Classic Restaurants of The Region: Northwest Indiana's All-Time Favorite Eats Jane Simon Ammeson,2021 A wonderful diversity of flavors has defined Northwest Indiana as a dining destination from its earliest days to the present. So great was the demand for frogs legs that the venerable Vogel's raised its own at a small lake nearby. Indiana-style, crisped-edged hamburgers at Miner-Dunn and Schoops survived the onslaught of fast-food chains. Ammeson leads a tasty tour of historic Region restaurants, some still serving but others almost lost to

memory.--Adapted from back cover.

Ten Restaurants That Changed America Paul Freedman, 2016-09-20 Featuring a new chapter on ten restaurants changing America today, a "fascinating . . . sweep through centuries of food culture" (Washington Post). Combining an historian's rigor with a food enthusiast's palate, Paul Freedman's seminal and highly entertaining Ten Restaurants That Changed America reveals how the history of our restaurants reflects nothing less than the history of America itself. Whether charting the rise of our love affair with Chinese food through San Francisco's fabled Mandarin; evoking the poignant nostalgia of Howard Johnson's, the beloved roadside chain that foreshadowed the pandemic of McDonald's; or chronicling the convivial lunchtime crowd at Schrafft's, the first dining establishment to cater to women's tastes, Freedman uses each restaurant to reveal a wider story of race and class, immigration and assimilation. "As much about the contradictions and contrasts in this country as it is about its places to eat" (The New Yorker), Ten Restaurants That Changed America is a "must-read" (Eater) that proves "essential for anyone who cares about where they go to dinner" (Wall Street Journal Magazine).

The Perfect Meal Charles Spence, Betina Pigueras-Fiszman.2014-09-22 The authors of The Perfect Meal examine all of the elements that contribute to the diners experience of a meal (primarily at a restaurant) and investigate how each of the diners senses contributes to their overall multisensory experience. The principal focus of the book is not on flavor perception, but on all of the nonfood and beverage factors that have been shown to influence the diners overall experience. Examples are: the colour of the plate (visual) the shape of the glass (visual/tactile) the names used to describe the dishes (cognitive) the background music playing inside the restaurant (aural) Novel approaches to understanding the diners experience in the restaurant setting are explored from the perspectives of decision neuroscience, marketing, design, and psychology. 2015 Popular Science Prose Award Winner.

New York in a Dozen Dishes Robert Sietsema, 2015 In thirteen essays (a baker's dozen) covering distinctive dishes from a cross-section of New York City's cultural makeup, veteran food journalist Robert Sietsema explores how foods from around the world arrived, commingled, and became part of the city's culinary identity. Sietsema writes from personal experience as a restaurant critic eating in thousands of restaurants across five boroughs (and New Jersey) over the span of multiple decades; each chapter ends with a recipe.

**Dining Out** Katie Rawson, Elliott Shore, 2019-08-12 A global history of restaurants beyond white tablecloths and maître d's, Dining Out presents restaurants both as businesses and as venues for a range of human experiences. From banquets in twelfth-century China to the medicinal roots of French restaurants, the origins of restaurants are not singular—nor is the history this book

tells. Katie Rawson and Elliott Shore highlight stories across time and place, including how chifa restaurants emerged from the migration of Chinese workers and their marriage to Peruvian businesswomen in nineteenth-century Peru; how Alexander Soyer transformed kitchen chemistry by popularizing the gas stove, pre-dating the pyrotechnics of molecular gastronomy by a century; and how Harvey Girls dispelled the ill repute of waiting tables, making rich lives for themselves across the American West. From restaurant architecture to technological developments, staffing and organization, tipping and waiting table, ethnic cuisines, and slow and fast foods, this delectably illustrated and profoundly informed and entertaining history takes us from the world's first restaurants in Kaifeng, China, to the latest high-end dining experiences.

