He will never play as she did before illness ended her career and left her bitter and broken. But Beck is too scared to stand up to his mother, and tell her his true passion, which is composing his own music - because the least suggestion of rebellion on his part ends in violence. When Beck meets August, a girl full of life, energy and laughter, love begins to awaken within him and he glimpses a way to escape his painful existence. But dare he reach for it?
