The Kama Sutra of Vatsyayana Mallanaga Vatsyayana, 2021-04-15 The Kama Sutra of Vatsyayana by Vatsyayana The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vātsyāyana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. Kāma which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and sūtra literally means a thread or line that holds things together, and more metaphorically refers to an aphorism or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, the Kama Sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life, and other aspects pertaining to pleasure-oriented faculties

of human life. The Kama Sutra does reveal that Vatsyayana lived the life of a religious student, likely in Benares, and spent his time engaged in the contemplation of the highest Deity. Scholars believe that the tone Vatsyayana takes towards youth in the Kama Sutra suggests that he likely spent many years studying religion before beginning his life's work compiling the wisdom of the sages. Indeed, Vatsyayana was less of a groundbreaking philosopher and apparently more of a diligent academician. Besides transcribing the Kama Sutra more than 300 years after the Shastras had already been passed down, he also transcribed the Nyaya Sutras, an ancient Indian text of philosophy that was composed by the buddha Gotama in the 2nd century B.C. Whereas the Kama Sutra tackles kama (or sensual pleasures), the Nyaya Sutra delineates paths for achieving moksha, or spiritual liberation from the cycle of birth and death.

Kama Sutra Sex Positions Riley Ashwood, 2021-02-13 ★ 55% OFF for Bookstores! NOW at \$ 32.97 instead of \$ 41.97! ★ Do you want to know everything about Kama sutra? Your Customers Will Never Stop To Use This Amazing Guide! In this book, we'll explore the ideas of Kama Sutra and discover how it can re-connect you with one another, through that invisible umbilical cord that mutually and continually feeds you and your relationship. We'll find out how that existing connection can be the source of renewed sexual joy in your relationship; how it can make the difference between a long-term live-in friendship, and a vibrant, life-long sexual relationship between committed lovers and partners. Being in a committed, loving relationship always seem so easy and natural when we first set our feet on the path. Hand in hand, we walk into the future as a couple, swept away in our love for one another; believing that forever isn't such a long time in the company of the one we adore. But life in a long-term romantic relationship isn't as easy as many of us have been led to believe. It's not just about the compromise, listening and understanding. Let's be honest and admit that it's also about the sex. Sexuality in a long-term relationship

or marriage can dwindle over the years. If we have children, their arrival can change the nature of our sexuality. First and foremost is the inevitable transformation of our roles from life-long lovers to parents and guardians. There's also the stress of child-rearing. The baby who won't go to sleep. The dirty nappies. The shift of focus from each other to the new life that demands our care and attention. Some say sexuality between long-time partners can be re-ignited by spicing things up. Costumes, saucy talk and sex aids can come into play to perhaps make things more fun. But what's really at the basis of your love? What's really the true cornerstone of your relationship? Is there something deeper you can draw on as a resource to lift up your sexuality and make it as enduring as the love you share? It can be hard to believe that your sex life can be improved and changed by words written in a text, but it can. In fact, improving your sex life can be done without help at all, but you need to know yourself 100% if you ever expect to please someone else (inside and outside of the bedroom). There are so many ways in which each of us are pleased via sexually. Finding out what pleases each and every one of us is the difficult part. The Kama Sutra states that all of us can find pleasure and desire in one another, but only if certain factors are taken into account. This book covers: Is Sexual Compatibility important? Overcome sexual anxiety, shyness and insecurity Turn a boring relationship in an exciting couple game The Top sexual fantasies revealed How to create the right intimacy The best sex positions for couples Increase sexual passion with dirty sexy games Top foods to enhance stamina and libido in your sex With this book, you will be able to identify and implement steps that will change the way you look at yourself, life and sex. You will feel born again with the willingness and want to change or start anew. Having a great sex life isn't just a fairytale or something you see in movies or pornography. A great sex life is achieved by hard work on your part and life changing practices that are kept up with throughout your life. Nothing in life is easy and this is no exception to that.