Food Lovers' Guide to® Washington, D.C. Beth Kanter, 2012-01-10 Savor the Flavors of Washington, D.C. From well-established historic spots to the new crop of underground restaurants, D.C.'s food scene defines an important part of the city. It boasts destination restaurants, creative cuisine, and undiscovered holes-in-the-wall. This is a town where chefs come to experiment and where the farm-to-table movement soars. Experimental, ethnic, trendy, and neighborhood restaurants fill the city with unending choices. In Food Lovers' Guide to Washington, D.C., seasoned food writer Beth Kanter shares the inside scoop on the best places to find, enjoy, and celebrate these culinary treasures. A bounty of mouthwatering delights awaits you in this engagingly written guide. With delectable recipes from the renowned kitchens of the city's iconic eateries, diners, and elegant dining rooms, Food Lovers' Guide to Washington, D.C. is the ultimate resource for food lovers to use and savor. Inside You'll Find: • Favorite restaurants and landmark eateries • Food festivals and

culinary events • Specialty food stores, markets, and food trucks • The metro area's best cafes • Farmers' markets and farm stands • Recipes from top Washington, D.C., chefs • Cooking classes and wine courses • Foodie getaways outside the city

The Restaurants Book David Beriss, David Sutton, 2007-12-01 Is the restaurant an ideal total social phenomenon for the contemporary world? Restaurants are framed by the logic of the market, but promise experiences not of the market. Restaurants are key sites for practices of social distinction, where chefs struggle for recognition as stars and patrons insist on seeing and being seen. Restaurants define urban landscapes, reflecting and shaping the character of neighborhoods, or standing for the ethos of an entire city or nation. Whether they spread authoritarian French organizational models or the bland standardization of American fast food, restaurants have been accused of contributing to the homogenization of cultures. Yet restaurants have also played a central role in the reassertion of the local, as powerful cultural brokers and symbols for protests against a globalized food system. The Restaurants Book brings together anthropological insights into these thoroughly postmodern places.

Food Lovers' Guide to® Charlotte Sarah
Crosland,2012-09-18 The ultimate guide to Charlotte's food scene provides the inside scoop on the best places to find, enjoy, and celebrate local culinary offerings. Written for residents and visitors alike to find producers and purveyors of tasty local specialties, as well as a rich array of other, indispensable food-related information including: food festivals and culinary events; specialty food shops; farmers' markets and farm stands; trendy restaurants and timetested iconic landmarks; and recipes using local ingredients and traditions.

Food on the Rails Jeri Quinzio, 2014-10-10 In roughly one hundred years - from the 1870s to the 1970s - dining on trains began, soared to great heights, and then fell to earth. The founders of the first railroad companies cared more about hauling freight than feeding passengers. The only food available on trains in the mid-nineteenth century was whatever passengers brought aboard in their lunch baskets or managed to pick up at a brief station stop. It was hardly fine dining. Seeing the business possibilities in offering longdistance passengers comforts such as beds, toilets, and meals, George Pullman and other pioneering railroaders like Georges Nagelmackers of Orient Express fame, transformed rail travel. Fine dining and wines became the norm for elite railroad travelers by the turn of the twentieth century. The foods served on railroads - from consommé to turbot to soufflé, always accompanied by champagne - equaled that of the finest restaurants, hotels, and steamships. After World War II, as airline travel and automobiles became the preferred modes of travel, elegance gave way to economy. Canned and frozen foods, self-service, and guick meals and snacks became the norm. By the 1970s, the golden era of railroad dining had come grinding to a halt. Food on the Rails traces the rise and fall of food on the rails from its rocky start to its glory days to its sad demise. Looking at the foods, the service, the rail station restaurants, the menus, they dining accommodations and more, Jeri Quinzio brings to life the history of cuisine and dining in railroad cars from the early days through today.

