In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

Old Town Road Chris Molanphy,2023-10-06 In Old Town Road, Chris Molanphy considers Lil Nas X’s debut single as pop artifact, chart phenomenon, and cultural watershed. “Old Town Road” was more than a massive hit, with the most weeks at No. 1 in Billboard Hot 100 history. It is also a prism through which to track the evolution of popular music consumption and the ways race influences how the music industry categorizes songs and artists. By both lionizing and satirizing genre tropes—it’s a country song built from an alternative rock sample, a hip-hop song in which nobody raps, a comical song that transcends novelty, and a queer anthem—Lil Nas X troubles the very idea of genre. Ultimately, Molanphy shows how “Old Town Road” channeled decades of Americana to point the way toward our cultural future.
