Each song is listed with artist name and nationality, current and previous month's chart position, record label, weeks on the chart, and simultaneous position on the other side of the pond. Special symbols indicate million-sellers, plus artists' first and most recent hits. All stars and songs are indexed separately, making it especially easy to pinpoint any Top 20 hit. *Validating Singles* Dr. Jim Towns, 2012-05-08 VALIDATING SINGLES is an essential guide to healthy single life that is based in profound biblical truth and can revolutionize the church's understanding in affirming singleness. Christian singles will no longer tolerate a message that is simply a pep rally for singleness. Both marriage and singleness demand serious scriptural insight. This book has developed such a treatment. If you are single and Christian, you face certain problems that come with the territory such as frustration in identity, sexuality, and professionally. You may feel a wilted identity amid a landscape of happy successful couples. If so, you will be pleased with this work—crammed full with pragmatic ideas, deep-felt experience and nuggets of spiritual insights. God has a plan for your singleness. You are not single just to bide time until the day you get married. Amidst extremes of celibacy versus marriage in Christian culture, there is today's proliferation of sexual non-commitment and a biblical stance. Whether you have a temporary or permanent "gift" of singleness, God wants you to discover fulfillment while you are single. Validating Singles presents strategies for living as a single. This insightful book will help you, whether never married, widowed, or divorced, to understand God's desires and plans for your life as a single.

The Dating Manifesto Lisa Anderson, 2015-08-01 Your attitudes about marriage and the path to marriage are wrong. Some you've inherited, some you've simply bought—hook, line, and sinker—and some you've made up yourself. They have translated into bad action (or no action) in dating and relationships. But it's not too late; you can break the cycle of dating dysfunction and learn to honor marriage, marry well, and live intentionally while you wait. Lisa Anderson proves it's possible. The Dating Manifesto is neither a cheesy formula for finding a spouse nor a feel-good book about how the person for you is "out there" if you only "believe." Instead, it's a challenge to wise up, own your junk, and chart a bold new course for your relationship future.
