John A. Read

The Boat Electrics Bible Andy Johnson,2015-09-10 Following in the successful footsteps of the groundbreaking Boat Maintenance Bible and Boat Repair Bible this new title in this popular series of all-encompassing technical reference bibles presented in an accessible, modern and attractive way is sure to be the boater's godsend. Electrics are a notoriously tricky aspect of boat ownership and maintenance - both critical to the operation of the yacht or motorboat and prone to breaking down in the damp atmosphere and bouncy conditions. This is the book that will take owners through all the likely problems and solutions including making new installations of equipment, reviving an old boat and correcting electrical faults on their current craft. Equally useful for yacht or motorboat owners and illustrated with helpful photos, detailed close-up shots, step by step exploded diagrams and instructions, this is a book every owner should keep aboard.

50 Things to See on the Moon John A. Read,2019-04-30 Have you always wanted to explore the Moon like Neil Armstrong or the eleven other astronauts who have walked on its surface? You can tour the Moon from your own backyard with a small telescope or binoculars. This book will point you to the Sea of Tranquility (the landing spot for Apollo 11) and many other fascinating features you can spot on the Moon's surface. Beginning with the New Moon, as each day passes, an additional slice of the Moon becomes visible. With each new slice comes new craters, lunar seas and jagged mountain ranges. This easy-to-use, illustrated reference book enables everyone, young and old, to better appreciate our nearest neighbour in space.
