Silence Erling Kagge, 2017-11-21 What is silence? Where can it be found? Why is it now more important than ever? In 1993, Norwegian explorer Erling Kagge spent fifty days walking solo across Antarctica, becoming the first person to reach the South Pole alone, accompanied only by a radio whose batteries he had removed before setting out. In this book, an astonishing and transformative meditation, Kagge explores the silence around us, the silence within us, and the silence we must create. By recounting his own experiences and discussing the observations of poets, artists, and explorers, Kagge shows us why silence is essential to sanity and happiness—and how it can open doors to wonder and gratitude. (With full-color photographs throughout.)

Romanian cultural resolution Adrian Bojenoiu, Alexandru Niculescu, 2011 This volume examines Romania's political and social transition from communism to democracy through the lens of its contemporary art of the past 20 years. Conceived as a kind of cultural manifesto or resolution, it analyzes this period and the conception of postcommunism through the work of 26 artists and writers.

Yarn Texturing Technology J. W. S. Hearle, L. Hollick, D. K. Wilson, 2001-10-09 Texturing is increasingly important in textile production, not only in yarns for weaving and knitting fashion products, but also for carpets, furnishing fabrics and a variety of technical textiles. This book covers all the major techniques including twist-texturing, jet-screen texturing, false-twist process, BCF processes and air-jet texturing in detail. Combining a comprehensive review of the physics and chemistry of texturing with a thorough, illustrated description of current practice, this book is invaluable for yarn and fabric

manufacturers, textile scientists and students on textile science and technology courses.

**A Short History of Astronomy** Arthur Berry, 2019-11-27 This book provides an overview of the development of astronomy from ancient times to the modern era. The book covers the major discoveries and theories of influential figures like Copernicus, Galileo, Kepler, and Newton, as well as post-Newtonian achievements and the study of interstellar space. It also provides insight into the history of astronomy, including detailed discussions of key concepts and major advancements.

W.I.T.C.H.: The Graphic Novel, Part II. Nerissa's Revenge, Vol. 2 Disney, 2018-01-30 Desperate to reclaim the power of the Heart of Kandarakar, Nerissa and her Knights of Vengeance put their schemes into motion, and the W.I.T.C.H. girls and their friends won't escape unscathed... Will this be their first true failure as Guardians?

*Willem Van de Velde & Son* Jeroen van der Vliet, 2021 Around 1600, trade and shipping flourished in the Northern Netherlands as never before. This activity of ships on the water and in the many ports was a new, inexhaustible source of inspiration for painters who chose the sea as their subject. Among these marine painters were father and son Willem van de Velde. They worked closely together for over fifty years, first from their Amsterdam shop and from 1672 at the court of the English kings Charles II and James II. With their eye for detail and entrepreneurial talent, they became the most prominent marine painters of the seventeenth century. Their studio has existed for over fifty years. Their productivity in that period was unprecedented, they made an estimated 2500 drawings and 800 paintings. Their works of art can now be found in the collections of all major museums in the world. The work of the Van de Veldes symbolizes the heyday of Dutch marine painting. Their departure to England in the winter of 1672 also marked the end of a period in which Dutch marine painters, like the war fleet they depicted throughout their lives, ruled in an artistic sense. Exhibition: Het Scheepvaartmuseum, Amsterdam, the Netherlands (1.10.2021-27.3.2022).

Berta Isla Javier Marías, 2019-08-06 From the award-winning, internationally best-selling Spanish writer, author of *The Infatuations*, comes a gripping new novel of intrigue and missed chances--at once a spy story and a profound examination of a marriage founded on secrets and lies. When Berta Isla was a schoolgirl, she decided she would marry Tomás Nevinson--the dashing half-Spanish, half-English boy in her class with an extraordinary gift for languages. But when Tomás returns to Madrid from his studies at Oxford, he is a changed man. Unbeknownst to her, he has been approached by an agent from the British intelligence services, and he has unwittingly set in motion events that will derail

forever the life they had planned. With peerless insight into the most shadowed corners of the human soul, Marías plunges the reader into the growing chasm between Berta and Tomás and the decisions that irreversibly change the course of the couple's fate. *Berta Isla* is a novel of love and truth, fear and secrecy, buried identities, and the destinies we bring upon ourselves.

*Modern Art* Hans Werner Holzwarth, Laszlo Taschen, 2016 Over 200 paintings, sculptures, photographs, and conceptual pieces trace the story of modern art's innovation and adventure. With explanatory texts for each work, and essays introducing each of the major modern movements, this is an authoritative overview of the ideas and the artworks that shook up standards, assaulted the establishment, and...

