Numbricks for Kids 150 Very Easy to Easy Numbricks 4x4 James Forest,2019-01-04 If you want to become a numbrix master, start solving when you're a kid! The earlier you get started in your hobby or craft, the more you give yourself an advantage. This is a poorly-kept secret that any violin player or chess master can attest to: more and more, these masters are getting their starts as very young children, sometimes as young as three or even four years old. The reason is clear: the more time you have to learn and practice, the more you will have learned and practiced at each milestone you reach in your life. A 20-year-old numbrix master who started solving when they were five will have five more years experience than a 20-year-old numbricks master who started solving when they were ten. If you want to give your child a head start at becoming a numbrix master, this is the numbrix puzzle book you need. This book is filled with numbricks for kids, featuring puzzles designed to encourage effective learning. These are numbrix puzzles that your child will be able to solve, but these are also numbrix puzzles that will challenge the mind. If your goal is growth and development, there is no better book among numbrix books than this one. The first step in a long journey toward maturing into a numbricks master, reading this book is a healthy, positive pastime for any child. If your child is showing promise in logic and problem solving, why not give him or her a little something extra to work on? This numbrix puzzle book for kids will ignite a fiery passion for numbricks in your child's heart! Features of the puzzle book: The handy size means you can carry your book wherever you roam. Puzzles are pre-checked to eliminate error potential.
