Memoirs of a Gigolo: My Early Years - Continued

Lord Christian Halliday, 2016-10-12 Once again your quest to discover how my life as a gigolo began is bound between two covers. And, yes, all of the personal memoirs I've recounted have occurred in my life exactly as described, yet ala Mr. Robert Leroy Ripley's famous words you may choose to "believe it or not." On the other hand, perhaps my book's provocative contents could prove a bit too much for you? While you're pondering that determination I'll reiterate that it was my mother whom envisioned my life should be lived as a gigolo and that my personal perception's always been that living such a carefree lifestyle could lead to a fascinatingly splendid life, one filled with fun, adventure, excitement, and more. Fortunately for all my perception has proven to be spot on, which I've now chosen to share with you. My first book introduced you to my very unique upbringing and development of a stellar

reputation. This novel, the second of my introductory trilogy, provides you with an even deeper level of insight. Thusly, if romance, intimacy and sensuality are all subject matters you find utterly captivating, then by all means please sally forth as I guarantee that your eyes will be opened wide and your imagination will find myriad new avenues to explore, along with intriguing places to visit and decadent experiences to revel in during your travels along the meandering, mesmerizing paths that compose these early memoirs of my life.

Air National Guard at 60 Susan Rosenfeld, Charles Joseph Gross, 2007 The Air National Guard's role within the Air Force has matured and changed enormously since its establishment as a separate reserve component September 18, 1947. Air National Guard members have served around the world and their military experience and civilian skills have proven invaluable as our nation prosecuted conflicts in Korea, Vietnam, the Persian Gulf, Kosovo, Afghanistan, and Iraq. They also served during several major contingencies including the Cuban Missile Crisis and the Berlin Crisis if 1961 and 1962. In addition, Air Guard members made major contributions in a host of other operations in Panama, the Balkans, Somalia, Rwanda, Haiti, and the Iraq no-fly zones instituted after Operation Desert Storm. In the United States, the Hurricane Katrina relief efforts brought into sharp focus the Air Guard's well-established role as America's hometown Air Force. The Air National Guard flew over 3,000 sorties, moved over 30,000 passengers, and hauled over 11,000 tons of desperately needed supplies into Gulf Coast airfields, some of which Guard personnel opened and operated. Air National Guard members rescued 1,443 people--heroically saving people stranded by the flood. At eight sites along the Gulf Coast, Air National Guard medical units treated more than 15,000 patients, combining expert medical care with compassion.
