Why Cats are Assholes Liz Miele,2021-03-30 Most people love cats. They’re fluffy, playful, and can be a joy to have as a companion. However, they can also be huge assholes. So what can you do? How do you deal with a roommate who always seems to be plotting to kill you? While we all love sharing adorable photos of kittens, these frisky felines are known more for marching to the beat of their own drum than abiding by the rules. From running around your home at two in the morning, knocking everything off your shelves, or taking up most of your bed, these furry critters can be immensely selfish and disrespectful to those who give them endless love and affection. Why Cats Are Assholes is up for such a challenge. From studying their history all the way back to ancient Egypt, comedian Liz Miele—the daughter of veterinarians—digests the cat psyche to try and understand why they do the things they do, and how we, as their loyal servants, can handle domestic bliss with them around. With the help of her cat Pasta, Miele breaks down the common behaviors of cats in an attempt to try and better understand their plan of attack (if there is one), as well as what we can do to better prepare ourselves. Whether you have one, two, or twelve fur babies, Why Cats Are Assholes is the ultimate guide to better understanding your pet’s behavior while taking back your home from these domesticated terrorists.

One of Those Days Yehuda Devir,Maya Devir,2020-11-10 Based on the wildly popular webcomic, One of Those Days chronicles the life and love of Yehuda and Maya Devir as they take on the minutiae of marriage, the ups and downs of daily life, and the paradigm shift of new parenthood. “Bursting with life . . . We get to know them through one-panel installments as though they’ve walked straight into the room, introduced themselves, and moved in.”—Kate Beaton, #1 New York Times bestselling author of Hark! A Vagrant Yehuda and Maya Devir began illustrating their life in comics when they moved into their first apartment together in Tel Aviv as newlyweds. In the years since, One of Those Days has become one of the biggest webcomics on the Internet, with millions of followers around the world. Yehuda Devir grew up on superhero comic books, and the Devirs’ visual style is downright kinetic and bursting with life. In this collection—the first time that the Devirs’ comics have been compiled in one volume—they share stories that are heartwarming, hilarious, and universally recognizable. So even for those who don’t feel like pulling out an assault rifle to wage war on a kitchen cockroach, the Devirs’ challenges and triumphs are instantly familiar to anyone who’s had one of those days.
