Encyclopedia of the Zombie June Michele Pulliam,Anthony J. Fonseca,2014-06-19 A fascinating read for anyone from general readers to hardcore fans and scholars, this encyclopedia covers virtually every aspect of the zombie as cultural phenomenon, including film, literature, folklore, music, video games, and events. The proliferation of zombie-related fiction, film, games, events, and other media in

the last decade would seem to indicate that zombies are the new vampires in popular culture. The editors and contributors of *Encyclopedia of the Zombie: The Walking Dead in Popular Culture and Myth* took on the prodigious task of covering all aspects of the phenomenon, from the less-known historical and cultural origins of the zombie myth to the significant works of film and literature as well as video games in the modern day that feature the insatiable, relentless zombie character. The encyclopedia examines a wide range of significant topics pertaining to zombies, such as zombies in the pulp magazines; the creation of the figure of the zumbie to subvert decades of censorship by the Comics Code of Authority; *Humans vs. Zombies*, a popular zombie-themed game played on college campuses across the country; and annual Halloween zombie walks. Organized alphabetically to facilitate use of the encyclopedia as a research tool, it also includes entries on important scholarly works in the expanding field of zombie studies.

A Gross of Zombies Andy McKinney, 2016-01-14 These 144 reviews of zombie movies will educate the reader as to which films are worthy of the time of the movie watcher. Some zombie movies are just as good as any other kind of movie, some watchable but not great, and some are absolute rubbish. Be warned, author Andy McKinney names names and tells it like it is. As he says about some zombie movies, I watched this one so you won't have to. Enjoy these reviews from a man who is himself a fan as well as a reviewer.

and every day is a fight to survive. Yes, it's scary, and we have no guarantees that we'll live to see the next sunrise. But there's nothing we can do to stop it. We just have to let it run its course and pray that the zombies rot out soon. I'm not Rambo, Supergirl, or Xena, but I can't let worry consume me either. Just because I'm not made out of titanium, that doesn't mean I won't make it to the finish line. I've gotta stay brave and keep fighting as hard as I can and never, ever give up hope. — Val Bennett – zombie fighter & survivor I have to keep my footing, catch my breath, and keep walking the twisting path ahead. There are many huge hurdles to face. I don't know what life holds for me, but I will survive as long as I can, and I won't go down without a fight. — Sammy Evans – survivor & zombie fighter Humans are a rare and endangered species. Swallowing down our fear, we must fight to protect humanity at all costs. Protecting the human race must be our number one priority. We need to fight for the future we want, not the one that's been delivered to us. Taking back our world is a fight I will never give up on. And in my opinion, that makes every zombie hunter a very special breed of warrior. — Dean Walters - survivor & zombie hunter