Food Lovers' Guide to® Queens Meg Cotner,2012-12-04 The Best Restaurants, Markets & Local Culinary Offerings The ultimate guides to the food scene in their respective states or regions, these books provide the inside scoop on the best places to find, enjoy, and celebrate local culinary offerings. Engagingly written by local authorities, they are a

one-stop for residents and visitors alike to find producers and purveyors of tasty local specialties, as well as a rich array of other, indispensable food-related information including: • Favorite restaurants and landmark eateries • Farmers markets and farm stands • Specialty food shops, markets and products • Food festivals and culinary events • Places to pick your own produce • Recipes from top local chefs • The best cafes, taverns, wineries, and brewpubs

**Fast Food** John A. Jakle, Keith A. Sculle, 2002 The authors contemplate the origins, architecture and commercial growth of wayside eateries in the US over the past 100 years. Fast Food examines the impact of the automobile on the restaurant business and offers an account of roadside dining.

**Appetite City** William Grimes, 2009-10-13 New York is the greatest restaurant city the world has ever seen. In Appetite City, the former New York Times restaurant critic William Grimes leads us on a grand historical tour of New York's dining culture. Beginning with the era when simple chophouses and oyster bars dominated the culinary scene, he charts the city's transformation into the world restaurant capital it is today. Appetite City takes us on a unique and delectable journey, from the days when oysters and turtle were the most popular ingredients in New York cuisine, through the era of the fifty-cent French and Italian table d'hôtes beloved of American Bohemians, to the birth of Times Square—where food and entertainment formed a partnership that has survived to this day. Enhancing his tale with more than one hundred photographs, rare menus, menu cards, and other curios and illustrations (many never before seen), Grimes vividly describes the dining styles, dishes, and restaurants succeeding one another in an unfolding historical panorama: the deluxe ice cream parlors of the 1850s, the boisterous beef-and-beans joints along

Newspaper Row in the 1890s, the assembly-line experiment of the Automat, the daring international restaurants of the 1939 World's Fair, and the surging multicultural city of today. By encompassing renowned establishments such as Delmonico's and Le Pavillon as well as the Bowery restaurants where a meal cost a penny, he reveals the ways in which the restaurant scene mirrored the larger forces shaping New York, giving us a deliciously original account of the history of America's greatest city. Rich with incident, anecdote, and unforgettable personalities, Appetite City offers the dedicated food lover or the casual diner an irresistible menu of the city's most savory moments.

Eating Las Vegas John Curtas, Max Jacobson, Al Mancini,2010-11-15 Restaurant guides typically give readers a singular viewpoint. Eating Las Vegas triples the ante, offering reviews from three local food critics who hail from completely different generations, backgrounds, lifestyles, and tastes and usually disagree on the merits of any particular restaurant. After countless arguments over lunch, Las Vegas' best-known dining writers accomplished the impossible and came up with a list of the eateries all three could recommend. In Eating Las Vegas, John Curtas, Max Jacobson and Al Mancini spotlight the 50 restaurants about which they could agree were must-stops for foodies, tourists, and locals searching for an unforgettable meal in a city that boasts more than 2000 places for eating out. As added bonuses, Eating Las Vegas features lists of the best restaurants in a dozen categories and a special veto section, including some of the eateries prized by one critic and rejected by the others.

**2021 San Francisco Restaurants** Andrew Delaplaine,2020-09-05 There are many people who are enthusiastic about food—the cooking of it, the preparation of it, the serving of it, and let's not forget the eating of it.

But Andrew Delaplaine is the ultimate Food Enthusiast. This is another of his books with spot-on reviews of the most exciting restaurants in town. Some will merit only a line or two, just to bring them to your attention. Others deserve a half page or more. "Exciting" does not necessarily mean expensive. The area's top spots get the recognition they so richly deserve (and that they so loudly demand), but there are plenty of "sensible alternatives" for those looking for good food handsomely prepared by cooks and chefs who really care what they "plate up" in the kitchen. For those with a touch of Guy Fieri, Delaplaine ferrets out the best food for those on a budget. That dingy looking dive bar around the corner may serve up one of the juiciest burgers in town, perfect to wash down with a locally brewed craft beer. Whatever your predilection or taste, cuisine of choice or your budget, you may rely on Andrew Delaplaine not to disappoint. Delaplaine dines anonymously at the Publisher's expense. No restaurant listed in this series has paid a penny or given so much as a free meal to be included. Bon Appétit!

