As the daughter of the town slut, she clawed her way up from the bars of Bourbon Street to the Country Music Hall of Fame. She's America's sweetheart, darling of the media, and a multi-platinum star. But she has a secret. At the age of sixteen, she had a baby and gave him up for adoption because her boyfriend wasn't ready for fatherhood. Now she finds out that her precious baby boy has been living with his father from day one. Gabe Swanson is a Texas cattle baron riches-to-rags story. As the only son of the town's most prominent family, it was a huge blow when his father lost the family fortune in a ponzi scheme. Now, Gabe is land rich and cash poor. But he has his son and family is all that matters. When Betts moves back to the small town that shunned her, all hell breaks loose. She wants her son. Can Betts and Gabe leave their past in the rear view mirror so they can be a family? Getting Lucky: Lucky Strickland has lost everything. First it was her dignity and then it was her husband and now it's her house. She's penniless, stuck at the McDonalds in Bee Cave, Texas, and her only hope, her brother-in-law, just stole her car. Eighteen months ago, she was the wife of rock-and-roll legend, Ricky Strickland. Rock-My World, their reality TV show, was number one. Then, on the live season finale, Ricky introduced her to his mistress and their three daughters. Lucky stormed out. Ricky followed after her and wrapped his car around the nearest oak tree. Will Brodie, Lucky's bother-in-law, will do anything to get her back home. Lucky needs to grieve for her husband and take care of the lawsuit the realty TV network filed. They want their money back OR for her to film a new realty TV show—with Ricky's children. Two months ago, Ricky's daughters lost their mother to cancer—now they only have Will. If Will can get Lucky to open her heart to the girls and to him, maybe he can finally give Lucky the family she's always wanted. Sorry Charlie: International Bestselling Author Katie Graykowski comes a love story about friendship, laughter, and Louisiana politics. Charlotte Guidry, Charlie, is Louisiana royalty. Her father, The Honorable Thaddeus Thibodaux governor of the great state of Louisiana, is up for reelection and Charlie is in charge of his campaign. Wagner Scott will do anything to help his candidate, Jerome Breau, win the governorship including wining and dining the competition's campaign manager. It certainly isn't a hardship taking Charlie Guidry out on the town, in fact, he's enjoying this assignment. He's never met a woman quite like Charlie. She's anything but dull. Soon, she comes to mean more to him than just a means to an end. He

has feelings for her. Can he sacrifice everything he believes in for love? Can she forgive him?

The Three-Box Solution Vijay Govindarajan, 2016-04-26 How to Innovate and Execute Leaders already know that innovation calls for a different set of activities, skills, methods, metrics, mind-sets, and leadership approaches. And it is well understood that creating a new business and optimizing an already existing one are two fundamentally different management challenges. The real problem for leaders is doing both, simultaneously. How do you meet the performance requirements of the existing business—one that is still thriving—while dramatically reinventing it? How do you envision a change in your current business model before a crisis forces you to abandon it? Innovation guru Vijay Govindarajan expands the leader's innovation tool kit with a simple and proven method for allocating the organization's energy, time, and resources—in balanced measure—across what he calls "the three boxes": • Box 1: The present—Manage the core business at peak profitability • Box 2: The past—Abandon ideas, practices, and attitudes that could inhibit innovation • Box 3: The future—Convert breakthrough ideas into new products and businesses The three-box framework makes leading innovation easier because it gives leaders a simple vocabulary and set of tools for managing and measuring these different sets of behaviors and activities across all levels of the organization. Supported with rich company examples—GE, Mahindra & Mahindra, Hasbro, IBM, United Rentals, and Tata Consultancy Services—and testimonies of leaders who have successfully used this framework, this book solves once and for all the practical dilemma of how to align an organization on the critical but competing demands of innovation.

