Playing Blackjack as a Business Lawrence

Revere, 2000-09 This is the most talked-about book on the Blackjack scene. This book has sold more copies since it's initial release than any other gaming book. Prior to this new edition there was no foolproof way to learn how to play Blackjack accurately. This is the only Blackjack book that is easy to understand and completely accurate, written for the beginner or for the expert player. Playing Blackjack as a Business was written by a successful professional Blackjack player. The author has probably spent more time playing Blackjack, more time in the casinos, and more time in research, than have all of the others combined who have written Blackjack books or devised Blackjack systems. The book features a new Basic Strategy for one deck, the first accurate Strategy to be published for four decks, and four easy-to-learn Count Strategies including the Reverse Point Count Strategy, which is the most accurate and most powerful strategy that has ever been published. The

strategies were devised from computer runs by Julian H. Braun of IBM Corporation, long recognized as the world's most capable man in this field.

This book is well worth the price. Margaret Hinson - Midtown Billiards, Since 1940 (Owner) Blackjack is a hobby of mine. I enjoy the game but had trouble grasping some of the methods involved. After reading Ask Dr Blackjack I understood why I was supposed to make certain plays. Barrington's logic was a big boost for

my game. Dustin Monday - Computer Systems Engineer As a recreational Blackjack player, Barrington's insight on the correct plays has made a great difference in how far my gambling dollars go when I visit a Casino. I just wish I would have found this book sooner. Greg Pumphrey - Architect This book was extremely helpful in advancing my Blackjack winnings but the inside stories about the Casino activity is what made the book. Owen Ross - Retired Banker This book would not have been possible without all the hard work of Billy Mathys and Arkansas Graphics, Inc.
