Kevin Lajiness

The Musician's Business and Legal Guide Mark Halloran,2017-03-16 The Musician's Business and Legal Guide provides vital information to help demystify the music business and the complex body of law that shapes it. This book answers such questions as how to protect name and copyright; what is and is not legal about sampling; what are the legal issues surrounding digital downloads and streaming; what are the jobs of managers, talent agents and publishers; what are common contractual relationship between independent and major labels. The new edition includes chapters not covered in depth by other books: social media law, TV talent shows, YouTube, and international copyright. As in previous editions, the book features clause-by-clause contract analyses for 360 record deals, music publishing, management, and producer agreements.

Tuesdays with Morrie Mitch Albom,2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Bachata and Dominican Identity / La bachata y la identidad dominicana Julie A. Sellers,2014-09-24 Bachata—a guitar-based romantic music that debuted in Santo Domingo's urban shantytowns in the 1960s—is today one of the hottest Latin genres. Still, fans and musicians have not forgotten the social stigma the genre carried for decades. This book interweaves bachata's history and development with the socio-political context of Dominican identity. The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race, and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations, the growth of the lower class, and a devoted following among Dominican migrants. La bachata—una música de guitarra que se estrenó en los barrios populares de Santo Domingo en los años 60—hoy, es uno de los géneros latinos más populares. No obstante, sus aficionados y sus exponentes recuerdan el estigma social asociado que conllevó por décadas. Este libro entreteje la historia y el desarrollo de la bachata con el contexto socio-político de la identidad dominicana. La autora plantea que su desaprobación temprana resultó del clima político en que nació y los vínculos entre raza y clase social. Propone que su aceptación final como símbolo de identidad dominicana surge de sus innovaciones, el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos.

Cultivating Copyright Bhamati Viswanathan,2019-06-27 Creators and creative industries are struggling to navigate the digital age. Intellectual property rights, including copyrights, trademarks, and patents, offer invaluable tools to help creative industries remain viable and sustainable. But to be fully effective, they must be considered as part of a greater ecosystem. Cultivating Copyright offers a framework for tailoring flexible strategies and adaptive solutions suited to diverse creative industries. Tailored solutions entail change on four fronts: business models and strategies, legal policies and practices, technological measures, and cultural and normative features. Creating strong creative industries through tailored solutions serves critical functions: promoting richly varied artistic endeavors and supporting democratic flourishing.

The Indie Band Survival Guide, 2nd Ed. Randy Chertkow,Jason Feehan,2012-09-04 Explains how to achieve success in the music industry, even without a record label, taking readers through the process of recording, distributing, marketing, and selling music with the help of the Internet.

Aneka Tools Video Downloader ,

Satana Central Scott Barry,2018-08-22 This is a collection of my blog full of a bunch of random garbage posts of nonsense about random political and other stuff. Also a decent self-help book.