Jane Delaney Humorous Mystery Series: Books 1-3 Box Set Pamela Burford,2021-07-09 "Look out, Janet Evanovich: Jane Delaney is a worthy rival of Stephanie Plum. Bright, smart, and incredibly funny, Undertaking Irene is a delightful laugh-out-loud roller-coaster ride." — Lorna Barrett, New York Times best-selling author of Book Clubbed "Engaging and hilarious, Uprooting Ernie is the perfect summer read with its Long Island setting, light (but not trite) prose and very human humor." — Tamsen Schultz, best-selling author of the Windsor Series mysteries "Uprooting Ernie is an intriguing murder mystery, full of twists and turns, interesting characters, and hilarious escapades you don't want to miss." — Angel Sefer, best-selling author of The Greek Isles Series "Witty characters, humorous story line and a plot so fun you won't want to stop reading this book!... It's laugh-out-loud funny and will make people wonder what you are reading!" — Shelley's Book Case "This one is definitely ♥♥♥♥♥!" — Rantin', Ravin', & Reading "Undertaking Irene by Pamela Burford is one of the funniest books I've read in a long time!... I was laughing out loud right from the start... I can't wait for book two. If you like humor with your mystery, definitely check this one out!" — Brooke Blogs, 5 Stars! "Quirky characters, an intriguing mystery, and snappy dialogue!" — Escape With Dollycas "I hated to put it down... I will be looking to read other books by Pamela Burford!" — Readalot "Oh what a fun read!... There are some seriously superb ideas in this book! The names especially—I mean, how not to love Sexy Beast, the most adorable, lovable purse-sized doggie in the world, who just happens to be a millionaire, owning a mansion for his house. And his human, the Death Diva (aka Jane Delaney)? Come on, admit you're smiling at this point... Yeah, lots of good chuckles, a bit of nail-biting suspense, a love triangle of sorts, or at least a good dilemma in the subject—all my faves!!!!... Really entertaining book!!! Two thumbs up!" — BookBug's World "The real delight of these books is the humour. I found myself laughing out loud at some of the things that Jane gets herself involved in... I loved this book and really hope that we don't have to wait too long for the next one. I for one, can't wait to see what Jane gets up to next." — Crazy K.A.L.M. ♦ Death Diva Jane Delaney performs various tasks related to, well, dead folks. When one of those deaths begins to look suspicious, her job description suddenly expands to include amateur sleuthing. But no worries, because Jane's canine sidekick, Sexy Beast, is there to lend moral support. Book 1: Undertaking Irene Jane Delaney does things her paying customers can't do, don't want to do, don't want to be seen doing, can't bring themselves to do, and/or don't want it to be known they'd paid someone to do. To dead people. Life gets complicated for Jane and her Death Diva business when she's hired to liberate a gaudy mermaid brooch from the corpse during a wake—on behalf of the rightful owner, supposedly. Well, a girl's got to make a living, and this assignment pays better than scattering ashes, placing flowers on graves, or bawling her eyes out as a hired mourner. Unfortunately for Jane, someone else is just as eager to get his hands on that brooch, and he's even sneakier than she is, not to mention dangerously sexy. Just when she thinks her biggest problem is grand theft mermaid, things take a murderous turn. But hey, when you've teamed up with a neurotic seven-pound poodle named Sexy

Beast, how can you go wrong? ◇ Book 2: Uprooting Ernie Death Diva Jane is simply going about her business, which in this case requires her to empty a three-liter spigot box of cheap rosé on a grave, when she and her furry sidekick, Sexy Beast, make a grisly discovery in the town cemetery. The victim was murdered three decades ago, but memories are fresh and old grievances fresher as facts come to light and fingers start pointing. Naturally Jane must investigate. Well, what would you do if one of your best pals turned out to be Suspect Numero Uno? Meanwhile, between her amorous ex and a sexy bad boy who keeps popping up in the most distracting way—not to mention the (creepy? bizarre? pathetic?) guys she’s meeting through a dog lovers’ dating site—her love life has never been so (creepy? bizarre? pathetic?)... interesting. ◇ Book 3: Perforating Pierre Celebrity chef Pierre Dewatre has everything going for him: swoon-worthy looks, a successful restaurant, and a budding TV career, not to mention that drop-dead-sexy French accent. Unfortunately for Pierre, the drop-dead part becomes all too real when Death Diva Jane and her furry little sidekick, Sexy Beast, discover him marinating in his own juices. So to speak. And okay, so the famous chef has been accused of cooking and serving endangered species, but that couldn't possibly have anything to do with his death. Could it? The inept detective in charge of the case has homed in on a single suspect: Jane's ex, who's only the Nicest Guy in the World. She's never gotten over him, even with a certain bad-boy bartender invading her personal space at every opportunity. Throw the victim's hot Parisian brother into the mix and it's little wonder Jane is having trouble concentrating on whodunit. You'd think having a high-strung, seven-pound poodle on your team would be the key to quickly solving a complicated murder. Turns out that's not necessarily the case. Who knew?
