Video Marketing Secrets Gary Dean Cassady,2019-04-27 Are you interested in video marketing for your small business, but you're worried about the cost? You needn't be. Video marketing is currently going full-steam ahead and it doesn't look like it's going to slow down anytime soon. One of the main reasons for this is because owners of businesses of all shapes and sizes are realizing just how easily - and how cheaply - marketing videos can be made. While videos can be made using a simple smartphone and script, businesses can create professional looking marketing videos using a number of inexpensive and easy-to-use video creation software options. The locations to share those videos are also often free, with anyone having the ability to upload to Facebook, Twitter, and Instagram. These are the places consumers are going when they're online and when they do, the chances are very good that they're looking at videos. If those videos aren't for your business, they're probably for somebody else's. Start your video marketing campaign today and get more consumer interest, brand recognition, and higher search engine results in just a few days!

YouTube Marketing Charles Edwards,2020-10-21 Are you looking for a guide to learn how to use YouTube in an effective way? then keep reading... YouTube is the top social network to place your videos and grow your business. It's no wonder so many creators upload their content to YouTube. In any given minute, there are over 500 hours of video getting uploaded to YouTube. YouTube also has over 1 billion users ever since its humble beginning on April 23, 2005, when the first video was uploaded to YouTube. With so much popularity, some believe the platform has become oversaturated and success isn't possible for the new creator on the block. That's just not true, and the data and examples prove it. It's still possible to take your channel from 0 to 100,000 subscribers in a year. Is it hard? Oh yes, but there are people who do it to this day. While that's more of an

exception than the rule, seeing some YouTubers achieve these results shows the platform is still filled with opportunity for new and seasoned creators alike. I understand how frustrating it can be to grow a YouTube channel. Before I became consistent on YouTube, I was on and off with the platform. If you don't know how to leverage the platform, growth will be slow, and the money won't be there. We will help you grow your channel and start making money from your YouTube videos. It's possible for any creator to make a big splash on YouTube. The question boils down to how much work you want to put in to make it happen. This book covers the following topics: Why you should be marketing on YouTube Creating and optimizing your channel Understand your audience How to produce a great YouTube video The tools you need How to write a great title and description How to upload and edit a video to YouTube YouTube SEO How to create videos that convert YouTube monetization How to promote your YouTube channel YouTube advertising Using social media to promote your channel Analyze and adapt ...And much more Whether you're a small business owner or a personal blogger YouTube can be an amazing advertising platform for you or your business. It can also be a means of earning passive online income if you're generating enough traffic. It's estimated that for every 1000 viewers to your channel you will get paid approximately \$2. That may not seem like much but start adding that that up with 1 million views and you're getting into the thousands of dollars. Do that week after week, and you've got a full-time income. There are plenty of people that have made a successful living just on YouTube alone and that is still possible today. With YouTube, everyone starts with the same tools and everyone is given the same opportunity to connect with billions of people from around the world. We will teach you everything you need to know to start a YouTube channel. You will learn the secrets of the trade when it comes to growing your subscribers and viewership. You will learn about the different revenue streams you can utilize when using YouTube as a marketing and advertising tool.