Turning the Tables Steven A. Shaw,2011-02-22 Awardwinning food critic Steven A. Shaw (a.k.a. The Fat Guy) can get a last-minute dinner reservation at the most popular hot spot in town. He knows how that flawless piece of fish reached your plate. He can read between the lines of a restaurant review, and he knows the secrets of why some restaurants succeed and others fail. Now he shares his insider's expertise with food lovers everywhere. But Turning the Tables is much more than an invaluable how-to guide to eating out. Written with style and humor, it's an in-depth exploration of the restaurant world -- a celebration of the incredibly intricate workings of professional kitchens and dining rooms. It is a delectable feast from a uniquely down-to-earth gourmet who has crisscrossed North America in

search of culinary knowledge at every level of the food chain -- from five-star temples of haute cuisine to barbecue joints and hot dog stands -- and who has never been afraid to get his hands greasy on the other side of the swinging kitchen door.

Iconic Restaurants of Butler County, Ohio Teri
Horsley,2019-05-27 Join local food writer Teri Horsley as she
explores the history of Butler County's most beloved
eateries and the stories behind them. Butler County has
concocted fine food and finer memories for generations.
Isgro's dished out succulent Italian to locals and celebrities
alike, including Frank Sinatra and numerous Cincinnati Reds
players. Starting off as a Prohibition speakeasy, Nitchtings
later evolved into a high-end supper club where many
prominent politicians debated the issues of the day. Hickory
Hut made its name serving delicious American casual food
to fiercely loyal regulars, some of whom ate there three
times a day. For decades, fans of Milillo's and Chester's
have argued which is the best pizza in town, a debate that
continues today.

Lost Restaurant of Chicago Greg Borzo, 2019-04-22 A Chicago author's tribute to the historic eateries and storied local haunts that the Windy City has loved and lost. Many of Chicago's greatest or most unusual restaurants are "no longer taking reservations." But even if they're gone, they're definitely not forgotten. From steakhouses to delis, these dining destinations attracted movie stars, fed the hungry, launched nationwide trends and launched a smorgasbord of culinary innovations. Stretching across almost two centuries of memorable service and adventurous menus, Lost Restaurants of Chicago revisits the institutions entrusted with the city's special occasions. Noted author Greg Borzo dishes out course after course of fondly remembered fare, from Maxim's to Charlie Trotter's

and Trader Vic's to the Blackhawk.

Real American Food Burton Wolf, Andrew F. Smith, 2006 Presents an introduction to regional cuisine centered around ten major American cities, with representative recipes and information on local chefs, restaurants, and food markets, and short histories on dining traditions and favorite dishes.

Food Lovers' Guide to® San Francisco Grace Keh.2011-12-20 Savor the Flavors of San Francisco With more restaurants per capita than any other city in the country, the City by the Bay offers its hungry locals and visitors a bountiful feast of delicious dining experiences, from succulent, high-grade sushi and piping-hot bowls of pho to thick, juicy cuts of prime rib served with sourdough bread. In Food Lovers' Guide to San Francisco, seasoned food writer Grace Keh shares the inside scoop on the best places to find, enjoy, and celebrate these culinary treasures. A bounty of mouthwatering delights awaits you in this engagingly written guide. With delectable recipes from the renowned kitchens of the city's iconic eateries, diners, and elegant dining rooms, Food Lovers' Guide to San Francisco is the ultimate resource for food lovers to use and savor. Inside You'll Find: Favorite restaurants and landmark eateries • Specialty food stores and markets • Farmers' markets and farm stands • Food festivals and culinary events • Recipes from top San Francisco chefs • The city's best cafes, taverns, and wine bars • Cooking classes • Local food lore and kitchen wisdom

**Dining Out** Andrew Dornenburg, Karen Page, 1998-10-06 An insider's view of the restaurant business, including behind-the-scenes looks, writing reviews of restaurants, details on specific foods, and favorite restaurants as chosen by food critics.
