Work Made Fun Gets Done! Bob Nelson,Mario Tamayo,2021-05-11 Bob Nelson, author of the multimillion-copy bestseller 1001 Ways to Reward Employees, and human performance expert Mario Tamayo offer hundreds of practical, creative tips for helping employees—and their managers—make work more fun. According to the employees that work for firms listed in Fortune's “100 Best Companies to Work for in America,” the most defining characteristic of these organizations is they are all “fun” places to work. Fun is the secret sauce every business needs to better engage and motivate its employees today. Work Made Fun Gets Done! gives readers simple, practical ideas for instantly bringing fun into their work and workplace. Based on examples from scores of companies like Zoom, Pinterest, Bank of America, Zappos, Honda, Microsoft, and many more, this book provides clear examples of exactly what managers and employees alike can do to lighten the tone in the work environment and allow employees to have more fun at work. From AAA's “Dump a Dog” program where workers can pass their least-wanted project on to their manager and Houzz's complimentary office slippers to CARFAX's themed-wardrobe Zoom meetings and Google's company-approved Nerf-gun battles and paper airplane contests, you'll find dozens of ideas you can immediately adapt and implement in your own workplace. Work and fun have typically been considered polar opposites, but this book proves they can be integrated in ways that produce more motivated workers—and exceptional results.

Provoke: A Seaside Pictures Novella Rachel Van Dyken,2020-07-13 From New York Times and USA Today bestselling author Rachel Van Dyken comes a new story in her Seaside Pictures series... The music industry called me a savant at age sixteen when I uploaded my first video and gained instant fame. And then Drew Amherst of Adrenaline became my mentor, and my career took off. Everything was great. Until tragedy struck, and I wondered if I'd ever be able to perform again. I fought back, but all it took was a falling light to bring it all back to the fore. So, I walked away. Because I knew it wasn't just stage fright. It was so much more. The only problem? Drew and the guys are counting on me. If I can't combat the crippling anxiety threatening to kill me, I might lose more than I ever dreamed of. Enter Piper Rayne, life coach, with her bullshit about empowerment,

rainbows, and butterflies. She smiles all the damn time, and I'm ninety-nine percent sure there's not a problem she can't solve. Until me. She was given twenty-one days to fix me. To make me see what's important. What's real. The problem is, all I can see now is her. The sexy woman who pushes me. Provokes me. Only time will tell if she's able to do her job—and I can make her mine. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. Abandon: A Seaside Pictures Novella Rachel Van Dyken,2019-11-18 From New York Times and USA Today bestselling author Rachel Van Dyken comes a new story in her Seaside Pictures series... It's not every day you're slapped on stage by two different women you've been dating for the last year. I know what you're thinking. What sort of ballsy woman gets on stage and slaps a rockstar? Does nobody have self-control anymore? It may have been the talk of the Grammy's. Oh, yeah, forgot to mention that. I, Ty Cuban, was taken down by two psychotic women in front of the entire world. Lucky for us the audience thought it was part of the breakup song my band and I had just finished performing. I was thirty-three, hardly ready to settle down. Except now it's getting forced on me. Seaside, Oregon. My band mates were more than happy to settle down, dig their roots into the sand, and start popping out kids. Meanwhile I was still enjoying life. Until now. Until my forced hiatus teaching freaking guitar lessons at the local studio for the next two months. Part of my punishment, do something for the community while I think deep thoughts about all my life choices. Sixty days of hell. It doesn't help that the other volunteer is a past flame that literally looks at me as if I've sold my soul to the devil. She has the voice of an angel and looks to kill—I would know, because she looks ready to kill me every second of every day. I broke her heart when we were on tour together a decade ago. I'm ready to put the past behind us. She's ready to run me over with her car then stand on top of it and strum her guitar with glee. Sixty days. I can do anything for sixty days. Including making the sexy Von Abigail fall for me all over again. This time for good. Damn, maybe there's something in the water. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**
