Zen and Now Mark Richardson, 2009-09-08 On the Trail of

Robert Pirsig's Zen and the Art of Motorcycle Maintenance, Zen and Now is the story of a story that will appeal to the 5 million readers of the original and serve as an initiation to a whole new generation. Since its original publication in 1968, Zen and the Art of Motorcycle Maintenance: An Inquiry into Values has touched whole generations of readers with its serious attempt to define "quality" in a world that seems indifferent to the responsibilities that quality brings. Mark Richardson expands that journey with an investigation of his own - to find the enigmatic author of Zen and the Art, ask him a few questions, and place his classic book in

context. The result manages to be a biography of Pirsig himself - in the discovery of an unknown life of madness, murder and eventual resolution - and a splendid meditation on creativity and problem-solving, sanity and insanity.

Summary of Zen and the Art of Motorcycle Maintenance by Robert M. Pirsig QuickRead, Lea Schullery, An Inquiry Into Values. You may be asking yourself, "What do Zen and motorcycle maintenance have in common?" Well, you'd be surprised! While Zen typically deals with meditative and spiritual practices, motorcycle maintenance deals with nuts, bolts, and greasy parts.

However, if you want to live a balanced life, you'll need to embrace both. Motorcycle maintenance describes those who are classically minded, those who enjoy science and look at the world more rationally. On the other hand, Zen describes those who think romantically, those who enjoy the arts and experience the world through emotions. They see the world as a whole while ignoring the details. You may find that you already identify yourself as one or the other, right? According to Pirsig, however, balance and quality come from balancing the two mindsets. In fact, many problems and conflicts arise when classically minded people can't understand the romantic mode of thought and vice versa. So how can we combine the two and learn from one another? Well, you can begin by following Pirsig on a motorcycle as he tells the story of how a single road trip led to enlightenment. As you read, you'll learn why romantics avoid fixing things, you'll become introduced to Phaedrus and his search for Quality, and how Quality can lead to a balanced, harmonious life. Pirsig, author of *Zen and the Art of Motorcycle Maintenance*, takes us on a poignant and passionate journey as mysterious and compelling as his first life-changing work. Instead of a motorcycle, a sailboat carries his philosopher-narrator Phaedrus down the Hudson River as winter closes in. Along the way he picks up a most unlikely traveling companion: a woman named Lila who in her desperate sexuality, hostility, and oncoming madness threatens to disrupt his life. In *Lila* Robert M. Summary of Zen and the Art of Motorcycle Maintenance
Alexander Cooper, 2021-06-25
Summary of *Zen and the Art of Motorcycle Maintenance*
Zen and the Art of Motorcycle Maintenance was published in 1974. Told through the frame of a long motorcycle trip across America, the book explores life and how to best live it. The world of ideas takes center stage, providing both the conflict and resolution for living such a balanced approach to life. Perspectives from Eastern and Western philosophy and religion are referenced, highlighted, and explored, and through this exploration, the narrator addresses the pivotal question of how to pursue technology in a way that enriches human life as opposed to degrading it. Told through first person narrative, the book parallels the motorcycle trip and all of its accompanying trials and tribulations with the ideas, trials, and tribulations of the narrator's own past life, ideas which come into contact with the present. In *Zen and the Art of Motorcycle Maintenance*, the two protagonists are actually one person. The narrator is a lightly fictionalized version of the author, Robert Pirsig, who is taking a motorcycle trip with his son and another

couple. The narrator speaks in the first person and uses the present tense. Phaedrus is the name of the narrator's alter ego. His story is told in the third person and the past tense. (In some editions of the book, the Phaedrus sections use a different font from the narrator's.) As the narrator describes him, Phaedrus is the person he used to be before suffering a mental breakdown in mid-career. By the book's end, the two characters begin to merge into a single individual. The motorcycle trip starts in Minneapolis, Minnesota and concludes near San Francisco, CA. The narrator and his son, Chris, are accompanied by a couple, the Sutherlands. As a contrast to the narrator, John and Sylvia Sutherland represent people who are uncomfortable with technology. They feel oppressed by it and use motorcycle trips to escape. At the same time, however, they are dependent on technology. This conflict hints at a larger conflict in society and life. The narrator aims to explore this conflict with technology and get to its root. The group travels together to Bozeman, Montana, which is an important location related to the narrator's teaching career and unusual past. At this point in the book, the Sutherlands return home, and the narrator and his son continue the trip after undertaking a hiking expedition in the mountains outside Bozeman. The hiking trip includes significant explorations of the inner world of spiritual development and of the narrator's difficult relationship with his son, thus fleshing out the narrator's past ideas and helping incorporate them into his present. Throughout his travels, the narrator weaves together observations about life, diving into the struggles and backstory of a shadowy character called Phaedrus. These are, of course, mixed with the day-to-day details of the trip, showing a resonance between the two "worlds" being presented as ideas and thoughts build upon one another. Phaedrus is introduced with reluctance, and there is a mystery surrounding his relationship to the narrator. As the book unfolds, however, this mystery is resolved, and readers learn that Phaedrus is the name that the narrator has given to himself to

represent his life before his nervous breakdown and shock therapy. This therapy resulted in a new personality. Here is a Preview of What You Will Get: □ A Full Book Summary □ An Analysis □ Fun quizzes □ Quiz Answers □ Etc Get a copy of this summary and learn about the book.
