**Arrows Through Archer** Nash Summers,2019-02-06 After the loss of his parents, Archer Hart is consumed by grief. Each day, he struggles his way through classes, parties, and trying to put on a good front for the sake of his best friend. But at night, he falls asleep to the sound of gunshots ringing in his ears.Mallory is a man fighting a war of emotions all his own. When his son invites his best friend back home to Banff over a college break, he's happy for the company.Some time during the late-night talks, subtle smiles, and long, long silences, the two men begin to find solace in one another.But love isn't always easy, especially when it strikes you straight through the heart.---Arrows Through Archer is a slow-burn romance with an age difference, first times, a happy ending, and no cliff-hanger.Possible triggers/tags: grief, loss, age difference, family, mentions of suicide, recovery, hurt/comfort, homophobia
