The Battle of Zombie Hill Nancy Osa,2015-07-07

Rob is on his way home from vacation when his plane goes down over the ocean biome. He eventually reaches shore, but where is he? And what new dangers lie ahead? His attempts at survival barely keep him alive until he allies with Frida, the sole inhabitant of a lonely stretch of beach. Rob learns enough from Frida to survive, but he misses life on his family's horse ranch. Determined to find his way home, he sets off to cross the Extreme Hills—and steps into the middle of an ongoing war. The evil Dr. Dirt has enchanted battalions of skeletons to invade every biome and hold every boundary in an attempt to rule the Overworld. Now peace-loving Rob and stealthy Frida must

put together their own army and save humanity if Rob is ever to see his home and family again. Using his skills in taming and training horses, Rob forms a cavalry and recruits the friends he makes along the way. Turner and Stormie are naturally brave and quick-witted. Jools and Kim need encouragement but have a way with animals and can unravel even the toughest problems. Unfortunately, Dr. Dirt has a surprise for the ragtag unit; he's mounted his skeleton soldiers on zombie horses, and the combination spells terror for Rob and company. Will they survive an all-out war for the Overworld? And what lies in store for them after the final zombie cavalry charge? This new young adult series is perfect for Minecrafters who want a real adventure story filled with great characters and intense battle scenes. Follow Rob, his trusty horse Saber, and the members of Battalion Zero over massive and deadly terrain in this first book in the Defenders of the Overworld series. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Red Rider Jb Trepagnier, 2020-09-25 The Horseman of War is on the scene and nothing about the apocalypse prepared me for Dice. I thought Aeron and his murdering horse were crazy. Try everything about Dice. I'll bet his murder horse is even worse than Aeron's. We've

moved from Mexico to Dice's base in Florida. If you're wondering where all the military ended up after the war, they all follow the Horseman of War now. It must be his angel superpower because not only does he have planes and firepower here, he's got people that can use them. He's got people all over the freaking world. I don't know the first thing about war. In fact, I slept through World War III. Dice has bombs ferreted away, but we aren't using them to light my father's ass up and send him back to Hell. The three Horsemen I've met so far have some long-term plan. So, Dice is fiddling with explosives to make them into a delivery device for Leif's zombie killing serum without blowing the rest of humanity to kingdom come. Did I mention the part where we are letting a dude with a bright red mohawk and rainbow suspenders play with bombs? Because that part has me a little worried and I've already been chased by zombies and dealt with five trucks full of Nazis.

Then, Blaze enters into a feud with Flagg Fargo for bragging rights as America's premier stunt cyclist. Both the mortal and demon side of the Ghost Rider have a long road ahead - and it reaches its end with issue #50 and a time-traveling team-up with the original Western Ghost Rider!

The Pale Rider JB Trepagnier, 2023-06-08 I wake up surrounded by death and my memories are gone. A man in a beige hazmat suit reaches his hand through the carnage. "Come with me if you want to live." I know I'm supposed to know that from somewhere, but I don't. I know the world outside me is not right. People either die or they are Rage Heads. Somehow, a virus got out that has turned people into red eyed freaks who eat flesh. They are fast, their flesh is rotting off their bodies and they have one goal—kill. I don't know my mystery man in the hazmat suit, but he says I can trust him. He was at that lab looking for something. He claims not to have found it. He only found me. I see the way he looks at me when I ask what he was doing in that lab. I might feel safe with him, but he's lying to me. He knows everything about me, including the nickname people used to call me, but he tells me I ask too many questions. Maybe I'd be safer on my own. *The Pale Rider* is Book 1 of *End of Days*, a Post Apocalyptic slow burn reverse harem romance. The harem will slowly grow as the books progress. The White Rider Jb Trepagnier,2021-03-13 It's the 9th inning stretch. All bets on the line. Time to kill the Antichrist. Asher is kind of a dick. I like Aeron, Leif, and Dice so much better. But I can't focus on that right now. We have a mission. Stopping the end of the world. We have a date in Mexico at a little beachside estate when this is all over. I intend to make it. I've been experimented on, chased by Rage Heads, and don't even get me started on the gang members. We're in Washington D.C. I've got four angels and a baby blue baseball bat named Smurfette. We're out numbered and outgunned by my father's army of extra Bubbas. I still think we can do this

