The Intercultural City Charles Landry, Phil Wood, 2012-05-16 In a world of increasing mobility, how people of different cultures live together is a key issue of our age, especially for those responsible for planning and running cities. New thinking is needed on how diverse communities can cooperate in productive harmony instead of leading parallel or antagonistic lives. Policy is often dominated by mitigating the perceived negative effects of diversity, and little thought is given to how diversity dividend or increased innovative capacity might be achieved. The Intercultural City, based on numerous case studies worldwide, analyses the links between urban change and cultural diversity. It draws on original research in the US, Europe, Australasia and the UK. It critiques past and current policy and introduces new conceptual frameworks. It provides significant and practical advice for readers, with new insights and tools for practitioners such as the intercultural lens indicators of openness urban cultural literacy and ten steps to an Intercultural City. Whatever Gets You through the Night Andrei Codrescu, 2011-04-25 An irreverent and deeply funny retelling of the Arabian Nights I fear each passing night that I will not receive my maintenance dose of suspense, and then I will cease to exist.–Whatever Gets You through the Night Whatever Gets You through the Night is an irreverent and deeply funny retelling of the Arabian Nights and a wildly inspired exploration of the timeless art of storytelling. Award-winning writer Andrei Codrescu reimagines how Sheherezade saved Baghdad's virgins and her own life through a heroic feat of storytelling—one that kept the Persian king Sharyar hanging in agonizing narrative and erotic suspense for 1001 nights. For Sheherezade, the end of either suspense or curiosity means death, but Codrescu keeps both alive in this entertaining tale of how she learned to hold a king in thrall, setting with her endless invention an unsurpassable example for all storytellers across the ages. Liberated and mischievous, Codrescu's Sheherezade is as charming as she is shrewd—and so is the story Codrescu tells.

Tarantula Thierry Jonquet, 2011-12-31 Richard Lafargue is an eminent plastic surgeon haunted by dirty secrets. He has an operating theatre in the basement of his chateau and keeps his partner Eve imprisoned in her bedroom, a room he has equipped with an intercom and 300-watt speakers through which he bellows orders. Eve is only allowed out to be paraded at cocktail parties and on the last Sunday of each month, when the couple visit a young woman in a mental asylum. Following these outings, Lafargue humiliates Eve by forcing her to perform lewd sexual acts with strangers while he watches through a one-way mirror. In alternating chapters, Jonquet introduces seemingly unrelated characters - a criminal on the run after murdering a policeman, and an abducted young man who finds himself chained naked in a dark chamber, forced to endure all manner of physical torture at the hands of a mysterious stranger, whom he calls Mygale, after a type of tropical spider. All of these characters are caught in a deceitful web, waiting to meet their fate.
