God, Medicine, and Miracles Dr. Daniel Fountain,2000-03-07 Have you ever gone into a doctor's office and come out feeling like a laboratory project rather than a human being? This book offers a refreshing perspective. In Dr. Daniel's forty years in the medical community, he has discovered an important truth: people find more complete healing when treated as integrated persons - with minds as well as bodies, emotions as well as muscles, spirits as well as skin. Through real-life stories and insightful studies, Fountain uses his experience to explore a balanced relationship between faith, medicine, and ultimate spiritual hope.

Faith, Healing, and Miracles Frederic Flach,2000 Examines documented miracles from the parting of the Red Sea to Lance Armstrong's victory over cancer, and explains how faith in God, prayer, and belief in angels can help people achieve mental, physical, and spiritual well-being.

God's Laws of Healing Frances Lange,2021-01-23 How do healing miracles happen? How do I pray for someone else to be healed? When does God heal? I prayed but I didn't get healed, why? The spirit realm is governed by laws, and healing miracles work according to those laws. In the Bible,

Jesus showed us the components to receive a miracle and revealed the things that can stop miracles from coming to pass. This book is based on Scripture and will bring revelation while providing tools for the practical application of God's healing laws to see your miracle manifest. In this guide you will find: The teaching of God's laws that govern healing miracles. An in depth look at the healing ministry of Jesus and how he ministered healing. A glimpse of the actual progression of a miracle in diagram and list view. Assessments to help determine where you are spiritually to receive your healing miracle. A daily spiritual prescription to see your healing miracle come to pass. Prayers for healing. Healing scriptures and faith declarations to speak for your healing. Bonus Content: An account of every healing Jesus performed in the gospels in one place for easy study. If you have heard teaching on faith and healing and still have trouble manifesting the promises of God, this book will take you deeper. Identify what blocks might be standing in the way of your miracle. Have you heard about faith but don't understand what faith is? Do you know if you are even in faith? You will get a better understanding through this book. Do you have trouble praying for your healing? The prayers and faith declarations included will be a tremendous help in this area.

It was a Miracle Kamila Blessing, 1999 In her opening chapter, Blessing unfolds her compelling personal experiences with prayer and healing and sets forth a solid biblical understanding of salvation as total healing and wholeness. She concludes her introduction with the words, There is no doubt Jesus did heal; there is no doubt that he commissioned his followers to do the same; there is also no doubt that you are invited to ask for healing. Each successive chapter brings that experience of salvation into today's world. Drawing from her years as a pastor and therapist, she narrates marvelous stories of how God is bringing healing miracles to her life and to the lives of persons she encounters. At the end of each chapter, Blessing suggests ways readers can seek God's healing power for their own lives.