*Sin Eater* Megan Campisi, 2020-04-07 “For fans of *The Handmaid’s Tale*...a debut novel with a dark setting and an unforgettable heroine...is a riveting depiction of hard-won female empowerment” (The Washington Post). The Sin Eater walks among us, unseen, unheard Sins of our flesh become sins of Hers Following Her to the grave, unseen, unheard The Sin Eater Walks Among Us. For the crime of stealing bread, fourteen-year-old May receives a life sentence: she must become a Sin Eater—a shunned woman, brutally marked, whose fate is to hear the final confessions of the dying, eat ritual foods symbolizing their sins as a funeral rite, and thereby shoulder their transgressions to grant their souls access to heaven. Orphaned and friendless, apprenticed to an older Sin Eater who cannot speak to her, May must make her way in a dangerous and cruel world she barely understands. When a deer heart appears on the coffin of a royal governess who did not confess to the dreadful sin it represents, the older Sin Eater refuses to eat it. She is taken to prison, tortured, and killed. To avenge her death, May must find out who placed the deer heart on the coffin and why. “Very much reminiscent of *The Handmaid’s Tale*...it transcends its historical roots to give us a modern heroine” (Kirkus Reviews). “A novel as strange as it is captivating” (BuzzFeed), The Sin Eater “is a treat for fans of feminist speculative fiction” (Publishers Weekly) and “exactly what historical fiction lovers have unknowingly craved” (New York Journal of Books).

#### **100 Prison Meditations: Cries of Truth From Behind the Iron Curtain** Richard

Wurmbrand, 2022-07-20 Pastor Richard Wurmbrand was imprisoned for a total of 14 years by Communists in Romania. During three years in solitary confinement, he pondered the truths of Scripture, writing and committing to memory hundreds of sermons.

*Speculators and Slaves* Michael Tadman, 1996 Drawing heavily on primary sources, Tadman (economic and social history, U. of Liverpool) reconstructs the scale and organization of the

interregional slave trade, and interprets the significance of slave sales and forced family separations for the values and cultures of masters and slaves. He suggests not a smooth process of accommodation, but a situation of essentially conflicting worlds. Annotation copyrighted by Book News, Inc., Portland, OR

*The right choice*, Hanna Lee Hanna Lee, The perfect relationship between a man and a woman is a fantasy. Or at least that's what Anne thinks, living her life with a man who offers her stability, but not passion. The affinity for a distant country takes her to a place where fate takes shape, and reality changes depending on the choices you make. True love is what calls her, in the form of a handsome man. A man convinced that she is the right choice for his heart.

*Amalia - The Diary of Love* - Liza Karan,2018-11-05 Once, in an interview, I was asked how I would describe this book. I said that Amalia is, first of all, an initiative journey. Meet Zain, an older man of a culture and a religion different from hers. The heroine moves from an adolescent to a woman, finding out the meaning of love, passion, anger, jealousy, forgiveness and resignation. Amalia is also a tribute to all the women out there. A tribute to those who, in the name of love, give their soul and body and are willing to sacrifice and compromise for the man they love, but they also have the power to rise when they feel are betrayed, lied to, deceived in their expectations and, without any regrets, can start over. Even if it's a fiction, Amalia is the real story of each of us.

English for Everyone Junior 5 Words a Day DK,2021-03-04 PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. The perfect introduction to English vocabulary for children aged 6-9 as they take the first steps towards learning English as a foreign language. This beautifully illustrated vocabulary ebook for children introduces your child to the essentials of English vocabulary. English for Everyone Junior: 5 Words a Day presents your child with 5 new words to learn and practise each day for four days, then tests these words through a variety of engaging exercises on day five. Over the course of one year, your child will build up a vocabulary of more than 1,000 commonly used English words. All the vocabulary is sorted into themes that reflect children's everyday lives (such as toys, clothes, and food), and each set of words is accompanied by a beautiful illustration that helps your child to fix those words in their memory. The daily test yourself practice utilizes cleverly designed flaps which hide the words your child has just learned. English for Everyone Junior: 5 Words a Day provides the necessary foundation for children who are about to start studying English at school, as well as solid support for those who are already learning the language.

English for Everyone Junior: 5 Words a Day covers the vocabulary used in the Cambridge Young Learners Exams and more, and corresponds to bands pre-A1 through to A2 on the Common European Framework of Reference for Languages (CEFR).

**Petunia** Roger Duvoisin,2015-03-10 For use in schools and libraries only. When Roger Duvoisin first introduced children to his proud and silly goose, Petunia, in 1950, it was love at first sight. Those children have grown up, but Petunia is every bit as fresh and funny and muddled as the day she was born. In this, the first of the series of classic books featuring the silly goose, Petunia finds a book--and, deciding that if she owns a book she must be wise, dispenses hilariously mistaken advice to the other animals in the farmyard. With its gentle lesson and the kind of humor that kids love best, this new edition of a picture book classic will delight and inspire a whole new generation of readers.
