Tomorrow 4 Sale! Oladele Madamidola,2017-08-22 Buying and selling take place every day, everywhere and all the time – destinies are sold and bought after rigorous negotiations in the market places of the world. Wondering why and how people could descend so low as to buy and sell destinies, the author of this motivational piece for teenagers and parents realised that both buyers and sellers are simply unconscious actors; the market, a stage. However, buyers are fewer than sellers in the market places of destiny – more and more people sell their tomorrow in the uncertainty of TODAY. This book is devoted to giving reasons tomorrow must be sold...!

Bodies 4 Sale Charles Nuetzel,2006-10-01 A raw, bold look into the world behind the parties, the Hollywood scenes, the prostitutes and big money managers Here is the land that Jim Norton knew: show business from top to bottom. But that was his problem. Once he'd been on top and now he was at rock bottom. After two years, the why was still a mystery. This is a romantic novel taking a savage look behind the scenes of how big business has, many times, perverted the art of movie making. Originally published in 1961, this edition has been revised and updated.

When she arrives two hours late to Elizabeth's home, she finds a quiet, sad woman that she tries to cheer up. One thing leads to another and she fixes Elizabeth lunch. Lunch leads to conversation. Conversation leads to the bedroom and a delightful reaffirmation of desirability for Elizabeth and Samantha. Fate shows its ironic side. The following Monday, Elizabeth's first day back to work is also Samantha's first day on the same job. They discover their official roles when Elizabeth greets her newest employee during a typical new employee meet the boss interview. This is new ground for both women. How are they supposed to act? Dreams 4 Sale Cliff Bumgardner,2018-01-06 Award-winning author Cliff Bumgardner breaks new ground in this debut novella about a young boy's innocent purchase which threatens to change his world forever.Max Miller is an eight-year-old boy who'd rather be anywhere than a yard sale on Saturday morning, but that's precisely where he finds himself - as well as the mysterious girl with long black hair and a table of objects she calls dreams. Fascinated and overwhelmed by her presence, Max chooses one: A black pyramid the girl warns him not to take. It's a bad dream, she says, the kind you can't wake up from no matter how hard you try, but Max is too caught up to listen. When it's too late to matter, he wishes he'd taken heed. For when Max opens the pyramid, he invites an insidious darkness into his world and starts a chain of tragic events more terrifying than any nightmare. To stop it, Max will have to fight back against a girl whose powers extend beyond the bounds of reality and come to terms with the horrible truth hidden in her cryptic words.....Because there's no pulling yourself from a

dream if you're already awake.

An Ocklawaha River Odyssey Elizabeth Randall,2019-08-12 Photojournalists Bob and Liz Randall spent two years exploring Florida's ancient and enchanting Ocklawaha River. Their journey provides an inside look at the rich recreational resources of the river, its wildlife and the people, past and present, who contributed to its history and welfare. Along the way, they met artists, environmentalists, captains, law enforcement officials, conservationists, filmmakers, historians and local descendants whose lives are inextricably intertwined with the prehistoric river. From its subterranean and aquatic past to the Seminole Indian Wars, the steamboat era and political struggles, many voices are integral to the river's survival and to one of the longest environmental conflicts in Florida history.
