San Francisco 49ers Legends Martin S. Jacobs, 2016-05-08 San Francisco 49ers LEGENDS-The Golden Age of Pro Football, is a new 6 X 9, 305-page book, with 36 pages of photos. The book is essentially the definitive story of the 49ers' football team from their swirling tales of the old All-American Football Conference rivalries, and throughout the 1950s' decade in the National Football League. It's told personally by perhaps the team's most faithful followers - Martin Jacobs. It could be the book about the team's beginnings that most 49ers' fans will ultimately have on their shelves. Other books written about the 49ers dwell on facts, while not tapping into the personal devotion that Jacobs passionately express. Keep in mind there is, nor ever will be a book about the team's history, which showcases a personal historic overview of the team's emerging years as this one. The book tells a story about the 49ers' players we read about in the newspapers and listened to on play-by-play radio broadcasts, and eventually on television, during the Golden Age of Pro Football. They were coached by Lawrence Buck Shaw, called the Silver Fox, who was a local legend, who gave the team instant credibility and turned them into a winner, as well. In the decade, the 49ers had assembled one of the greatest backfields ever. They came to be known as the Million Dollar Backfield, made up of fullback Joe Perry, halfbacks John Henry Johnson and Hugh McElhenny, and quarterback Y.A. Tittle- all enshrined in the Pro Football Hall of Fame. These players opened up new frontiers and laid a solid foundation for the championship years to follow. They all made great stories to share - from their gridiron heroics, on the basketball court and in Roller Derby. The book is a true narrative account of the 49ers' formative years, which encapsulates the difference between the players of yesteryear and

today's crop. It brings back priceless memories and an elicit sense of sadness that those days and players are now history. There are 49 chapters with feature stories on players like McElhenny, (aka The King), one of the greatest open-field runners ever; tackle Leo The Lion Nomellini, who perhaps had a disposition better suited for hand-to-hand combat; linebacker Hardy The Hatchet Brown, who hammered everything and everybody in sight with his signature shoulder tackles. Others include Tony Morabito, the team's first owner; 49ers" players who served in the military; outstanding quarterbacks: Frankie The Wizard Albert, The Colonel Tittle and John Brodie; halfback Joe Arenas, an Iwo Jima survivor who exemplified the teams" fighting spirit; grand old Kezar Stadium, the birthplace of the famed Tittle to R.C.Owens" Alley-Oop pass plays and the epic site of the last quarter cliffhangers to beat the Rams, Bears, Colts, Packers and Lions; an array of star rookies: Gordy Soltau, Billy Wilson, Clay Matthews, Matt Hazeltine, Charley Powell, Dickey Moegle and others. Personal interviews with Joe Perry; Jan Jeffers, owner of the 49ers first mascot burro, Clementine; Deanna (O" Mara) Cope, an original 49er majorette, Kezar vendor Bruce Lombardi; Joe McTigue"s 49ers marching band; 49ers" basketball team; 49ers in the off-season; 49ers" trivia; 49ers" team gear; collecting and investing in 49ers" relics, and much more. This book will bring back those memories with each turn of a page as the 49ers" heritage will remain alive with the deeds and foibles of those who, by their performance, their personality, or both, gave flavor and substance to those times, are as unique in their own right as in their interviews. The author has assembled an array of 50 outstanding publicity and action photographs from his collection of over 1,000 - some which have never been published before. For any 49ers" fan that followed this team in the Golden Age, you will find this book, not just the story of a football team coming of age, but a stirring evocative collection of reminiscences that touches upon what it means to be a 49ers" fan.

THE KING Hugh McElhenny-A *San Francisco 49ers Legend* Martin Jacobs, 2021-03-19 Considered the greatest thrill runner of all-time, Hugh The King McElhenny ran with a tremendously long stride and high knee action. His breakaway speed and unique ability to change direction at will left defenders dazed and confused. As a University of Washington All-American halfback, he

established conference records for yards gained (2,499) and longest punt return (100 yards) and led the conference in scoring in 1950 and 1951. McElhenny was a first-round draft choice of the San Francisco 49ers in 1952 and was an instant hit. His rookie season left sportswriters groping for new superlatives. In his rookie season, the versatile half back recorded the 49ers season's longest run from scrimmage (89 yards), the longest punt return (94 yards), and the top rushing average (7.0 yards per carry). Not surprisingly, he was a unanimous choice for the league's NFL Rookie of the Year honors. In 1961, after nine seasons and five Pro Bowl appearances with the 49ers, McElhenny played for the Minnesota Vikings. It was, all things considered, his finest season. With the Vikings, he accounted for 1,067 combined yards and made his sixth trip to the Pro Bowl. Two years later, as a member of the New York Giants, McElhenny realized a dream that had thus far escaped him -- playing on a championship team. When he retired after the 1964 season, McElhenny was one of only three players to have gained more than 11,000 all-purpose yards. His running ability was as good as any player who ever lived. His peripheral vision was much like O. J. Simpson, said Don Heinrich, QB, New York Giants; He could change his course two and three times in one run. He was unbelievable, said Billy Wilson, end, 49ers; McElhenny was like a bowling ball thrown with body English, It slides crazily down the alley, curls around the pins and scatters them gently, said Frankie Albert, QB, 49ers; Mac was the greatest broken-field runner football has ever seen,- said Y.A. Tittle, QB, 49ers; He ran around you, through you and, if the situation demanded it, right over you, said UCLA coach Red Sanders. If you love football, you'll love this book. The King Hugh McElhenny, the legendary halfback, is a wonderful biography of one of the NFL's greatest all-time classic open-field runners ever. 296 pages, 296 outstanding photos! A must read for any NFL fan! Also there are two companion books that feature Hugh The King McElhenny. They are- Kezar-Stadium-49ers Fans Remember and San Francisco 49ers LEGENDS-The Golden Age of Pro Football, also available from Amazon.

Liberalism or How to Turn Good Men into Whiners, Weenies and Wimps Burgess Owens, 2016-07-19 The black middle class—saviors of the American way. **Liberalism or How to Turn Good Men into Whiners, Weenies and Wimps** documents the role of the 21 white, self-avowed socialist, atheist and Marxist founders of the NAACP and their impact on the Black community's present status at the top of our nations misery index. It highlights the decades of anti-Black legislation supported by liberal black leaders who prioritized class over race in their zeal for the promises of socialism. Their anti-Black legislation, dating back with the 1932 Davis-Bacon Act, continues today to suppress inter-community Black capitalism, federal construction related Black employment, work and job experience for Black teenagers, quality education access for urban black children, and the role of black men as leaders within the family unit. **Liberalism or How to Turn Good Men into Whiners, Weenies and Wimps** highlights the strategy, used in 1910, to inject the atheist ideology of socialism into a once enterprising, self-sufficient, competitive and proud Christian black community. A portion of

that community, the conservative Black middle class, is positioned to pull our nation back from this abyss. Americans can ensure that the century-long sacrifice of lost hopes, dreams and lives made by the proud, courageous, patriotic, capitalist, Christian based, self-sufficient, education-seeking Black community of the early 1900s was not in vain—but only if we choose to learn lessons from those past Black generations.
