**Betty & Veronica: Prom Princesses** Dan Parent,2014-01-07 The prettiest girls, the prettiest dresses, and plenty of fun at the prom--sparks fly as Betty & Veronica work to protect their friendship despite their rivalry over their mutual boyfriend Archie! This graphic novel collection contains all the ingredients of Archie's perennial bestselling comic stories. This fun full-color graphic novel anthology of favorite comic stories captures the magic of the high school prom and celebrates the powerful and constantly-tested friendship between Betty, everybody's favorite girl next door, and Veronica, Riverdale High's richest and classiest student.

Overcoming School Refusal Joanne Garfi,2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

*Angels and Demons in Art* Rosa Giorgi,2005 This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the Guide to Imagery series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

The Atlas of Beauty Mihaela Noroc,2017-09-26 Based on the author's online photography project, this stunning collection features portraits of 500 women from more than 50 countries, accompanied by revelatory captions that capture their personal stories. Since 2013 photographer Mihaela Noroc has traveled the world with her backpack and camera taking photos of everyday women to showcase the diversity of beauty all around us. The Atlas of Beauty is a collection of her photographs celebrating women from all corners of the world, revealing that beauty is everywhere, and that it comes in many different sizes and colors. Noroc's colorful and moving portraits feature women in their local communities, ranging from the Amazon rainforest to London city streets, and from markets in India to parks in Harlem, visually juxtaposing the varied physical and social worlds these women inhabit. Packaged as a gift-worthy, hardcover book, *The Atlas of Beauty* presents a fresh perspective on the global lives of women today.

*Boas and Pythons of the World* Mark O'Shea,2011 Renowned snake expert Mark O'Shea takes readers on an exciting continent-by-continent journey to look at these snakes in their native habitats. Stunning color photographs and intriguing stories from O'Shea's encounters with these snakes in the wild bring these reptiles to life -- from cover.

**Systems of Rehearsal** Shomit Mitter, 2006-07-13 The gap between theory and practice in rehearsal is wide. many actors and directors apply theories without fully understanding them, and most accounts of rehearsal techniques fail to put the methods in context. *Systems of Rehearsal* is the first systematic appraisal of the three principal paradigms in which virtually all theatre work is conducted today - those developed by Stanislavsky, Brecht and Grotowski. The author compares each system of the work of the contemporary director who, says Mitter, is the Great Imitator of each of them: Peter Brook. The result is the most comprehensive introduction to modern theatre available.

*Leadership for a Better World* NCLP (National Clearinghouse for Leadership Programs), 2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. *Leadership for a Better World* provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that *The Social Change Model: Facilitating Leadership Development* (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to *Leadership for a Better World*, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. **Sun Bread** Elisa Kleven, 2004-03-30 Winter's gray chill has set in and everyone misses the sun- especially the baker. So she decides to bring some warmth to the town by making sun bread. And as the bread bakes, rising hot and delicious, everyone comes out to share in its goodness. Everyone, including the sun itself. With a lilting, rhyming text, colorful illustrations, and a recipe for baking your own sun bread, this tasty treat from the illustrator of the best-selling *Abuela* is just right for all ages to enjoy.

Dodin and the Maly Drama Theatre Maria Shevtsova, 2004-03 Including a foreword by Simon Callow, a dedicated admirer of the Maly, Dodin and the Maly Drama Theatre provides both a valuable methodological model for actor training and a unique insight into the journeys taken from studio to stage. This is the first ever full-length study of internationally-acclaimed theatre company, the Maly Drama Theatre of St. Petersburg, and its director, Lev Dodin. Maria Shevtsova provides an illuminating insight into Dodin's directorial processes and the company's actor training, devising and rehearsal methods, which she interweaves with detailed analysis of the Maly's main productions. *Dodin and the Maly Drama Theatre: Process to Performance* demonstrates how the impact of Dodin's work extends far beyond that of his native Russia, and gives the reader unparalleled access to the company's practice.
