**Backstage Pass** Paul Stanley,2019-04-30 NATIONAL BESTSELLER The New York Times bestselling author and front man and rhythm guitarist of KISS grants fans an all-access backstage pass to his personal life and shows them how to pursue a rock ‘n’ roll lifestyle of their own, offering hard-won advice from a music legend. In this follow-up to his popular bestseller Face the Music, the Starchild takes us behind the scenes, revealing what he’s learned from a lifetime as the driving force of KISS, and how he brings his unique sensibility not only to his music career but to every area of his life—from business to parenting to health and happiness. Backstage Pass takes you beyond the makeup as Paul shares fascinating details about his life—his fitness routine, philosophy, business principles, how he maintains his inspiration, passion, and joy after nearly 50 years of mega success including selling out tours, 100 million albums sold and an art career that has amassed over 10 million dollars in sales. Divulging more true stories of the Rock & Roll Hall of Famer’s relationships, hardships, and pivotal moments, it also contains intimate four-color, never-before-seen photos from Paul’s personal collection, and offers surprising lessons on the discipline and hard work that have made him one of the healthiest and most successful rock ‘n’ roll icons in history. This is the book for fans who love living large, but also want to take control and move ahead in everyday life. Paul shows you how you can rock ‘n’ roll all night and party every day—without missing a beat.

**The Fair Tax Book** Neal Boortz,John Linder,2009-03-17 Wouldn’t you love to abolish the IRS . . .Keep all the money in your paycheck . . .Pay taxes on what you spend, not what you earn . . .And eliminate all the fraud, hassle, and waste of our current system? Then the FairTax is for you. In the face of the outlandish American tax burden, talk-radio firebrand Neal Boortz and Congressman John Linder are leading the charge to phase out our current, unfair system and enact the FairTax Plan-replacing the federal income tax and withholding system with a simple 23 percent retail sales tax. This dramatic revision of the current system, which would eliminate the reviled IRS, has already caught fire in the American heartland, with more than 600,000 taxpayers signing on in support of the plan. As Boortz and Linder reveal in this first book on the FairTax, this radical but eminently sensible plan would end the annual national nightmare of filing income tax returns, while at the same time enlarging the federal tax base by collecting sales tax from every retail consumer in the country. The FairTax, they argue, would transform the fearsome bureaucracy of the IRS into a more transparent, accountable—and equitable—tax collection system. Endorsed by scores of leading economists—and supported by a huge and growing grassroots movement—the FairTax Plan could revolutionize the way America pays for itself.