Lumumba in the Arts Matthias De Groof,2020-01-17 Lumumba as a symbol of decolonisation and as an icon in the arts It is no coincidence that a historical figure such as Patrice Emery Lumumba, independent Congo's first prime minister, who was killed in 1961, has lived in the realm of the cultural imaginary and occupied an afterlife in the arts. After all, his project remained unfinished and his corpse unburied. The figure of Lumumba has been imagined through painting, photography, cinema, poetry, literature, theatre, music, sculpture, fashion, cartoons and stamps, and also through historiography and in public space. No art form has been able to escape and remain indifferent to Lumumba. Artists observe the memory and the unresolved suffering that inscribed itself both upon Lumumba's body and within the history of Congo. If Lumumba – as an icon – lives on today, it is because the need for decolonisation does as well. Rather than seeking to unravel the truth of actual events surrounding the historical Lumumba, this book engages with his representations. What is more, it considers every historiography as inherently embedded in iconography. Film scholars, art critics, historians, philosophers, and anthropologists discuss the rich iconographic heritage inspired by Lumumba. Furthermore, Lumumba in the Arts offers unique testimonies by a number of artists who have contributed to Lumumba's polymorphic iconography, such as Marlene Dumas, Luc Tuymans, Raoul Peck, and Tshibumba Kanda Matulu, and includes contributions by such highly acclaimed scholars as Johannes Fabian, Bogumil Jewsiewicki, and Elikia M'Bokolo. Contributors: Balufu Bakupa-Kanyinda (artist), Karen Bouwer (University of San Francisco), Véronique Bragard (UCLouvain), Piet Defraeye (University of Alberta), Matthias De Groof (scholar/filmmaker), Isabelle de Rezende (independent scholar), Marlene Dumas (artist), Johannes Fabian (em., University of Amsterdam), Rosario Giordano (Università della Calabria), Idesbald Goddeeris (KU Leuven), Gert Huskens (ULB), Robbert Jacobs (artist), Bogumil Jewsiewicki (em., Université Laval), Tshibumba Kanda Matulu (artist), Elikia M'Bokolo (EHESS), Christopher L. Miller (Yale University), Pedro Monaville (NYU), Raoul Peck (artist), Pierre Petit (ULB), Mark Sealy (Autograph ABP), Julien Truddaïu (CEC), Léon Tsambu (University of Kinshasa), Jean Omasombo Tshonda (Africa Museum), Luc Tuymans (artist), Mathieu Zana Etambala (AfricaMuseum)

My Paperback Book Dhriti Haldar,

Kevin Lajiness 2010 Song Book Kevin Lajiness,2010-11-27 In 2010 I spent allot of time spent writing songs and singing them in my car when people weren't around at the open spaces around Linwood NJ where i live, mostly on the edge of the wetlands, the songs have a natural flavor to them and are deep and i hope well thought out.

iPad: The Missing Manual J.D. Biersdorfer,2010-05-18 The iPad 2 is faster, lighter, and more versatile than its predecessor, but there's still no printed guide to using its amazing features. That's where this full-color Missing Manual comes in. Learn how to stream HD video, make video calls,

manage your email, surf the Web, listen to music, play games, and maybe even do a little iWork. This is the book that should have been in the box. Build your media library. Fill your iPad with music, movies, TV shows, eBooks, photos, and more. Share with others. Stream music, HD movies, TV shows, and more, to and from your iPad. Create your own media. Use the iPad's new Photo Booth, iMovie, and GarageBand apps to express yourself. Get online. Connect through WiFi or Wi-Fi+3G, and surf with the iPad's faster browser. Place video calls. See who's talking with the iPad's FaceTime app and its two cameras. Consolidate your email. Read and send messages from any of your accounts. Learn undocumented tips and tricks. Get the lowdown on cool iPad secrets and workarounds.

Using the Google Places API and Google Trends Data to Develop High Frequency Indicators of Economic Activity Mr. Paul A Austin,Mr. Marco Marini,Alberto Sanchez,Chima Simpson-Bell,James Tebrake,2021-12-17 As the pandemic heighthened policymakers' demand for more frequent and timely indicators to assess economic activities, traditional data collection and compilation methods to produce official indicators are falling short—triggering stronger interest in real time data to provide early signals of turning points in economic activity. In this paper, we examine how data extracted from the Google Places API and Google Trends can be used to develop high frequency indicators aligned to the statistical concepts, classifications, and definitions used in producing official measures. The approach is illustrated by use of Google data-derived indicators that predict well the GDP trajectories of selected countries during the early stage of COVID-19. To this end, we developed a methodological toolkit for national compilers interested in using Google data to enhance the timeliness and frequency of economic indicators.

Spike Milligan's Accordion Rick Cousins,2016-10-11 Spike Milligan's ground-breaking radio comedy program The Goon Show created a universe where time and space expand and contract seemingly at will and without notice. The cosmology featured in The Goon Show was governed by confusion, contradictions, fluidity and uncertainty.