Zombie Apocalypse Colin Webster,2012-10 Could you survive a real zombie apocalypse? Open up the book and find out! Will you take the shotgun or the machete? Horror Films FAQ John Kenneth Muir,2013-08-01 (FAQ). Horror Films FAQ explores a century of ghoulish and grand horror cinema, gazing at the different characters, situations, settings, and themes featured in the horror film, from final girls, monstrous bogeymen, giant

monsters and vampires to the recent torture porn and found footage formats. The book remembers the J-Horror remake trend of the 2000s, and examines the oft-repeated slasher format popularized by John Carpenter's *Halloween* (1978) and *Friday the 13th* (1980). After an introduction positioning the horror film as an important and moral voice in the national dialogue, the book explores the history of horror decade by decade, remembering the women's liberation horrors of the 1970s, the rubber reality films of the late 1980s, the serial killers of the 1990s, and the xenophobic terrors of the 9/11 age. *Horror Films FAQ* also asks what it means when animals attack in such films as *The Birds* (1963) or *Jaws* (1975), and considers the moral underpinnings of rape-and-revenge movies, such as *I Spit on Your Grave* (1978) and *Irreversible* (2002). The book features numerous photographs from the author's extensive personal archive, and also catalogs the genre's most prominent directors.

Biker Heaven David Donaghe, 2021-02-07 When the zombie plague breaks out in 1968, Cave Man, all though bitten himself, helps his bros in the Road Dogs motorcycle club make it to safety. In the end, Cave Man has a hard choice to make, either become one of the undead, or let the road take him and die like a biker earning a one way ticket to *Biker Heaven*.

Hell's Ambrosia Richard Barcalow, Daniel Stiles, 2003-02 The ultimate combination of horror and comedy with just the right amount of action, *Hell's Ambrosia* will have you laughing out loud while you turn on all the lights and hide under your covers. When something goes wrong at the Better Life Technologies complex, it is up to three security guards to stop the plans of their mad supervisor. Unfortunately, fighting zombies and bizarre super monsters with chairs and fire extinguishers never

came up during security guard training school. Their only hope might lie with a beautiful mail lady who might already be dead. An eight hour shift never seemed so long.

Never Slow Dance With a Zombie E. Van Lowe, 2009-08-18 Romy and Michelle's High School Reunion meets Night of the Living Dead in this laugh-out-loud debut YA novel by Emmy Award-nominated TV writer E. Van Lowe Principal Taft's 3 Simple Rules for Surviving a Zombie Uprising: Rule #1: While in the halls, walk slowly and wear a vacant expression on your face. Zombies won't attack other zombies. Rule #2: Never travel alone. Move in packs. Follow the crowd. Zombies detest blatant displays of individuality. Rule #3: If a zombie should attack, do not run. Instead, throw raw steak at to him. Zombies love raw meat. This display of kindness will go a long way. On the night of her middle school graduation, Margot Jean Johnson wrote a high school manifesto detailing her goals for what she was sure would be a most excellent high school career. She and her best friend, Sybil, would be popular and, most important, have boyfriends. Three years later, they haven't accomplished a thing! Then Margot and Sybil arrive at school one day to find that most of the student body has been turned into flesh-eating zombies. When kooky Principal Taft asks the girls to coexist with the zombies until the end of the semester, they realize that this is the perfect opportunity to live out their high school dreams. All they have to do is stay alive.... Battle of the Zombies: An Awfully Beastly Business The Beastly Boys, 2012-01-26 In the RSPCB's most dangerous mission to date, Ulf the werewolf visits a haunted castle to

investigate some very spooky goings-on. But little does he know that he's heading into a trap: the evil Baron Marackai is lying in wait with a beastly plan - and this time he's got help from the dead! Can Ulf unravel the ghostly mystery, or will he end up as zombie food? The future of the RSPCB depends on him...

The Black Rider Jb Trepagnier, 2023-10-06 It's the apocalypse, and apparently, I can't trust anyone. Aeron had every opportunity to explain the horses that were haunting my drawings. I asked him several times about his crazy zombie killing horse. He omitted to tell me he was the Horseman of Death until Leif let it slip he was the Horseman of Pestilence when he introduced himself to me. I don't know who I'm madder at-Aeron for lying to me or me for just ignoring all the clues and telling myself there was no way it was possible and trusting him. I'm trapped in a militarized city in Mexico with two of the Four Horsemen of the Apocalypse. They say they are my friends, but are they really? Does Aeron actually care about me, or was that some big ruse to get me here so Leif could take my blood? Aeron is apologetic, but Leif seems to want to talk. Maybe he'll actually tell me the truth about how my blood caused the apocalypse. The Black Rider is Book 2 of End of Days; a Post Apocalyptic slow burn reverse harem romance. The harem will slowly grow as the books progress. The harem features the Four Horsemen of the Apocalypse.
