Jesus, My Father, the CIA, and Me Ian Morgan Cron, 2011-06-06 A touching memoir of life with an alcoholic father who secretly works with the CIA, a dark pilgrimage through the valley of depression and addiction, and finding a faith to redeem and a strength to forgive. This is a record of my life as I remember it—but more importantly, as I felt it. At the age of sixteen, Ian Morgan Cron was told by his mother that his father, a motion picture executive, worked with the CIA in Europe. This astonishing revelation, coupled with his father's dark struggle with alcoholism, upended the world of a teenager struggling to become a man. Born into a family of privilege and power, Ian's life is populated with colorful people and stories as his father takes the family on a wild roller-coaster ride through wealth and poverty and back again. Decades later, as he faced his own personal demons, Ian realized that the only way to find peace was to voyage back through a painful childhood marked by extremes—privilege and poverty, violence and tenderness, truth and deceit—that he'd spent years trying to escape. A fast-paced, unique memoir about the power of forgiveness from the bestselling author of *The Road Back to You* Details his father's struggle with alcohol and Cron's own journey from addiction to twenty-three years of sobriety Encouragement to see God's redemptive power through life's struggles In this surprisingly funny and forgiving memoir, Ian reminds us that no matter how different the pieces may be, in the end we are all cut from the same cloth, stitched by faith into an exquisite quilt of grace.

Featuring: • A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. • A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact. • A struggling employee at a theme park of U.S. presidents who discovers that love can't be genetically modified. And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.
