Long Range C. J. Box,2020-03-03 Don't miss the JOE PICKETT series—now streaming on Paramount+ Wyoming game warden Joe Pickett must investigate an attempted murder—a crime committed from a confoundingly long distance—in this riveting novel from #1 New York Times bestselling author C.J. Box. When Joe Pickett is asked to join the rescue efforts for the victim of a startling grizzly attack, he reluctantly leaves his district behind. One survivor of the grizzly's rampage tells a bizarre story, but just as Joe begins to suspect the attack is not what it seems, he is brought home by an emergency on his own turf. Someone has targeted a prominent local judge, shooting at him from a seemingly impossible distance. While the judge was not hit, his wife is severely wounded, and it is up to Joe to find answers—and the shooter. The search for the would-be assassin becomes personal when Nate Romanowski and his young family are targeted by the mysterious shooter. Beset by threats both man-made and natural, the two men must go to great lengths to keep their loved ones safe. “Impressive precision and heart-gripping suspense....Good characters, an extra good story, and great scenes of life and death in the wilderness.”—New York Times Book Review

Treasure Box: Book 1 Maryknoll Sisters,2009-02 The Treasure Box books present a wonderful combination of fun, innocence and the Catholic Faith. They teach the Faith in a simple way, and they inspire children's hearts to love God. The pictures are truly beautiful, unlike the cartoon illustrations found in many children's books today. These books are full of Catholic doctrine, presented reverently and simply at a young child's level, in a manner to capture the child's interest and raise the heart to God.

You Can’t Eat Freedom Greta de Jong,2016-08-30 Two revolutions roiled the rural South after the mid-1960s: the political revolution wrought by the passage of civil rights legislation, and the ongoing economic revolution brought about by increasing agricultural mechanization. Political empowerment for black southerners coincided with the transformation of southern agriculture and the displacement of thousands of former sharecroppers from the land. Focusing on the plantation regions of Alabama, Louisiana, and Mississippi, Greta de Jong analyzes how social justice activists responded to mass unemployment by lobbying political leaders, initiating antipoverty projects, and forming cooperative enterprises that fostered economic and political autonomy, efforts that encountered strong opposition from free market proponents who opposed government action to solve the crisis. Making clear the relationship between the civil rights movement and the War on Poverty, this history of rural organizing shows how responses to labor displacement in the South shaped the experiences of other Americans who were affected by mass layoffs in the late twentieth century, shedding light on a debate that continues to reverberate today.
