For mature teens and young adults. Quotes The zombie apocalypse has swept in like a violent storm, and every day is a fight to survive. Yes, it's scary, and we have no guarantees that we'll live to see the next sunrise. But there's nothing we can do to stop it. We just have to let it run its course and pray that the zombies rot out soon. I'm not Rambo, Supergirl, or Xena, but I can't let worry consume me either. Just because I'm not made out of titanium, that doesn't mean I won't make it to the finish line. I've gotta stay brave and keep fighting as hard as I can and never, ever give up hope. — Val Bennett – zombie fighter & survivor I have to keep my footing, catch my breath, and keep walking the twisting path ahead. There are many huge hurdles to face. I don't know what life holds for me, but I will survive as long as I can, and I won't go down without a fight. — Sammy Evans – survivor & zombie fighter Humans are a rare and endangered species. Swallowing down our fear, we must fight to protect humanity at all costs. Protecting the human race must be our number one priority. We need to fight for the future we want, not the one that's been delivered to us. Taking back our world is a fight I will never give up on. And in my opinion, that makes every zombie hunter a very special breed of warrior. — Dean Walters - survivor & zombie hunter
