Wise Quotes of Wisdom R.A. Wise,2011-08-09 The woman who raised me had many interesting sayings. Realizing that the wisdom of the universe was in those quotes, I set out to record as many of them as I could. The sources are many.

Gifted and Gone Carol Giles,2004-05 Gifted and Gone: Proverbs, Quotations, Sayings and More A collection of witty, humorous and philosophical quotes and sayings that encourage laughter and thought. The tongue weighs practically nothing, but so few people can hold it.--Unknown Some men want husband status while giving boyfriend service and vice versa.--R. Harris If you want a friend in Washington, go buy a dog.--Harry S. Truman If you can't pay for it, pay on it!--Old folks saying, submitted by Martha Giles We are fighting a deadly disease, AIDS. We're not fighting the people who have it or the people we think who might have it.--A Former Surgeon General, from a lecture on AIDS Reader's Comments: Gifted and Gone is a collection of humorous and thought-provoking quotes about all aspects of human life. Ms. Giles has captured a variety of emotions. This book could be used as a daily devotional or as a writing prompt.--David Vaughan, English teacher, Collins High School The reading of this book will cause the reader to laugh, do good unto others, think things through clearly and hopefully make positive decisions. It can be used as a guide or reference for all people.--Mrs. Rogers-Clay, veteran Chicago Public School teacher In my 14 years or practice, I have learned a great deal from my patients. I think Carol Giles has taught me more than any. You should listen to her.--John G. Lease, M.D., F.A.C.S.

Wise Words to Ponder Eric Wei,2020-08-14 "When reading through Wise Words to Ponder, you will ponder at the depth of the philosophy, wisdom and humor Eric Wei has assembled. This is a truly enjoyable book." --- Pacific Book Review "This collection offers wisdom stemming from many different lives, along with humor and courage gleaned from the best of the past. Overall, this book is a great gift of wisdom, compassion, and truth for the darkest of times. Recommended." --- The US Review of Books A short saying can contain profound wisdom. A good quote often has a play of words and is short and crisp. More important, it should be inspirational and rich in wisdom and one which you can draw upon as you move on in life. If you like quotes, you will also like the uplifting verses collected in this book. It is hoped that this collection will be a useful companion that you can turn to for solace, encouragement, a change of perspective, or just for a laugh, or to pick a quote or verse to share with someone. In Eric Wei's first book, Lessons From Tales, he compiled short stories and jokes which we can learn something from. In this second book, he picked the best of the best quotes and verses savored from various sources. Eric loves quotes and verses which are rich in meaning. The sequel, More Wise Words To Ponder, is available

Wise Sayings Walter W. Moore,2012-01-03 The wise-sayers say you are what you think. If that's so, then the body is merely the transporter for the mind. The body does not last but the mind can. And that possibility could explain why so many of the ancient sayings apply to the today's world and possibly eternity. Take Aesop. He lived

620 - 560 BC. He said No act of kindness, no matter how small, is ever wasted. This is still a wise saying some 2600 years later. Back then the memory system was mental. Today, we have computers and a digital memory system. But our present society is built on a procession of thinking from many years past. The situation is succinctly expressed by William Feather (1889 - 1981) who said, The wisdom of the wise and the experience of the ages are preserved into perpetuity by a nation's proverbs, fables, folk sayings and quotations. Looking to the future, we appear to be poised for some great things. Preparing for the future, Walt Disney (1901 - 1966) said, Crowded classrooms and half-day sessions are a tragic waste of our greatest national resource --- the minds of our children and Nicholas Zaharis (1921 -) said Education is expensive but ignorance is more expensive. The intention of this manuscript is to educate, inspire and amuse. It is based on a thousand quotations by 400 astute individuals. Their occupations and claim to fame are discussed briefly. Many had multiple occupations. Most were philosophers, authors and writers. The author visualizes the contents as a source of ideas for advertising programs, for casual conversations and for meditative reading and thinking. It is sort of a table-top book that can be opened and read at random.

Wise Words of Wisdom Volume I R a Wise, 2019-07-19 The wisdom of the universe resides in the aged. Every day, when an old person dies, that information is gone forever. The most accurate, modern database of that knowledge lies within these pages. The sources are many. Over time society's values change; morals erode thru the aeons, only to be replaced with ethics more applicable to the struggles of today's modern humans. The words contained herein are meant to guide the reader to a destination befitting the unique individual, not to appease the masses; how to look inwards for answers, not outwards. Create a personal path only you can walk.

Book of Wise Sayings United States, W. A. Clouston, 2017-12 Book of Wise Sayings Selected Largely from Eastern Sources By W. A. Clouston OVER 508 WISE SAYINGS TO YOUR LIFE BY Cynics may ask, how many have profited by the innumerable proverbs and maxims of prudence which have been current in the world time out of mind? They will say that their only use is to repeat them after some unhappy wight has gone wrong. When, for instance, a man has

played ducks and drakes with his money, the fact at once calls up the proverb which declares that wilful waste leads to woful want; but did not the waster know this well-worn saying from his early years downwards? What good, then, did it do him? Again, how many have been benefited by the saying of the ancient Greek poet, that evil communications corrupt good manners?--albeit they had it frequently before them in their school copy-books. Are the maxims of morality useless, then, because they are so much disregarded?

Book of Wise Sayings United States,W. A. Clouston,2018-07-30 Book of Wise Sayings: Large Print by W. A. Clouston When a man has reached middle-age he generally feels with tenfold force the truth of those sayings of the wise which he learned in his early years, and has cause to regret, as well as wonder, that he had not all along followed their wholesome teaching. For it is to the young, who are about to cross the threshold of active life, that such terse convincing sentences are more especially addressed, and, spite of the proverbial heedlessness of youth, there will be found many who are not deaf to this kind of instruction, if their moral environment be favourable. But, even after the spring-time of youth is past, there are occasions when the mind is peculiarly susceptible to the force of a pithy maxim, which may tend to the reforming of one's way of life. There is commonly more practical wisdom in a striking aphorism than in a round dozen of goody books--that is to say, books which are not good in the highest sense, because their themes are overlaid with commonplace and wearisome reflections. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
