Chapters within are organized by style as well as the eras that influence them; decorative, which takes inspiration from vintage styles and trends, modern, drawing from the minimalism of the modernist movement, postmodern, with its namesake's irreverent slant, and digital, featuring designs heavily influenced by the pixelated, slick, and colorful trends that sprang out of the Information Age. All include a broad survey of individual logos, as well as case studies of designers and projects rendered in each of the distinctive styles. *Logo Style* demonstrates how timeless logos influenced by centuries of design history are applied over entire identities to create a unified brand image, while still standing uniquely on their own.

**Yes Logo** Michael Peters, Sarah Owens, 2008 *Make My Logo Bigger: 40 Years of Branding and Design* by Michael Peters and Partners chronicles the story of Michael Peters, one of Britain's most significant design luminaries. Still actively lecturing in the fields of graphics and branding, Michael Peters is an inextricable component of the history of commercial design. Michael Peters began his venture into graphic design at London College of Printing, continuing his studies abroad at Yale, where he was tutored by such greats as Paul Rand, Herbert Matter and Alexej Brodovitch; he was also fortunate to work as an assistant to Bauhaus legend, Josef Albers. Peters then worked at CBS in New York, which was at the time a mecca for the creative marketing profession. He returned to London and set up Klein Peters Ltd with Lou Klein in 1968, followed by his own company, Michael Peters and Partners in 1970. More recently, Peters has formed Identica, a branding and creative consultancy with clients such as Vodafone, Nike and Universal Studios. Throughout his career Peters has worked on highly successful campaigns, ranging from Bird's Eye food products to Penhaligon's perfume. His philanthropic and forward thinking philosophy is celebrated by the Royal College of Art award in Peters' name. This attitude has put him firmly at the forefront of the British design renaissance, together with key figures such as Sir Terence Conran, Rodney Fitch and Wally Olins. *Make My Logo Bigger* chronicles Michael Peters' extraordinary career in its entirety. 400 colour & b/w illustrations
