Mark O'Shea

Introducing Shakespeare Nick Groom,2014-12-01 Shakespeare's absolute pre-eminence is simply unparalleled. His plays pack theatres and provide Hollywood with block-buster scripts; his works inspire mountains of scholarship and criticism every year. He has given us many of the very words we speak, and even some of the thoughts we think. Nick Groom and Piero explore how Shakespeare became so famous and influential, and why he is still widely considered the greatest writer ever. They investigate how the Bard has been worshiped at different times and in different places, used and abused to cultural and political ends, and the roots of intense controversies which have surrounded his work. Much more than a biography or a guide to his plays and sonnets, *Introducing Shakespeare* is a tour through the world of Will and concludes that even after centuries, Shakespeare remains the battlefield on which our very comprehension of humanity is being fought out.

Rural Production and Development Canada. Commission of Conservation,1917

Angels and Demons in Art Rosa Giorgi,2005 This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the *Guide to Imagery* series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism.

Overcoming School Refusal Joanne Garfi,2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

U.S. Department of the Interior, Office of Surface Mining United States. Office of Surface Mining Reclamation and Enforcement,1994

Treasure of Khan Clive Cussler,Dirk Cussler,2006-11-28 Oceanic explorers Dirk Pitt and Al Giordino find intrigue, adventure, and peril while collecting clues to the mysterious treasure of Xanadu, the famed capital of Kublai Khan's empire. When Dirk Pitt is nearly killed rescuing an oil survey team from a freak wave on Russia's Lake Baikal, it appears a simple act of nature. But when the survey team is abducted and Pitt's research vessel nearly sunk, it becomes clear this is no run of bad luck, but the influence of something, or someone, more sinister. In fact, Pitt and the NUMA crew have inadvertently stepped between a Mongolian tycoon and his plans to corner the global oil market, beginning with covert negotiations in China. To ensure the deal goes through, this mysterious businessman will encourage ever-escalating acts of sabotage and violence. Pitt and Giordino soon learn the magnate's fury and his power both stem from the same source: a dark secret about Genghis Khan, the greatest conqueror the world has ever known. To Pitt and Giordino the famed Khan's empire is nearly the stuff of legend and his tomb a forgotten mystery. But the Khan's legacy is very real. And it's the treasure of his grandson Kublai Khan that holds the key to stopping this modern-day oil baron from restoring the conquests of his ancestors. That is, if Pitt and Giordino get there first....

The Husbands Sharmila Chauhan,2014-07-23 It's Aya's wedding day. Her third. Her current two husbands aren't too fussed. In a society in which there are few women, that's just what happens. But as the household prepares for the wedding feast, a stranger arrives – one who threatens to challenge everything they believe in. Against a backdrop of modern rural India, Sharmila Chauhan weaves an extraordinary tale of love and wonder. From the preparation of luxury food and the sacrifice of the lamb to the dressing of the bride and the dance to end all dances, this will be an exuberant, joyful and challenging piece of theatre. 'In parts of India, polyandry has become a necessity. Gendercide, as a consequence of the ancient preference for boys, the modern desire for smaller families and the increasing availability of ultrasound techniques to detect the gender of a baby still in the womb means that the number of females is declining. I wrote *The Husbands* both as a response to this but also as an exploration of the complexity of love, intimacy and trust between one woman and three men where gender differences and expectations are amplified. In a sense this play is as much a warning as an allegory for the fate of women in The West today.' - Sharmila Chauhan

Boas and Pythons of the World Mark O'Shea,2011 Renowned snake expert Mark O'Shea takes readers on an exciting continent-by-continent journey to look at these snakes in their native habitats. Stunning color photographs and intriguing stories from O'Shea's encounters with these snakes in the wild bring these reptiles to life -- from cover.

The German Refugees Johann Wolfgang von Goethe,2006 A new translation by an award winning translator rescues Goethe's collection of stories, modelled on the *Decameron*, from being out of print in English. A family of German nobles have been forced from their home on the left bank of the Rhine by the French Revolution. Their peace is further disrupted by the arguments between the young Karl, a supporter of the ideals of the revolution, and the other men. The Baroness saves the family situation by suggesting they amuse each other by telling stories. There are seven in all: two short ghost stories, two amorous anecdotes and two more substantial moral tales, the whole being concluded with Goethe's richly worked, fantastic, symbolic, allegorical 'Fairy Tale'. *The German Refugees* was first published in 1795.--BOOK JACKET.

A PRACTICAL COURSE IN EFFECTIVE ENGLISH SPEAKING SKILLS J. K. GANGAL,2012-05-16 A sequel to the author's well received book *A Practical Course in Spoken English*, this comprehensive yet compact book provides a practical course for enhancing one's English speaking skills. Divided into six parts and 44 chapters, the book in Part I—The Knowledge Paradigm: The What and Why of Effective Speaking—discusses, among others, about phonetics and phonology, the phonemes, and stress and intonation. Part II—The Skill Paradigm A—Public Speaking Skills—covers such areas as using the 4Rs for effective speaking, combating stage fear, using audio-visual aids, and non-verbal communication. Part III—The Skill Paradigm B—Communicating with People—deals with such topics as making effective telephone calls, celebrating teacher's day, expressing gratitude, participating in group discussions, and participating in TV/radio debate. Part IV—Further Strengthening Your Communication Skills—is devoted to a study of rein-forcing the reader's vocabulary through such means as using phrasal verbs, linking words, consulting the Ready Reference Wordbook, and

frequently used foreign words and phrases. The final two parts—Part V, The Desire to Achieve: Getting Motivated, and Part VI, Effective English Speaking Skills in Action—provide the meaning and techniques of self-motivation, evaluating daily progress, besides giving some memorable speeches delivered by great speakers like Pandit Jawaharlal Nehru, US Presidents Kennedy and Lincoln, and the civil rights activist, Martin Luther King. The book, written in an accessible and student-friendly manner, is meant for anyone who possesses a fair amount of English speaking skills but wishes to further enhance those skills. Undergraduate students of different disciplines and even plus two students should find the book quite useful and interesting. As acquiring communication skills is a must in today's extremely competitive world, this book would do wonders to the student as well as the lay reader.

