*Of Curses and Kisses* Sandhya Menon,2020-02-18 “Fans of Menon’s frothy, contemporary rom-coms will be excited for this venture into new territory.” —Booklist “[A] dreamy, sassy confection of a romance...Funny, extravagant, and satisfying.” —Shelf Awareness From the New York Times bestselling author of *When Dimple Met Rishi* comes the first novel in a brand-new series set at

an elite boarding school that's a contemporary spin on Beauty and the Beast. Will the princess save the beast? For Princess Jaya Rao, nothing is more important than family. When the loathsome Emerson clan steps up their centuries-old feud to target Jaya's little sister, nothing will keep Jaya from exacting her revenge. Then Jaya finds out she'll be attending the same elite boarding school as Grey Emerson, and it feels like the opportunity of a lifetime. She knows what she must do: Make Grey fall in love with her and break his heart. But much to Jaya's annoyance, Grey's brooding demeanor and lupine blue eyes have drawn her in. There's simply no way she and her sworn enemy could find their fairy-tale ending...right? His Lordship Grey Emerson is a misanthrope. Thanks to an ancient curse by a Rao matriarch, Grey knows he's doomed once he turns eighteen. Sequestered away in the mountains at St. Rosetta's International Academy, he's lived an isolated existence—until Jaya Rao bursts into his life, but he can't shake the feeling that she's hiding something. Something that might just have to do with the rose-shaped ruby pendant around her neck... As the stars conspire to keep them apart, Jaya and Grey grapple with questions of love, loyalty, and whether it's possible to write your own happy ending.

As sweet as a macaron from Laduree, this romantic novel set in Paris about an American ballerina and a charming French boy is parfait! And don't miss Anne-Sophie's swoony FRENCH KISSING IN NEW YORK! Mia Jenrow has always known she's destined to be a professional ballerina. In fact, it's in her blood—according to family legend, her too-many-greats-to-count-grandmother once danced for the Paris Opera and was painted by Degas himself! Her parents say it's just a fantasy, but to Mia it's so much more than

that. It's her fate. Mia is planning to spend a magical summer in France pursuing her dream, but as she pirouettes into Paris, she soon realizes it may be a bit more complicated than she hoped. For starters, there's her rival, Audrey, who will stop at nothing to show her up. There's her ballet instructor, whose impossibly high standards push her to the breaking point. And then . . . there's Louis. Devastatingly, distractingly charming Louis. He's eager to show Mia his city—and Mia is more than happy to hop on his Vespa and wrap her arms around him as they pass the gleaming lights of the Eiffel Tower. Mia's summer was supposed to be about ballet—but there's a reason Paris is called the City of Love. . . .