SHAKESPEARE'S HAMLET IN AN ERA OF TEXTUAL EXHAUSTION Sonya Freeman Loftis,Allison Kellar,Lisa Ulevich,2017-11-27 Post-Hamlet: Shakespeare in an Era of Textual Exhaustion examines how postmodern audiences continue to reengage with Hamlet in spite of our culture's oversaturation with this most canonical of texts. Combining adaptation theory and performance theory with examinations of avant-garde performances and other unconventional appropriations of Shakespeare's play, Post-Hamlet examines Shakespeare's Hamlet as a central symbol of our era's textual exhaustion, an era in which the reader/viewer is bombarded by text—printed, digital, and otherwise. The essays in this edited collection, divided into four sections, focus on the radical employment of Hamlet as a cultural artifact that adaptors and readers use to depart from textual authority in, for instance, radical English-language performance, international film and stage performance, pop-culture and multi-media appropriation, and pedagogy.

Daily Studies for Diatonic Harmonica David Barrett,2019-03-21 How good of a musician you become is predicated on how much practice you do and the quality of that practice. In all likelihood, you don't have access to a harmonica teacher (a rare breed), so it's up to you to identify what will help you grow as a player and how to best spend your valuable practice time. In Daily Exercises for Diatonic Harmonica, author David Barrett (the world's most published author of harmonica lesson material) provides recommendations on how to set up your practice room, structure your practice time, what to work on to improve your playing, and how to prepare you for performance. The Daily Exercises portion of this book provides essential exercises for the diatonic harmonica—movement patterns, scales, tongue block technique drills, an exercise to help you memorize the chords of the 12 Bar Blues, your harmonica's note layout, and how to choose a note to match over a given chord, at any time, in any range of the harmonica. This book and accompanying recording is an essential text for all students of the diatonic harmonica. You'll need a C Major Diatonic Harmonica for this method. Includes access to online audio.

Computational Thinking in Sound Gena R. Greher,Jesse M. Heines,2014-05 Computational Thinking in Sound is the first book for music fundamentals educators which is devoted specifically to music, sound, and technology. The book offers practical guidance on creating an interdisciplinary classroom program, and includes numerous student activities at the intersection of computing and music.

The Music Industry Handbook Paul Rutter,2016-06-17 The Music Industry Handbook, Second edition is an expert resource and guide for all those seeking an authoritative and user-friendly overview of the music industry today. The new edition includes coverage of the latest developments in music streaming, including new business models created by the streaming service sector. There is also expanded exploration of the music industry in different regions of the UK and in other areas of Europe, and coverage of new debates within the music industry, including the impact of copyright extensions on the UK music industry and the business protocols involved when music is used in film and advertising. The Music Industry Handbook, Second edition also includes: in-depth explorations of different elements of the music industry, including the live music sector, the recording industry and the classical music business analysis of business practices across all areas of the industry, including publishing, synchronisation and trading in the music industry profiles presenting interviews with key figures workings in the music industry detailed further reading for each chapter and a glossary of essential music industry terms.

The Present and Future of Music Law Ann Harrison,Tony Rigg,2021-07-29 The music business is a multifaceted, transnational industry that operates within complex and rapidly changing political, economic, cultural and technological contexts. The mode and manner of how music is created, obtained, consumed and exploited is evolving rapidly. It is based on relationships that can be both complimentary and at times confrontational, and around roles that interact, overlap and sometimes merge, reflecting the competing and coinciding interests of creative artists and music industry professionals. It falls to music law and legal practice to provide the underpinning framework to enable these complex relationships to flourish, to provide a means to resolve disputes, and to facilitate commerce in a challenging and dynamic business environment. The Present and Future of Music Law presents thirteen case studies written by experts in their fields, examining a range of key topics at the points where music law and the post-digital music industry intersect, offering a timely exploration of the current landscape and insights into the future shape of the interface between music business and music law.

Youtube Mp3 Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change.
