The Warmth of Other Suns Isabel Wilkerson, 2011-10-04 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • In this beautifully written masterwork, the Pulitzer Prize–winner and bestselling author of *Caste* chronicles one of the great untold stories of American history: the decades-long migration of black citizens who fled the South for northern and western cities, in search of a better life. From 1915 to 1970, this exodus of almost six million people changed the face of America. Wilkerson compares this epic migration to the migrations of other peoples in history. She interviewed more than a thousand people, and gained access to new data and official records, to write this definitive and vividly dramatic account of how these American journeys unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career, which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an “unrecognized immigration” within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is destined to become a classic.

Becoming Eve Abby Stein, 2019-11-12 The powerful coming-of-age story of an ultra-Orthodox child who was born to become a rabbinic leader and instead became a woman Abby Stein was raised in a Hasidic Jewish community in Brooklyn, isolated in a culture that lives according to the laws and practices of eighteenth-century Eastern Europe, speaking only Yiddish and Hebrew and shunning modern life. Stein was born as the first son in a dynastic rabbinical family, poised to become a leader of the next generation of Hasidic Jews. But Abby felt certain at a young age that she was a girl. She suppressed her desire for a new body while looking for answers wherever she could find them, from forbidden religious texts to smuggled secular examinations of faith. Finally, she orchestrated a personal exodus from ultra-Orthodox manhood to mainstream femininity—a radical choice that forced her to leave her home, her family, her way of life. Powerful in the truths it reveals about biology, culture, faith, and identity, *Becoming Eve* poses the enduring question: How far will you go to become the person you were meant to be?

But as the only daughter in the most powerful tech family in the galaxy, it's hard to escape it. So when a group of men shows up at her house uninvited, she assumes it's just the usual media-grubs. That is, until shots are fired. Liddi escapes, only to be pulled into an interplanetary conspiracy more complex than she ever could have imagined. Her older brothers have been caught as well, trapped in the conduits between the planets. And when their captor implants a device in Liddi's vocal cords to monitor her speech, their lives are in her hands: One word, and her brothers are dead. Desperate to save her family from a desolate future, Liddi travels to another world, where she meets the one person who might have the skills to help her bring her eight brothers home—a handsome dignitary named Tiav. But without her voice, Liddi must use every bit of her strength and wit to convince Tiav that her mission is true. With the tenuous balance of the planets deeply intertwined with her brothers' survival, just how much is Liddi willing to sacrifice to bring them back? Chasing the Scream Johann Hari, 2015-01-20 The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. *Chasing the Scream* is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.

Crossing the Tiber Stephen K. Ray, 2011-02-16 An exhilarating conversion story of a devout Baptist who relates how he overcame his hostility to the Catholic Church by a combination of serious Bible study and vast research of the writings of the early Church Fathers. In addition to a moving account of their conversion that caused Ray and his wife to cross the Tiber to Rome, he offers an in-depth treatment of Baptism and the Eucharist in Scripture and the ancient Church. Thoroughly documented with hundreds of footnotes, this contains perhaps the most complete compilation of biblical and patristic quotations and commentary available on Baptism and the Eucharist, as well as a detailed analysis of *Sola Scriptura* and Tradition. This is really three books in one that offers not only a compelling conversion story, but documented facts that are likely to cinch many other conversions. - Karl Keating A very moving and astute story. I am enormously impressed with Ray's candor, courage and theological literacy. - Thomas Howard Stephen K. Ray was raised in a devout and loving Baptist family. His father was a deacon and Bible teacher, and Stephen was very involved in the Baptist Church as a teacher of Biblical studies. After an in-depth study of the writings of the Church Fathers, both Steve and his wife Janet converted to the Catholic Church. He is the host of the popular, award-winning film series on salvation history, *The Footprints of God*. Steve is also the author of the best-selling books *Upon This Rock*, and *St. John's Gospel*.
