### The Power of Slow Christine Louise

Hohlbaum, 2009-10-27 Overwhelmed by electronic gadgets? Buried under an avalanche of e-mails? Juggling too many tasks and responsibilities? Desperately in need of a deep breath and a time-out? For all of us who answer yes to any of these questions, help is on the way. Getting to the heart of our hassled and over-scheduled existence, Christine Louise Hohlbaum cheerfully investigates 101 ways to increase our quality of life and productivity by reevaluating how we perceive and use time. Everyone has

their own personal bank account of time, and while we cannot control time itself, we can manage the activities with which we fill the time we have available to us. The Power of Slow gives readers practical, concise directions to change the relationship they have with time and debunks the myths of multitasking, speed, and urgency as the only ways to efficiency. Tips include: · When working on a project on your computer, close all the windows, with the exception of the one you need to do your job. · Learn to say no in a polite and constructive way to favors, invitations, and requests. · Manage your own expectations, as well as those of others, by clearly stating what is possible in the time frame given. · Declare gadget-free zones (both geographical and temporal) to really enjoy your leisure time. · Know when your plate is full. · Make commitments to difficult tasks in five-minute increments and gradually increase the increments. · Save your most favorite or the easiest tasks for last to avoid procrastination. The Power of Slow will help readers identify areas in need of improvement and show them how to become more efficient and less frazzled at work and at home---and live a better, more balanced life.

*101 Biblical Words* Timothy J. Durden,2009-10 An ordained minister originally from the Church of God in Christ but now serving as a Pastor in ministry at Christ Assembly Fellowship. Born 9 of 13 brothers and sisters from the deep south of Georgia to the small alleys of Harrisburg, PA to the low income row homes of the projects it was not always easy ascertaining the Truth. My military career in the United States Navy of 24 years quickly exposed me to a myriad of truths and lies. My first experience concerning the Truth of Scripture was meticulously challenged while serving in the United States Navy. I met a Brother in Christ who was much older than I and who had good understanding and knowledge of the Scriptures. His understanding and knowledge was so good that at 19 years old he impressed me immensely. This Brother became my mentor and most definitely of his Bible knowledge. I did not solicit his guidance but it was one of those things that kept drawing me back to what he had to offer in the way of challenging my faith and Bible knowledge. I remember one question he put to me one day he asked what do you know about December 25th? My QUICK response was - of course - it is the birthday of our Lord and Saviour. But his reply seriously challenged and shattered EVERYTHING I believed. I did not speak to him for quite some time because my parents warned me about people like him. But there was that drawing and wanting to know the Truth that took me back to wanting to know his

views that subsequently started me on the path of seeking the knowledge of the Truth. I have not ceased since those days of digging up the Truth about God and His Holy Word.