Historicizing Race Marius Turda, Maria Sophia Quine, 2018-02-22 The idea of race may be outdated, as many commentators and scholars, working in a broad range of different fields in the sciences and humanities, have argued over many years. Nevertheless, it remains one of the most persistent forms of human classification. Theories of race primitivism (the idea that there is a 'natural' racial hierarchy and ranking order of 'inferior' and 'superior' races), race biologism (the belief that people can be classified by genetic features which are shared by members of racial groups), and race essentialism (the notion that races can be defined by scientifically identifiable and verifiable cultural and physical characteristics) are deeply embedded in modern history, culture and politics. Historicizing Race offers a new understanding of this reality by exploring the interconnectedness of scientific, cultural and political strands of racial thought in Europe and elsewhere. It re-conceptualises the idea of race by unearthing various historical traditions that continue to inform not only current debates about individual and collective identities, but also national and international politics. In a concise format, accessible to students and scholars alike, the authors draw out some of the reasons why race-centred thinking has, in recent years, re-emerged in such shocking and explicit form in current populist, xenophobic, and anti-immigration movements.

Out of India Jamila Gavin, 2002 'I am truly a child of both countries and both cultures.' Born to an Indian father and an English mother, Jamila Gavin's childhood was divided between two worlds. Her earliest memories are of India, where she lived in a crumbling palace built for a prince, and learned to steal sugar cane and suck mangoes. But she would spend much of her childhood in England, where she picked blackberries, got chilblains, and learned to recognise doodlebug bombs. And between the two there were unforgettable journeys, by bullock carts and tongas, crowded trains and romantic P&O liners. A touching and very personal recollection, with a backdrop of world-shaking events, from the Blitz of World War II to the struggle for Indian independence and the assassination of Gandhi. Illustrated with the author's own delightful photographs.

Rural Tourism in Europe World Tourism Organization, 2004 With an expected growth rate of around 6 per cent rural tourism is developing faster than the overall growth rate for international tourism arrivals. Due to its special importance for the European region, three seminars were held in Belgrade (Serbia), Kielce (Poland) and Yaremcha (Ukraine) to focus on three major issues: to contribute to a better understanding of rural tourism and to offer additional tools for planning and execution of initiatives; to enhance the importance of rural tourism in the agendas of governments and international organizations; to generate political and financial support for the development of rural tourism. (WTO)

Infrastructure for Rural Development V. Basil Hans, 2020-11-01 Dr V Basil Hans MA, MPhil, PhD is Associate Professor and Head, Dept of Economics and dean Faculty of Arts, St Aloysius Evening College, Mangalore. He has more than 30 years of teaching experience at UG and PG levels. Dr Hans has guided six MPhil and three PhD candidates successfully. He is an editor/reviewer for 31 journals. He has authored 18 books, edited 7 volumes and written 212 articles. He has presented 82 papers in national seminars and 12 in international conferences. His forthcoming book is on sanitation culture in India.

LEGO City: Santa Surprise Activity Book LEGO® CITY, 2017-10-19 It's Christmas time in LEGO CITY! Join the citizens in their Christmas preparations and help Santa get ready for the big day! This wonderful Christmas-themed LEGO activity book is complete with cool comics, awesome activities and a brilliant Santa Claus minifigure to add to every LEGO fan's collection.

Gandhian Constitution for Free India Shriman Narayan, 1946

Adele Sean Smith, 2016-11-17 Adele touches the hearts of millions of people who love her for her music and share the real and honest emotion she brings to each and every song. In a cynical age, she is a phenomenon.

Social Marketing for Public Health Hong Cheng, Philip Kotler, Nancy Lee, 2011 Social Marketing for Public Health: Global Trends and Success Stories explores how traditional marketing principles and techniques are being used to increase the effectiveness of public health programs-around the world. While addressing the global issues and trends in social marketing, the book highlights successful health behavior change campaigns launched by governments, by a combination of governments, NGOs, and businesses, or by citizens themselves in 15 countries of five continents. Each chapter examines a unique, current success story, ranging from anti-smoking campaigns to HIV-AIDS prev

Salt Affected Soils : Reclamation And Management S. K. Gupta, I. C. Gupta, 2014-01-01 This book will be immensely useful to researchers, teachers and students, officers of command area development authorities, extension workers and above all the farming community of India. Any progress made in land reclamation programs with the help of this book will give us immense satisfaction.

Conduction of Heat in Solids Horatio Scott Carslaw, J. C. Jaeger, 1971

The Top Books of the Year Produepoze Marihunting Unlimited 3 1.jpg The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Produepoze Marihunting Unlimited 3 1.jpg : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek

mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
