Yulia G. Masaryk,2015-09-07 It is not always remembered that as many Gypsies died in the Nazi camps as Jews. Through some weird coincidence Yulia's mother escaped and eventually landed in Ireland where Yulia was conceived. She tried to get rid of the stigma while living in Paris, working at a publishing house, and going on journalistic sojourns. She meets the man of her dreams, only to lose him for no explicit reason.

Divine Mania Yulia Ustinova,2017-10-16 ‘Our greatest blessings come to us by way of mania, provided it is given us by divine gift,’ – says Socrates in Plato’s *Phaedrus*. Certain forms of alteration of consciousness, considered to be inspired by supernatural forces, were actively sought in ancient Greece. Divine mania comprises a fascinating array of diverse experiences: numerous initiates underwent some kind of alteration of consciousness during mystery rites; sacred officials and inquirers attained revelations in major oracular centres; possession states were actively sought; finally, some thinkers, such as Pythagoras and Socrates, probably practiced manipulation of consciousness. These experiences, which could be voluntary or involuntary, intense or mild, were interpreted as an invasive divine power within one’s mind, or illumination granted by a super-human being. Greece was unique in its attitude to alteration of consciousness. From the perspective of individual and public freedom, the prominent position of the divine mania in Greek society reflects its acceptance of the inborn human proclivity to experience alteration of consciousness, interpreted in positive terms as god-sent. These mental states were treated with cautious respect, and in contrast to the majority of complex societies, ancient and modern, were never suppressed or pushed to the cultural and social periphery.

Weary Detective Zaitsev, still raw from his last brush with the Party, is dispatched to the Soviet state cavalry school in Novocherkassk, southern Russia, to investigate. As he witnesses the horror of the Holodomor, and the impact of Soviet collectivisation, he struggles to penetrate the murky, secretive world of the cavalry school. Girl With A Sniper Rifle Yulia Zhukova,2019-04-30 A memoir of a graduate of Stalin’s Central Women’s Sniper School and her experience during World War II. Yulia Zhukova was a dedicated member of the Soviet communist youth organization, the Komsomol, and her parents worked for Russia’s secret police, the NKVD. Yulia started at the sniper school near Podolsk in western Russian and eventually became a valued soldier during operations against Prussia. In this powerful account, she shares firsthand knowledge of the machinations of the NKVD, as well as the bravery of a female sniper and the grueling toll of war. Yulia persevered through eight months of training before leaving for the Front just days after qualifying. Joining the third Belorussian Front, her battalion endured rounds of German mortar, as well as loudspeaker announcements beckoning them to join the German side. She spent days in the field undergoing regular, terrifying one-on-one encounters with the enemy. Eventually she felt the euphoria of her first hit—while reflecting on ending a life. These feelings fade as Yulia recounts the barbarous actions of Hitler’s Nazi Germany. She recalls how the women were once nearly overrun by Germans at their house when other Red Army formations had moved off and failed to tell them. She also details a nine-day standoff they endured encircled by Germans in Landsberg. Regularly suffering ill-health, she took a shrapnel injury and underwent surgery without anesthetic. Eventually she would see the end of the war. Like her famous counterpart Pavlichenko, Zhukova gained recognition but struggled to come to terms with war service . . . Includes notes by John Walter and an introduction by Martin Pegler
