Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Until I Find You Rachel Nolan,2024-01-09 The poignant saga of Guatemala's adoption industry: an international marketplace for children, built on a foundation of inequality, war, and Indigenous dispossession. In 2009 Dolores Preat went to a small Maya town in Guatemala to find her birth mother. At the address retrieved from her adoption file, she was told that her supposed mother, one Rosario Colop Chim, never gave up a child for adoption—but in 1984 a girl across the street was abducted. At that house, Preat met a woman who strongly resembled her. Colop Chim, it turned out, was not Preat's mother at all, but a jaladora—a baby broker. Some 40,000 children, many Indigenous, were kidnapped or otherwise coercively parted from families scarred by Guatemala's civil war or made desperate by unrelenting poverty. Amid the US-backed army's genocide against Indigenous Maya, children were wrested from their villages and put up for adoption illegally, mostly in the United States. During the war's second decade, adoption was privatized, overseen by lawyers who made good money matching children to overseas families. Private adoptions skyrocketed to the point where tiny Guatemala overtook giants like China and Russia as a "sender" state. Drawing on government archives, oral histories, and a rare cache of adoption files opened briefly for war crimes investigations, Rachel Nolan explores the human toll of an international industry that thrives on exploitation. Would-be parents in rich countries have fostered a commercial market for children from poor countries, with Guatemala becoming the most extreme case. Until I Find You reckons with the hard truths of a practice that builds loving families in the Global North out of economic exploitation, endemic violence, and dislocation in the Global South.

Billboard ,2007-07-14 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Hollywood Reporter, 2008

The Complete Idiot's Guide to Search Engine Optimization Michael Miller, 2009 Most businesses depend on their rankings on Google, Yahoo!, and other search engines to drive traffic to their websites. The higher a business's ranking, the more traffic its site gets. Where does a webmaster or online market manager go for advice and instruction on optimizing a business's website for higher search engine rankings? The few search engine optimization (SEO) books currently on the market are dated and do not cover the latest local, mobile, and social marketing techniques. The Complete Idiot's Guide® to Search Engine Optimization is a comprehensive, up-to-date, easy-to-use guide for SEO. It starts with a general overview of how search engines and SEO work and then flows into specific techniques for basic website optimization. It addresses the analysis and ongoing maintenance of a site's optimization and finishes with a look at how search engine marketing fits within a company's overall online marketing plan. In *The Complete Idiot's Guide® to Search Engine Optimization*, readers learn- How search engines and SEO work. How to optimize your site's keywords, tags, and design. How to optimize the links to your site, local and mobile searches, and social media. How to apply the strategies to a blog and web videos for search engines. How to use third-party SEO tools. How search engine marketing fits within a company's overall online marketing plan.
