Joanne Garfi

The Enigma of Stonehenge John Fowles,Barry Brukoff,1981 The history and meaning of Stonehenge with photographs of the ancient monument as it is today.

Betty & Veronica: Prom Princesses Dan Parent,2014-01-07 The prettiest girls, the prettiest dresses, and plenty of fun at the prom--sparks fly as Betty & Veronica work to protect their friendship despite their rivalry over their mutual boyfriend Archie! This graphic novel collection contains all the ingredients of Archie's perennial bestselling comic stories. This fun full-color graphic novel anthology of favorite comic stories captures the magic of the high school prom and celebrates the powerful and constantly-tested friendship between Betty, everybody's favorite girl next door, and Veronica, Riverdale High's richest and classiest student.

Monastic Education in Late Antiquity Lillian I. Larsen,Samuel Rubenson,2018-08-23 Redefines the role assigned education in the history of monasticism, by re-situating monasticism in the history of education.

Gregory of Nyssa's Doctrinal Works Andrew Radde-Gallwitz,2018 Gregory of Nyssa is firmly established in today's theological curriculum and is a major figure in the study of late antiquity. Students encounter him in anthologies of primary sources, in surveys of Christian history and perhaps in specialized courses on the doctrine of the Trinity, eschatology, asceticism, or the like. Gregory of Nyssa's Doctrinal Works presents a reading of the works in Gregory's corpus devoted to the dogmatic controversies of his day. Andrew Radde-Gallwitz focuses as much on Gregory the writer as on Gregory the dogmatic theologian. He sets both elements not only within the context of imperial legislation and church councils of Gregory's day, but also within their proper religious context-that is, within the temporal rhythms of ritual and sacramental practice. Gregory himself roots what we call Trinitarian theology within the church's practice of baptism. In his dogmatic treatises, where textbook accounts might lead one to expect much more on the metaphysics of substance or relation, one finds a great deal on baptismal grace; in his sermons, reflecting on the occasion of baptism tends to prompt Trinitarian questions.-- Publisher's website.

The Awful Fate Of Melpomenus Jones Stephen Leacock,2013-09-03 They say that some people have a difficult time making their excuses and saying goodbye. When, exactly, does one wear out his welcome? The answer to this is found in the awful, yet humorous, fate of one Melpomenus Jones. "The Awful Fate of Melpomenus Jones" is representative of author Stephen Leacock's writing style where he pokes fun at social absurdities and irrational behaviour. This short story was adapted into a short animated film in 1983. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Overcoming School Refusal Joanne Garfi,2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers

- how to help children on the autism spectrum with school refusal

How Baking Works Paula I. Fioni, 2010-11-09 An up-to-date, comprehensive guide to understanding and applying food science to the bakeshop. The essence of baking is chemistry, and anyone who wants to be a master pastry chef must understand the principles and science that make baking work. This book explains the whys and hows of every chemical reaction, essential ingredient, and technique, revealing the complex mysteries of bread loaves, pastries, and everything in between. Among other additions, *How Baking Works*, Third Edition includes an all-new chapter on baking for health and wellness, with detailed information on using whole grains, allergy-free baking, and reducing salt, sugar, and fat in a variety of baked goods. This detailed and informative guide features: An introduction to the major ingredient groups, including sweeteners, fats, milk, and leavening agents, and how each affects finished baked goods Practical exercises and experiments that vividly illustrate how different ingredients function Photographs and illustrations that show the science of baking at work End-of-chapter discussion and review questions that reinforce key concepts and test learning For both practicing and future bakers and pastry chefs, *How Baking Works*, Third Edition offers an unrivaled hands-on learning experience.

Highland Hearts Hannah Howell, 2014-04-29 On the run from a treacherous enemy, a knight and a noblewoman find a passionate destiny in the Scottish highlands. A villainous rogue abducts Contessa Tess from her uncle's castle in the Scottish highlands, and when he reveals her uncle's terrifying plans, she follows him into a whirlwind of adventure and realizes that there is a hero beneath his criminal facade.

A PRACTICAL COURSE IN EFFECTIVE ENGLISH SPEAKING SKILLS J. K.

GANGAL, 2012-05-16 A sequel to the author's well received book *A Practical Course in Spoken English*, this comprehensive yet compact book provides a practical course for enhancing one's English speaking skills. Divided into six parts and 44 chapters, the book in Part I—The Knowledge Paradigm: The What and Why of Effective Speaking—discusses, among others, about phonetics and phonology, the phonemes, and stress and intonation. Part II—The Skill Paradigm A—Public Speaking Skills—covers such areas as using the 4Rs for effective speaking, combating stage fear, using audio-visual aids, and non-verbal communication. Part III—The Skill Paradigm B—Communicating with People—deals with such topics as making effective telephone calls, celebrating teacher's day, expressing gratitude, participating in group discussions, and participating in TV/radio debate. Part IV—Further Strengthening Your Communication Skills—is devoted to a study of reinforcing the reader's vocabulary through such means as using phrasal verbs, linking words, consulting the Ready Reference Wordbook, and frequently used foreign words and phrases. The final two parts—Part V, The Desire to Achieve: Getting Motivated, and Part VI, Effective English Speaking Skills in Action—provide the meaning and techniques of self-motivation, evaluating daily progress, besides giving some memorable speeches delivered by great speakers like Pandit Jawaharlal Nehru, US Presidents Kennedy and Lincoln, and the civil rights activist, Martin Luther King. The book, written in an accessible and student-friendly manner, is meant for anyone who possesses a fair amount of English speaking skills but wishes to further enhance those skills. Undergraduate students of different disciplines and even plus two students should find the book quite useful and interesting. As acquiring communication skills is a must in today's extremely competitive world, this book would do wonders to the student as well as the lay reader.

