*Sunni Communities in the Islamic Republic of
Iran, 2013-2021* Hessam Habibi Doroh,2023-05-08
Sunni-Shia relations in Iran offer an analytical
guide for the interpretation of inequality,
securitization, and immigration. This book
reorients our understanding of contemporary Iran

by answering still unacknowledged questions: how is the relationship, the interaction and socio-political behaviour between the Islamic Republic and its Sunni minorities? Using unexamined sources and fieldwork, Hessam Habibi Doroh shows a clear insight into the life of Iranian Sunnis, their contention and cooperation with the state during Hasan Rouhani's presidency. Comparison with the wider region complements this nuanced portrayal of impacts of privatization, secularization, and securitization on the sectarian relations between the state and its minorities.

Allegiant Sara Mack, 2013-10-04 ** *Allegiant* by Sara Mack is the second novel in The Guardian Trilogy. It is not affiliated with the Divergent series by Veronica Roth. **Last summer, Emma discovered that true love never dies. It can return. It can give you hope. It can pull you from darkness. Until it's ripped from you. Again. As her 22nd birthday approaches, Emma Donohue finds herself back at school and utterly alone. Hours away from family and friends, her solitary days are spent contemplating what never should have been. James should never have died, but he did. He should never have been assigned as her Guardian, but he was. And she should never have allowed Dane to get too close to her heart. But she failed. Desperate to fill her time, Emma is intrigued by her mysterious new neighbor, Garrett.

She's never met anyone quite like him before, and, curious, she attempts to discover his past. Little does she know his presence will pull her into a world she could never imagine. A world that follows an ancient doctrine. A world built on loyalty, yet plagued by secrets and lies. A world that will threaten everything - and everyone - she loves. *Allegiant* is a new adult/college paranormal romance containing moderate language/mild innuendo. *Allegiant* is the second story in *The Guardian Trilogy*. The third novel, *Reborn*, is complete and due to be published in February 2014.
