The Startup Squad Brian Weisfeld,Nicole C. Kear,2019-05-07 Girls mean business in a brand-new series about friendship and entrepreneurship that Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan*, calls “A great read!” All the great leaders had to start somewhere. And Teresa (“Resa” for short) is starting with the lemonade stand competition her teacher assigned to the class—but making it a success is going to be a lot harder than Resa thinks. The prize: line-skipping tickets to Adventure Central. The competition: Val, Resa's middle school nemesis. And the biggest obstacle to success: Resa's own teammates. Harriet is the class clown, Amelia is the new girl who thinks she knows best, and Didi is Resa's steadfast friend—who doesn't know the first thing about making or selling lemonade. The four of them quickly realize that the recipe for success is tough to perfect—but listening to each other is the first step. And making new friends might be the most important one... The back of each book in this middle-grade series features tips from the Startup Squad and an inspirational profile of a girl entrepreneur! An Imprint Book An inspiring story about entrepreneurial girls. I loved this story of girls finding their way in the world of entrepreneurship. —Ann M. Martin, author of the *Baby-Sitters Club* series and Newbery Honor winner *A Corner of the Universe* “The Startup Squad encourages girls to dream big, work hard, and rely on each other to make good things happen. It teaches them how to succeed—and reminds all of us that girls mean business!”—Sheryl Sandberg, COO of Facebook and founder of LeanIn.Org and OptionB.Org “A great read that is fast-paced, fun, and empowering. The Startup Squad comes complete with a treasure trove of tips for starting a business.” —Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan* This title has common core connections.

Gone Shopping Lorraine Gamman,2012-07-31 Voted one of The Guardian's top 10 best crime books of all time and one of the best true crime books ever written according to Stylist Shirley Pitts, the eldest of six children was born upside down on 24 November 1934. Her 'career' began by thieving bread off doorsteps and coal from coal carts. Her father's bungled attempts at black marketeering and her dipsomaniac mother's inadequacies made Shirley resolve not only to be a first-class thief but also the best mother her six children could wish for. Before she died Shirley told her story to Lorraine - the story of a generous, brave and beautiful woman with a huge sense of fun and a love of life.

A Murder Between the Pages Amy Lillard,2020 The next in the Main Street Book Club mysteries! It was only a few months ago that the ladies of Arlo's Friday Night Book Club-Fern, Camille, and Helen-solved the murder of the renowned author, Wally Harrison. So when they select Wally's bestseller, Missing Girl, for their next discussion, Arlo is hopeful it will be the end of their mystery hunt. But the women are convinced Missing Girl was inspired by a 50-year-old cold case from their own Sugar Springs, Mississippi-the disappearance of Mary Kennedy-and Arlo can do little to stop the book club ladies from investigating. When a young girl is murdered in the exact place the women believe Mary went missing all those years ago, it becomes clear these two cases are connected. And with Arlo's help, they may just be able to crack the case--

The Theft of Memory Jonathan Kozol,2015-06-02 A Library Journal Best Book of 2015 National Book Award winner Jonathan Kozol is best known for his fifty years of work among our nation’s poorest and most vulnerable children. Now, in the most personal book of his career, he tells the story of his father’s life and work as a nationally noted specialist in disorders of the brain and his astonishing ability, at the onset of Alzheimer’s disease, to explain the causes of his sickness and then to narrate, step-by-step, his slow descent into dementia. Dr. Harry Kozol was born in Boston in 1906. Classically trained at Harvard and Johns Hopkins, he was an unusually intuitive clinician with a special gift for diagnosing interwoven elements of neurological and psychiatric illnesses in highly complicated and creative people. “One of the most intense relationships of his career,” his son recalls, “was with Eugene O’Neill, who moved to Boston in the last years of his life so my father could examine him and talk with him almost every day.” At a later stage in his career, he evaluated criminal defendants including Patricia Hearst and the Boston Strangler, Albert H. DeSalvo, who described to him in detail what was going through his mind while he was killing thirteen women. But The Theft of Memory is not primarily about a doctor’s public life. The heart of the book lies in the bond between a father and his son and the ways that bond intensified even as Harry’s verbal skills and cogency progressively abandoned him. “Somehow,” the author says, “all those hours that we spent trying to fathom something that he wanted to express, or summon up a vivid piece of seemingly lost memory that still brought a smile to his eyes, left me with a deeper sense of intimate connection with my father than I’d ever felt before.” Lyrical and stirring, The Theft of Memory is at once a tender tribute to a father from his son and a richly colored portrait of a devoted doctor who lived more than a century.