The Taste of Ashes Marci Shore, 2013-01-15 An inventive, wholly original look at the complex psyche of Eastern Europe in the wake of the revolutions of 1989 and the opening of the communist archives. In the tradition of Timothy Garton Ash's *The File*, Yale historian and prize-winning author Marci Shore draws upon intimate understanding to illuminate the afterlife of totalitarianism. *The Taste of Ashes* spans from Berlin to Moscow, moving from Vienna in Europe's west through Prague, Bratislava, Warsaw and Bucharest to Vilnius and Kiev in the post-communist east. The result is a shimmering literary examination of the ghost of communism – no longer Marx's "specter to come" but a haunting presence of the past. Marci Shore builds her history around people she came to know over the course of the two decades since communism came to an end in Eastern Europe: her colleagues and friends, once-communists and once-dissidents, the accusers and the accused, the interrogators and the interrogated, Zionists, Bundists, Stalinists and their children and grandchildren. For them, the post-communist moment has not closed but rather has summoned up the past: revolution in 1968, Stalinism, the Second World War, the Holocaust. The end of communism had a dark side. As Shore pulls the reader into her journey of discovery, reading the archival records of people who are themselves confronting the traumas of former lives, she reveals the intertwining of the personal and the political, of love and cruelty, of intimacy and betrayal. The result is a lyrical, touching, and sometimes heartbreaking, portrayal of how history moves and what history means.

The Widower's Son Alan Sillitoe, 2016-05-17 Raised by a career soldier, a working class Englishman tries to find his place—both in and out of uniform—in this compelling novel of love and war. Charlie Scorton sees his best friend killed beside him in the mine, and resolves to join the army. His father throws him out for deserting the coal miner's life, but Charlie never looks back. For twenty-four years, he roams the empire, a king's soldier who is finally left with no choice but to come home. He has a child, his wife dies, and the old soldier dedicates himself to raising his boy. Charlie trains his son, William, to be an artilleryman from birth. William finds a home in the army, the sort he has always longed for, and makes his mark during World War II, performing heroically during the retreat at Dunkirk, risking his life to save thousands. But soon, he will be forced to answer the question his father never could: What does a soldier do when war is over? Alan Sillitoe, the bestselling author of *The Loneliness of the Long-Distance Runner*, examines where the fight ends and life begins for a soldier in this story of love and war, and the blurred lines between them.

Oats in the North, Wheat from the South Regula Ysewijn, 2020-04-15 *Oats in the North, Wheat from the South* is a guided tour of Great Britain's baking heritage. Each of the timeless recipes is accompanied by stories of the landscape, legends and traditions of Great Britain, from Saffron cake, Cornish pasties, Welsh Bara brith, Shrewsbury cakes and Isle of Wight doughnuts to tarts, oatcakes, gingerbreads, traditional loaves, buns and bread rolls such as Aberdeen butteries and Kentish huffkins. Regula shows us how the diverse climate of the British Isles influenced the growth of cereal crops and the development of a rich regional baking identity. She explains how imports of spices, sugar, treacle, fortified wines and citrus added flavour, colour and warmth to a baking culture much adored and replicated all over the world.

The Nightwalker Diane Guest, 1993 Something, somewhere, is casting terror over Clairemont House, a terror which only Gillian can dispel, yet threatens her with a vengeful death. By the author of *Forbidden garden*, and *Lullaby*.

The New International Webster's Pocket Reference Library: The new international Webster's pocket business dictionary of the English language, 2002

Writing on the Walls at Night Claudia Serea, 2022-02-15 In this new collection of prose poems, Claudia Serea uses surrealism, irony, and black humor to express her experiences, from growing up behind the Iron Curtain to immigrating to New York City. The first section of the book, *There Were No Magic Beans*, recalls her childhood in Romania under Nicolae

Ceaușescu's rule, a world in which terror mixes with fairy tales, nightmares, and dreams. The second section, *The Keepers of Moon Keys*, introduces a cast of peculiar characters, including folk tale protagonists, witches, ghosts, a collector of clouds, a bone music maker, a man who paints the time, and the Lord of Meanwhile. In *Dark Calligraphy*, the poet conjures history, remembering war and oppression through the eyes of a child. The reader is guided by a little girl and a museum custodian through the great traumas of recent history. In the last section of the book, *The Russian Hat*, Serea transports the reader into a metropolis as strange as the past she carries with her, to the museum of our lives, where we are the curators, the visitors, and the paintings that paint themselves. This astonishing place vaguely resembles New York City distorted by memories and dreams, but it might as well be Las Vegas where what happens in the poem stays in the poem. In this collection, Serea's readers win pound after pound of shiny poems, the magical beans they will use to escape again and again, discovering hidden meanings with surprise and delight in each new reading.

Praise the Unburied Clara Burghilea, 2021-10-11 This is Clara Burghilea's second full collection of poetry. Clara is a Romanian-born poet with an MFA in Poetry from Adelphi University. Recipient of the Robert Muroff Poetry Award, her poems and translations appeared in *Ambit*, *Waxwing*, *The Cortland Review* and elsewhere. Her collection *The Flavor of The Other* was published in 2020 with Dos Madres Press. She is the Translation/International Poetry Editor of *The Blue Nib Literary Magazine*.

Green Horses on the Walls Cristina A. Bejan, 2020-05-22 Cristina A. Bejan is a spoken word poet based in Denver, CO. *Green Horses on the Walls* is about her Romanian heritage, the inherited trauma of communism, love, mental health and sexual assault.
