The Indestructible Brand Venke Sharma, Hushidar Kharas, 2017-08-22 Whether or not your brand is on social media, your consumers are. They are continuously sharing their good and bad experiences about your brand. Most brands are not prepared to deal with negative feedback which, if ignored, can spiral into a crisis. This book seeks to aid brand and business owners to structure organizations to be crisis-ready. Creating a crisis squad and a crisis playbook, envisioning various scenarios that can occur, and what the brand's response should be are some of the areas the book delves into. It also recommends preventive measures that can save brands from social embarrassment, and social listening strategies that can alert organizations to a problem before it becomes a crisis. When everything else fails and a crisis is at hand, the focus shifts to executing the playbook, turning the conversation around leveraging evangelists and influencers. Once the crisis has ended, it's time to audit the playbook and close the gaps, as well as evaluate financial or reputational damage done to the brand, and see how quickly one can recover.

I Want to Live Katijia Akbar, 2011-04-01 Madhubala – the very name conjures up vivid images of a love goddess possessing bewitching beauty, dazzling radiance, subtle sensuality, and, above all, a tantalizing screen presence. Her ‘reel life’ histrionic performances held (and continue to hold) audiences/viewers entranced. Her talent was phenomenal, and she could literally glide through a movie, whatever be the role. She could convey an impressive array of emotions with her eloquent eyes and facial expressions without resorting to melodramatic contortions. Tragedy, romance, comedy, drama, and what have you – she could take everything in her stride, exquisitely and flawlessly, as convincingly proved by superhits such as Mahal, Tarana, Chalti Ka Naam Gaadi and the magnum opus, Mughal-e-Azam. All this she achieved despite a major heart disease, which assumed serious proportions as her career soared. This volume presents a fascinating panorama not only of the ‘reel life’ Madhubala but also of the ‘real life’ Madhubala, who was an extremely compassionate and caring human being, but lived in the shadow of her dominant father. The author recounts her captivating saga, right from her first film – Basant (1942), as a child star, up to the magnificent Mughal-e-Azam (1960) and beyond. Enthralling cameos from her masterpieces such as Mahal, Mr & Mrs 55 and Amar, are depicted in graphic detail. Also, all the drama involved in her love affair with Dilip Kumar, which culminated in intense acrimony, has been poignantly portrayed. The last few years of her life were spent in virtual solitude in spite of her being married to Kishore Kumar, and death, in a way, came as a release for her.
