vastly different—Charlotte lives near Philadelphia, Pennsylvania, while Ben is in the small town of Lanester, Louisiana. Charlotte wants to be a geologist and keeps a rock collection in her room. Ben is obsessed with Harry Potter, presidential history, and recycling. But the two have more in common than they think. They're both highly gifted. They're both experiencing family turmoil. And they both sit alone at lunch. During the course of one week, Charlotte and Ben—friends connected only by an online Scrabble game—will intersect in unexpected ways as they struggle to navigate the turmoil of middle school. The New York Times-bestselling novel *You Go First* reminds us that no matter how hard it is to keep our heads above troubled water, we never struggle alone. Newbery Medalist Erin Entrada Kelly writes with an authentic, humorous, and irresistible voice. This engaging and character-driven story about growing up and finding your place in the world is for fans of Rebecca Stead and Rita Williams-Garcia.

Wherever You Go Pat Zietlow Miller, 2015-04-21 An inspiring celebration of life and new experiences—perfect for graduations and fans of Oh, the

Places You'll Go! Roads give you chances to seek and explore. Want an adventure? Just open your door. Join an adventurous rabbit and his animal friends as they journey over steep mountain peaks, through bustling cityscapes, and down long, winding roads to discover the magical worlds that await them just outside their doors. Award-winning author Pat Zietlow Miller's lilting rhyme and bestselling illustrator Eliza Wheeler's enchanting, lush landscapes celebrate the possibilities that lie beyond the next bend in the road--the same road that will always lead you home again.

Gotta Go, Buffalo Haily Meyers, Kevin Meyers, 2017-03-07 Make goodbyes fun with animal rhymes and colorful lift-the-flap illustrations! "So long!" "See you later!" There are so many ways to say goodbye! Lift the flaps in this colorful book to discover favorite animals (and maybe a few new ones, too) and fun goodbyes. Children and grown-ups alike will be giggling before you can say, "Toodle-Lo, Kangaroo!"

Where You Go Is Not Who You'll Be Frank Bruni, 2015-03-17 Read award-winning journalist Frank Bruni's New York Times bestseller: an inspiring manifesto about everything wrong with today's frenzied college admissions process and how to make the most of your college years. Over the last few decades, Americans have turned college admissions into a terrifying and occasionally devastating process, preceded by test prep, tutors, all sorts of stratagems, all kinds of rankings, and a conviction among too many young people that their futures will be determined and their worth established by which schools say yes and which say no. In Where You Go is Not Who You'll Be, Frank Bruni explains why this mindset is wrong, giving students and their parents a new perspective on this brutal, deeply flawed competition and a path out of the anxiety that it

provokes. Bruni, a bestselling author and a columnist for the New York Times, shows that the Ivy League has no monopoly on corner offices, governors' mansions, or the most prestigious academic and scientific grants. Through statistics, surveys, and the stories of hugely successful people, he demonstrates that many kinds of colleges serve as ideal springboards. And he illuminates how to make the most of them. What matters in the end are students' efforts in and out of the classroom, not the name on their diploma. Where you go isn't who you'll be. Americans need to hear that--and this indispensable manifesto says it with eloquence and respect for the real promise of higher education.

Where Hands Go Krystaelynne Sanders

Diggs, 2021-07-11 Where Hands Go is the brand new book from the Kids Again Foundation designed to teach children when it is all right to be touched, and by who, and when it is wrong. Handsomely illustrated and thoughtfully written, this is a must read for every family with young children.

The First 20 Hours Josh Kaufman, 2013-06-13

Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a

systematic approach to rapid skill acquisition—how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

Go! Go! Go! Stop! Charise Mericle
Harper, 2014-02-25 One day Little Green rolls into town and says his first word: Go! The town is building a bridge, and now everyone has a job to

do, from dump truck to forklift. Little Green helps them do their jobs with gusto. Until . . . there is a little too much gusto. They can go, go, go . . . but how will they stop? This bright, fun book with a bold package captures the endless energy of little boys and the timeless appeal of trucks and machines--both for building and knocking down. Plus, it has an underlying message about working together to get things done.

How to American Jimmy O. Yang, 2018 Standup comic, actor and fan favorite from the popular HBO series *Silicon Valley* shares his memoir of growing up as a Chinese immigrant in California and making it in Hollywood. I turned down a job in finance to pursue a career in stand-up comedy. My dad thought I was crazy. But I figured it was better to disappoint my parents for a few years than to disappoint myself for the rest of my life. I had to disappoint them in order to pursue what I loved. That was the only way to have my Chinese turnip cake and eat an American apple pie too. Jimmy O. Yang is a standup comedian, film and TV actor and fan favorite as the character Jian Yang from the popular HBO series *Silicon Valley*. In *How to American*, he shares his story of growing up as a Chinese immigrant who pursued a Hollywood career against the wishes of his parents: Yang arrived in Los Angeles from Hong Kong at age 13, learned English by watching BET RapCity for three hours a day, and worked as a strip club DJ while pursuing his comedy career. He chronicles a near deportation episode during a college trip Tijuana to finally becoming a proud US citizen ten years later. Featuring those and many other hilarious stories, while sharing some hard-earned lessons, *How to American* mocks stereotypes while offering tongue in cheek advice on pursuing the American dreams of fame, fortune, and strippers.

Lessons in the Fundamentals of Go Toshirō Kageyama, 1998-09-01

On the Go Ann Morris, 1994-08-25 Striking photographs and simple text convey to young children the many ways people around the world travel from one place to another. Comprehensive and intriguing....The photographs are splendidly displayed...accompanied by a brief, provocative text....Will never stay on library shelves.-- School Library Journal.

On Your Mark, Get Set, Go! Alva Sachs, 2009 Justin, Mario, and Marcus are best friends. Saturday is their favorite day. This Saturday is different. What happened? What are they going to do?

Communicating Beyond Language Betsy Rymes, 2014-01-03 This new book offers a timely and lively appraisal of the concept of communicative repertoires, resources we use to express who we are when in dialogue with others. Each chapter describes and illustrates the communicative resources humans deploy daily, but rarely think about - not only the multiple languages we use, but how we dress or gesture, how we greet each other or tell stories, the nicknames we coin, and the mass media references we make - and how these resources combine in infinitely varied performances of identity. Rymes also discusses how our repertoires shift and grow over the course of a lifetime, as well how a repertoire perspective can lead to a rethinking of cultural diversity and human interaction, from categorizing people's differences to understanding how our repertoires can expand and overlap with other, thereby helping us to find common ground and communicate in increasingly multicultural schools, workplaces, markets, and social spheres. Rymes affirms the importance of the communicative repertoires concept with highly engaging discussions and contemporary examples from mass media, popular culture, and everyday life. The result is a fresh and exciting work that will resonate with students

and scholars in sociolinguistics, intercultural communication, applied linguistics, and education.

The Enigmatic Realm of **Youtube Go**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Youtube Go** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.
